

Ags Take League Frosh Track Title

With Randy Matson apologizing for beating the freshman shot record by almost nine feet and the discus standard by 20 feet, and James White turning in fine sprint performances, the Aggie Fish won the Southwest Conference freshman track and field meet in Lubbock Friday and Saturday.

Matson's heave of the iron ball was 63-5/8, which surpassed the 54-7/8 by Jim Lancaster of Baylor in 1962. His sling of the discus measured 176-9/16, bettering the old mark of 156-10/16 set by A&M's Danny Roberts in 1961.

White paced the Fish in points with 12 1/2 by taking second in the 100-yard dash and setting a record in the 220 around the curve in 21.6. He also anchored A&M's third place 440 baton team which turned a 41.6.

White's greatest feat of the day was a blazing 47.2 leg on the mile relay, a performance that won the meet for the Fish. The Aggies finished second in the baton race with the team of Darrell Wilk, White, Buddy Woodall and Larry McGough timed at 3:17.4 behind Baylor.

A&M, with the second place in the mile relay which was needed to take the meet, tallied a final 62 points to the Cubs' 58. Texas finished third with 46 and Arkansas fourth.

With Matson's efforts, combined with Mike Schrider's and Buddy Woodall's, the Fish held a large lead Friday after the field events were completed. The Aggies had earned 32 points, 16 ahead of the second team, on the first day of competition.

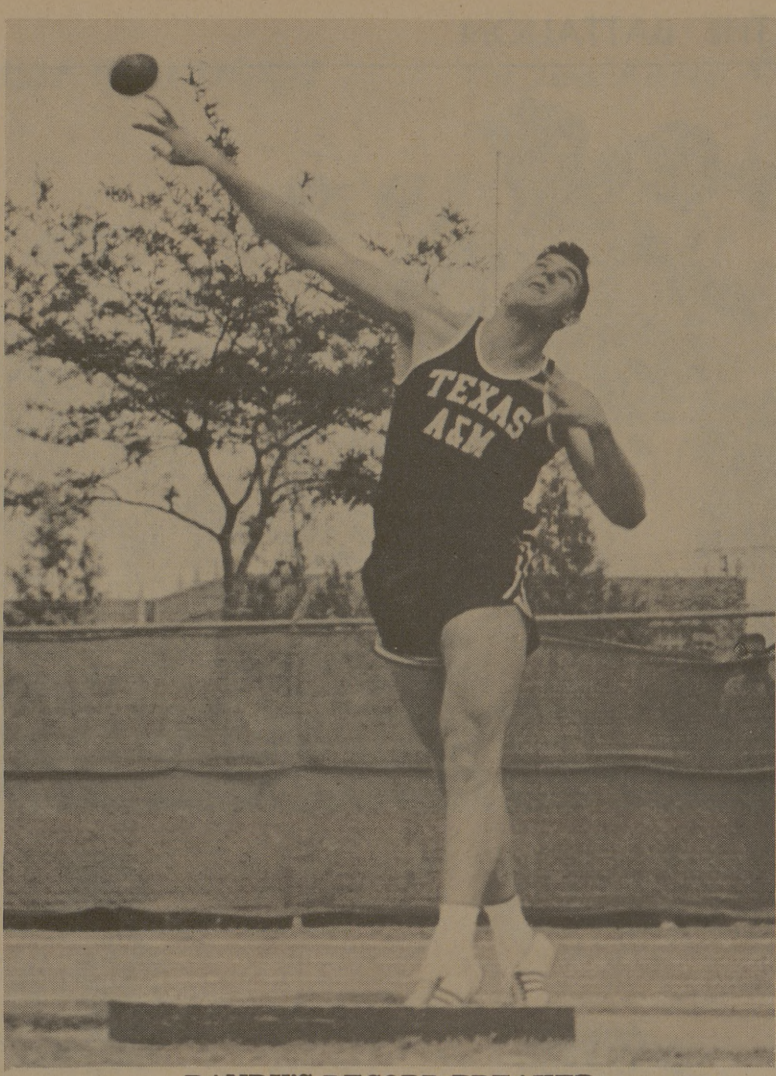

Woodall won the broad jump in a 23-6 leap, and Sanford Ussery took third with a 22-2 mark. Schrider claimed the high jump event on a 6-3 3/4 effort while Stephen Holtz placed fifth at 6-0. Schrider also placed fifth in the broad jump.

Besides Matson's first in the discus, the Aggies scored a third with Jack Pyburn's 145-4 1/2. Donny Ayers also finished fourth in the javelin with a 168-5 1/2 toss and Earl Edwards vaulted 12-6 for a fourth in the pole vault.

Saturday's races began with Baylor making a bid for the title in the running events.

