

# Fish Cagers Prep For December Tilt

BY MARVIN SCHULTZ  
Battalion Asst. Sports Editor

With the spotlight soon to be focused on basketball courts, Coach Archie Porter's freshmen basketballers have been busy practicing since Oct. 15 for their opening cage tilt against perennial powerhouse of the junior college ranks, Lon Morris.

Commenting on the team's chances for the upcoming season, Porter said everything depends on what the opposition has to offer. The team will have an impressive slate of good prospects and they

are a hard working group. ONE OF THE best prospects singled out by Porter was James C. Smith, a 6-6, 205-pound star from Leverett's Chapel high school in Arkansas. "He can really run and is a good jumper," stated the head coach. "Smith averaged 21 points in high school.

Following in his brother's footsteps is Dwayne Lenox, the Clear Creek ace who averaged 22 points last year. Possessing a great shooting ability, Lenox should prove to be a valuable asset to the squad. He stands 6-3½ and weighs 180.

JIMMY JOHNSON, a 6-2, 175-pounder from Longview averaged 20 points a game and is equipped with a pair of good, quick hands. He was a standout on defense and drives well.

Kermit high school's contribution to the Fish team is James Gilbreath, a standout player at Kermit who averaged 26 points a game. He is 6-7 and weighs 185. Porter described Gilbreath as a "big boy who moves the ball well."

# IN LITTLE ROCK Razorbacks Host Aggs

BY JIM BUTLER  
Battalion Sports Editor

Coach Hank Foldberg will take a sophomore-studded squad to Little Rock, Ark., Friday to test the disappointing Arkansas Razorbacks Saturday evening.

Soph quarterback Charles LaGrange will lead the youth movement as the Cadets are still trying to solve the problem of how to score more points than the opposition.

THREE OTHER second-year men dot the starting lineup against an Arkansas team that is riding an 18 game November winning skein. Joe Wellborn will start at center, John Nilson at left guard and Bill Ward at right tackle. Twelve other sophomores will make the trip.

Both squads are riddled with injuries. Arkansas' top quarterback, Jon Brittenum, is on the doubtful list and guard Dave Walston, end Jim Finch and guard Tommy Brasher are definitely out.

A&M HAS LOST its starting left tackle Ray Gene Hinze while punter Jim Keller, halfback Tommy Meeks and end Tuffy Fletcher will probably see little action.

This will be the 37th meeting

between the two teams but only the fifth in Little Rock's War Memorial Stadium, where a sellout crowd is expected. The Hogs have beaten the Aggies five straight and lead in the series 19-14-3. A&M is the only Southwest Conference team over which Arkansas has a series edge.

FOLDBERG EXPECTS the Cadet secondary to get a little relief

after last week's shelling by Baylor's Don Trull. "Arkansas will throw some," Foldberg said. "I think they'll depend mainly on their ground attack."

At least one all-American will see the battle. Donna Axum, Miss America, will be presented at the game. Miss Axum is a UofA grad from El Dorado.

Kickoff time will be 7:30 p.m.

## Memo to Club Representative:

In order to meet our deadline we must require that all club pictures be scheduled by December 13. You, or a representative of your club, should come by the Office of the Student Publications on the ground floor of the Y.M.C.A. as soon as possible to schedule your club's picture.

Needed for your page will be a write-in of your club's purpose and activities (not to exceed 200 words), a list of officers, and the president's or sweetheart's picture (full page may use both). The costs are \$55 for a full page and \$30 for a half page.

All pictures will be scheduled to be taken by Feb. 14; all material regarding club's purpose, activities, and president's and/or sweetheart's pictures and payment will be handed in to Student Publications by the same date, Feb. 14.

Pictures regarding the motif of the locale of the hometown, or the purpose of the professional club, should also be turned in to add variety to your page.

Sincerely,

## SWC Schedule Saturday Sees 4 League Tilts

By HAROLD V. RATLIFF  
Associated Press Sports Writer

Texas rolls against Southern Methodist and Baylor unlimbers its passing arm for an onslaught of Texas Christian's barbed wire defense Saturday in the big games of Southwest Conference football.

Texas will be seeking to uphold its No. 1 national ranking and at the same time continue among the thinning ranks of the unbeaten and untied, while also advancing another step toward a second consecutive conference championship.

BAYLOR WILL be trying to keep pace with Texas at the top of the conference standings, paving the way for a showdown next week when the two teams meet.

Texas and Baylor are favored to make it but nothing is certain in this league where the upset period reaches its height in November.

