JOE FAULK'S

25th and Washington

jaunt to Athens for a cage engagement with the Henderson County junior college squad tonight.

After opening the season with a close 69-66 loss to highly regarded Lon Morris, the Fish will be out to get on the winning trail before they again take on the Bearkats in a Saturday night repeat at Jacksonville.

Despite the loss in the first game, three players showed top notch form by scoring in double figures. J. C. Smith led the Fish charge with a 21 point production while teammates Curley Lenox and Reggie Gilbreath racked up 18 and 13 points respectively.

Last year's Fish team lost its opening game but came back strong winning five in a row and finishing with a 9-3 slate. One of those victories was over the Henderson County outfit, 60-55.

The probable starting lineup for the Fish will find Curley Lenox and Tommy Casey at the guard posts while Reggie Gilbreath and Larry Kirk will be at the forward positions. At center will be J. C. Smith.

Kubala To Play In Shrine Game

A&M's Ray Kubala, signed by the Denver Broncos of the American Football League, will join six other Southwest Conference players on the West team in the annual Shrine football game to be played Dec. 28 in San Francisco.

Kubala, who captained the 1963 Aggies, is one of two centers chosen and will no doubt see a great deal of action.

Other SWC players are quarterback Don Trull, tackle Bobby Crenshaw and fullback Dalton Hoffman of Baylor, and David Parks of Texas Tech, fullback Tommy Crutcher and guard Robert Mangum of Texas Christian.

Longhorns Await New Year's Battle

AUSTIN (AP)—It's going to be a football showdown when Texas and Navy meet Jan. 1 in the Cotton Bowl at Dallas.

"This'll go a long way to setting things," said All-America tackle Scott Appleton of the Longhorns Tuesday.

HE HAD JUST been told that the final Associated Press poll had given Texas the top rating — the national title. Navy is No. 2 and the team the Longhorns must beat to prove themselves worthy of the top spot.

"It would be a big mar on our record to lose to Navy in the Cotton Bowl game and that is something we've got to be working on,"

Loyola Holds Lead As Top Cage Team

Associated Press

Loyola of Chicago, last season's national champion, has taken a commanding lead in The Associated Press' weekly college basketball poll on the strength of impressive victories in its first two games this year.

1. Chicago Loyola 32 2-0 353
2. NYU 4 2-0 312
3. Duke 3 3-0 272
4. Arizona State 2 0-1 149
5. Kentucky 3 0-1 144
6. Cincinnati 2 1-1 141
7. Michigan 3 0-1 116
8. Ohio State 3 1-1 113
9. Oregon State 4 0-1 64
10. Kansas 2 0-1 61

UTAH TONITE

Utags Slaughter Ags

Below freezing weather outside and equally frigid Aggie shooting gave a fine Utah State team a 94-71 victory over the Cadets in Logan, Utah, Tuesday night.

Led by junior Wayne Estes' 41 points, the Utah Aggies out-shot, out-rebounded and out-played the young A&M team to post their third victory of the season against no defeats. The loss evened A&M's record at 1-1.

The contest started out slow with the score tied at 8-8 after five minutes. The score was knotted twice more at 10-10 and 12-12 before the Utags and Estes broke

it open. Utah State fired in 17 points before the Cadets hit the scoreboard again and the rout was on.

A&M's all-American candidate Bennie Lenox netted the goal that tied the score at 8-8 and was held scoreless the rest of the night by an alert and aggressive Utah defense.

Estes tallied 33 points in the first half as the teams left the floor with A&M trailing 57-31.

The second half was about even

with A&M having an edge in scoring, 40-37, but was unable to overcome the Utah State lead.

Sophomore Tim Timmerman paced the Aggies with 18 points followed by two other soph—Jim Beasley with 16 and Dick Stringfellow with 11.

Center, 6-9 Troy Collier and guard Leroy Walker each scored 16 for Utah State.

Wednesday night, A&M moves over to Salt Lake City to meet Utah University.

EXCITING THINGS HAPPEN AT FORD MOTOR COMPANY!

THE 100,000-MILE ENGINEERING TEST THAT SET OVER 100 NEW WORLD RECORDS

It began September 21 in Florida, when a team of four 1964 Comets, specially equipped and prepared for high-speed driving, set out to do the equivalent of four earth orbits at Daytona International Speedway—100,000 miles at speeds well over 100 miles an hour, round the clock for 40 days, through weather fair and foul.

