

Aggies Head For Tourney; Play Oklahoma City Tonight

After soundly thrashing the Sam Houston College basketballers, the Aggies head for the Houston Classic Tournament for cage engagements with Oklahoma City University and Mississippi State on Thursday and Friday nights.

Following the Houston Classic, the team prepares for its invasion of the All College Tournament which will take place in Oklahoma City. Opening that tournament, the Aggies will be pitted against the University of Washington Huskie team.

AFTER FOUR GAMES the Aggie starting lineup comprises four newcomers with Bennie Lenox being the lone returning regular. Sophomores John Beasley, Tim

Timmerman, and Dick Stringfellow, and junior transfer student Bill Gasway round out the first team attack. Gasway is a product of Lon Morris.

Lenox leads the scorers with 63 points and a 15.8 average, despite a two-point performance at Utah State. Center John Beasley is second with 60 points and a 15.0 average. He ranks first in team rebounds, nabbing 35.

TIMMERMAN HAS A 12 point average with 48 total points. His high game was against Utah State where he scored 18 points. Stringfellow has dumped in 25 points for a 6.3 average. Gasway is second in rebounds with 33 and has tal-

lied 26 points for the young season.

In the four cage battles the Aggies have racked up 299 points for a game average of 74.8 while the opponents have garnered 313 markers, averaging 78.3 a game. The fine Utah teams have inflicted both Aggie losses while victories were established over the University of Houston and Sam Houston.

Thus, in a festive mood the Aggie cagers hit the trail for the holiday campaigns. Aggies living in Houston and Oklahoma are urged to get out and see the Aggies in the holiday tilts. If you do decide to see a game, be sure to be extra careful going to and from the game.

The Cost Of Texas Traffic Accidents

The playing area of a football field measures 300 feet by 60 feet. United States currency measures

of two dollar bills, then fives, tens, five hundred dollar bills—and on top of these put eight layers of paper money, dump 2,707 tons of silver dollars, and the money on that football field would represent the economic loss we suffered through traffic accidents in Texas as for the year of 1962.