TEXAS WOULD appear to have everything working for it in the game at Dallas Cotton Bowl. The Longhorns have beaten the Mustangs four years in a row, have a 6-0 record compared to 2-3 for SMU, boasts victories over Rice, which beat the Methodists 13-7,

## Starting Lineups

and Texas Tech, which nipped Southern Methodist 13-6.

Southern Methodist might prove troublesome with its "field mice" defense — everybody shifting all over the place. It did last year when Texas had to pull out all the stops to beat the battling Methodists 6-0.

BAYLOR, MOVING along behind the passing of Don Trull, meets TCU's rugged defense—one that has held its foes to half as much yardage as Baylor has made in the air. The Frogs also feature power and a strong pass rush. It's homecoming game at Baylor.

Rice will be at Lubbock trying to cling in the championship race with a victory over erratic but dangerous Texas Tech. The Owls, who lost to Texas 10-6 last week, must win this one or give up for the season.

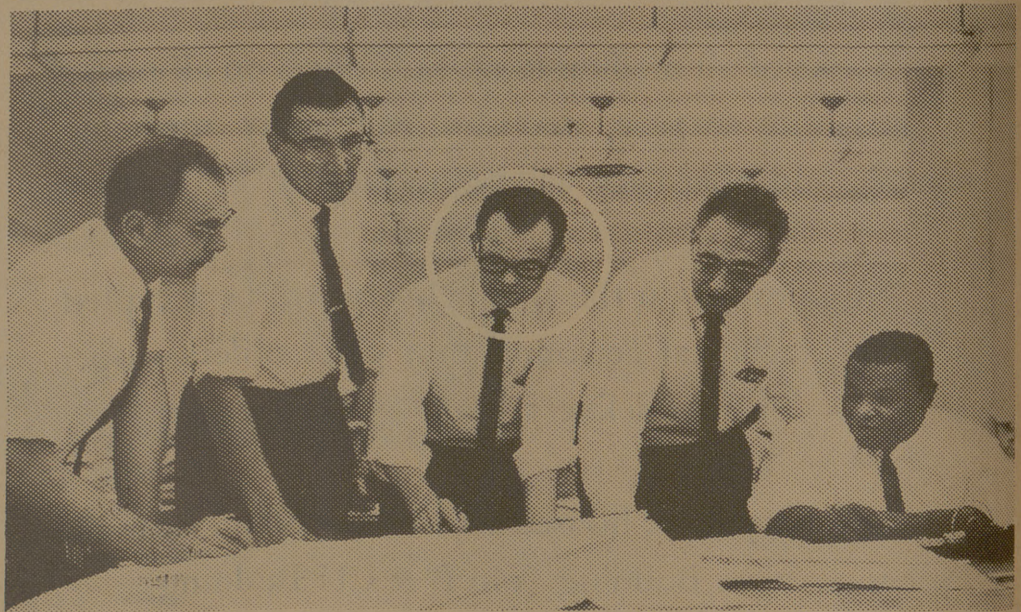

Up in the Ozarks, Arkansas will

be meeting A&M at Little Rock in the only night game on the schedule.

End Johnny Baker of the Houston Oilers was named the best defensive end in the Southeastern Conference last year at Mississippi State.

## He has it at Western Electric

John LaCost received his B.S.E.E. from the University of Illinois in 1962. One of the factors which influenced him to join Western Electric was the quick manner in which new engineers become operational.

During the short time John has been with us, he has worked in several areas which are vital to the nation's communications complex. And with his future development in mind, John attended one of our Graduate Engineer Training Centers where he studied the front-line Electronic Switching System. He is currently working as a systems equipment engineer on such projects as cross bar switching and line link pulsing.

John's future at Western Electric looks promising indeed. He knows he will be working with revolutionary and advanced engineering concepts like electronic switching, thin film circuitry, computer-

controlled production lines and microwave systems. He is also aware of the continued opportunity for advanced study through the Company-paid Tuition Refund Plan, as well as through Company training centers.

How do you see your future? If you have high personal standards and the qualifications we are looking for, we should talk. Opportunities for fast-moving careers exist now, not only for electrical, mechanical and industrial engineers, but also for physical science, liberal arts and business majors. For more detailed information, get your copy of the Western Electric Career Opportunities booklet from your Placement Officer. Or write: Western Electric Company, Room 6405, 222 Broadway, New York 38, N. Y. And be sure to arrange for a personal interview when the Bell System recruiting team visits your campus.