They did it, all four of them, and they made history! They did it in the full glare of publicity. In semi-tropical heat. In the teeth of torrential squalls that fringed two hurricanes. Including time out for refueling and maintenance, the lead car averaged over 108 miles an hour, topping over 100 national and world records!

For all practical purposes this was an engineering trial—the most grueling test of staying power and durability ever demanded of a new car. Only near perfection

could stand the punishment dished out to parts and components hour after hour, mile after mile. Brakes, engines, transmissions, ignition systems—every single part a pawn in a grim game of truth or consequence, with total product quality the stake. And they all came through hands down!

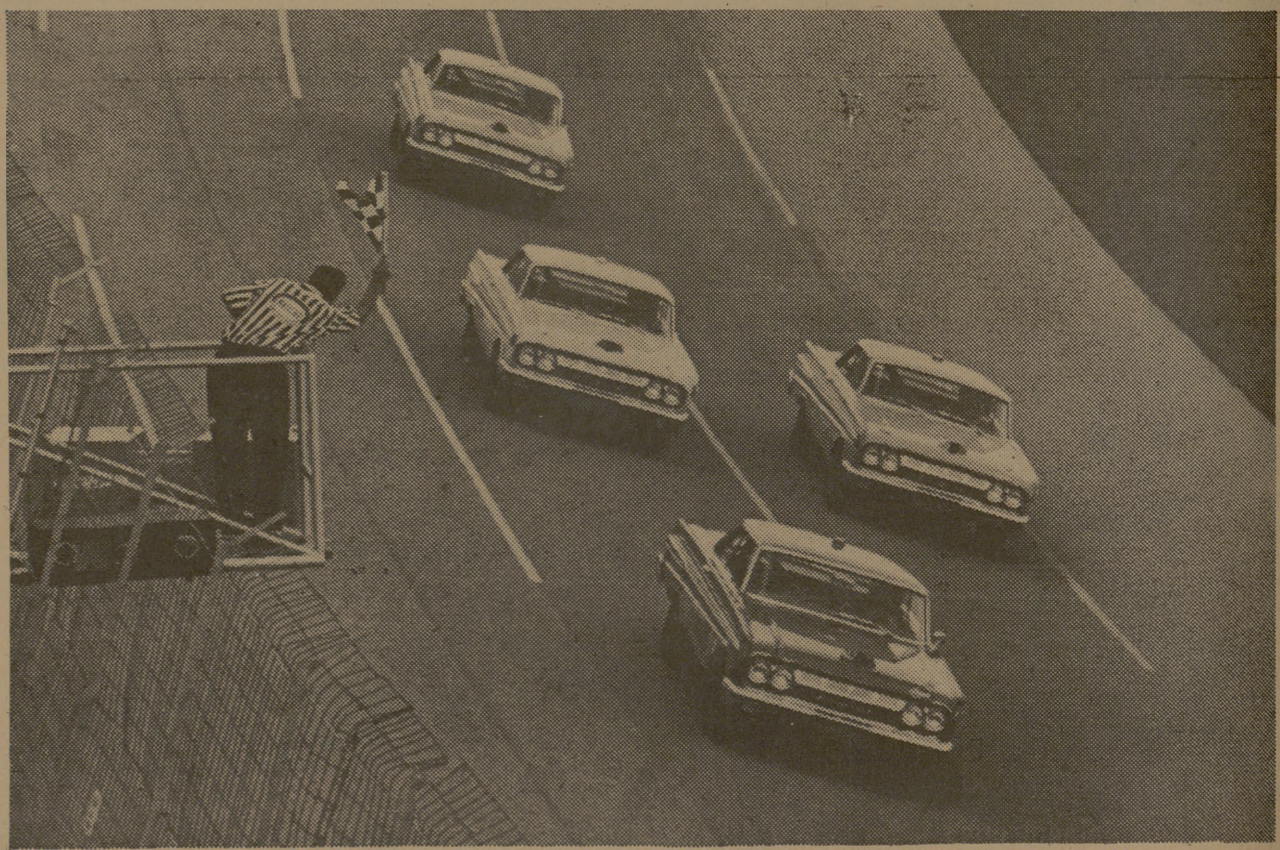

Now that it's over and in the record books, what does it mean? New proof of Ford-built stamina and durability! New evidence that Ford-built means better built! Yes—and more, it is a direct reflection of the confidence and creative know-how, the spirit and spunk of Ford Motor Company's engineering, styling and manufacturing team—men who find rewarding adventure in technical breakthroughs.

More proof of the exciting things that happen at Ford Motor Company to bring brighter ideas and better-built cars to the American Road.
