## Dr. Timm Renamed To Ag Commission

Dr. T. R. Timm, head of the Department of Agricultural Economics and Sociology, has been named one of five land-grant college advisors to the Agricultural Commission of the American Bankers Association.

The announcement was made by William F. Kelly, ABA president and president of the First Pennsylvania Banking and Trust Co. of Philadelphia.

The association has for 40 years followed a policy of selecting advisors from the land-grant schools for its Agricultural Commission. The commission is composed of 15 bankers from throughout the nation.

Timm said the purpose of the commission and advisory group is to evaluate agricultural develop-

ments and to recommend loan policies and programs relating to farm financing. The recommendations go to about 14,000 commercial bankers in the U. S.

Other advisors in addition to Timm are Dr. Aubrey J. Brown, head of the Department of Agricultural Economics, University of Kentucky; Dr. Earl L. Butz, dean of agriculture, Purdue University; Dr. O. B. Jesness, head emeritus, Department of Agricultural Economics, University of Minnesota; and Dr. G. B. Wood, head of the Department of Agricultural Economics at Oregon State College.

Shall I force my child to go to Sunday School and Church?

#### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