But a third in the 440-yard dash by Larry McGough in 48.5 and White's efforts in the sprints pulled the Aggies ahead.

Robert Ginsbach, the lone Aggie Fish hurdler, finished fourth in the 440-yard barriers and fifth in the 120-yard high hurdles. Don Smith added a fifth place point in the mile, and the Aggies took the title.

RANDY'S RECORD-BREAKER ... sets discus mark, too.

Nelson Sprints To SWC Record

Southern Methodist's John Roderick stole the show, Rice won the meet, and the best the Aggies could do was two firsts for a sixth place in the Southwest Conference track and field meet in Lubbock Friday and Saturday.

It was a clear-cut victory for the Owls as they placed in 12 of 16 events for 61 points to beat the top contender Texas who posted 52. SMU marked 43 points, despite winning three events, for third place, Baylor scored 34, Arkansas had 30 for fifth and the Aggies tallied for 28 for sixth. Texas Tech scored 21 and hapless Texas Christian managed one.

The Aggies' two first places came by way of a record-breaking 46.6 in the 440-yard dash by Andrews ace Ted Nelson and a 168-3 discus spin by Maroon weightman Danny Roberts. It was the third year in a row the big senior won the conference platter spin.

Nelson's tremendous race, the fastest ran by a collegian this spring in the nation, resulted after the sprinter came blazing out of the blocks to a 21-flat first 220. The Aggie managed to hold the pace and finish ahead of Rice's Jimmy Ellington.

Roderick, who set the league looking back record in a pink T-

shirt in the Friday preliminaries, gave SMU coach McAdoo Keaton the finest retirement present anyone could ask.

The flashy footballer-sprinter blasted off in the 100-yard dash to a 9.3 record, and later beat his teammate Billy Foster in the 220 around the curve in 21.0 for another SWC standard.

Foster, last season's sprint champ, and Roderick pushed the Pony baton crew to a 40.1 440-yard relay mark, one tenth of a second off the world record.

Roberts suffered a big loss in the shot put as he tried to make a bid for a SWC sweep in the weights. Jim Lancaster and Frank Mazza, both of Baylor, slipped in front, giving the Aggies a third place 57-11 1/2, which beat his old league mark of 57-9. Lancaster won with 58-5 3/4.

A&M's John Collins copped a second in the high jump at 6-4, while Cecil Wood leaped 6-2 for a fourth place. Bob Brown managed a fourth place in the broad jump with a 23-1 spring.

David Glover hurled the discus 150-3/4 for a third place and a team of Robert Martin, Jim Runge, Richard Hall and Nelson tied the school 440-yard relay mark of 41.2 for a fifth place.

Barker, Rojas Take Doubles Golfer In 3rd

Richard Barker and Luis Rojas combined forces Thursday in Lubbock to give Texas A&M University its first Southwest Conference doubles championship in history.

Meanwhile, Aggie Mike Hines fired a 305 for 72 holes to tie for third in the SWC golf tourney.

Barker and Rojas captured the historic crown by downing the seeded Rice duo of Jimmy Paul and Dale McCleary in four holes. Scores for the match were 6-4, 4-6, and 10-8.

In singles action, Barker defeated in the finals by Long Jerry Walters 12-10, 9-7, and The junior from San Saba beat the finals by knocking off the highly touted Parker in the semifinals. Parker was top seed.

Luis Rojas, Costa Rica's contribution to the Ag net, reached the semifinals, where eventual champion Walters defeated him, 6-1, 2-6, 6-2. A third Aggie, Ricky Williams, completed was eliminated in the first round.

Pat Thompson of Texas captured top honors in the golf meet, finishing with a 302 total. The other Ag entry was Jeff Saba who wound up in twelfth place with a 325 score.

SMU, Longhorns Draw Probations

BY MAYNARD ROGERS Sports Editor

Southern Methodist and the University of Texas felt the stings of the Southwest Conference probationary whip last weekend at the SWC spring meeting in Lubbock, while Baylor and Texas Tech got a scolding in one of the most severe actions taken in the league's 50 year history.

But, it was SMU that suffered the most in the longrun and lost its bowl rights for two years with no appeal or review of the case before that time.

In the host of infractions levied by the conference dads on the

CITY ORDINANCE

ORDINANCE NO. 398 AN ORDINANCE PROVIDING FOR A PUBLIC HEARING ON THE QUESTION OF REZONING THE FOLLOWING DESCRIBED AREA FROM DISTRICT NO. 1, FIRST DWELLING HOUSE DISTRICT, TO DISTRICT NO. 4, FIRST BUSINESS DISTRICT; TRACT NO. I: BEGINNING at an iron rod in a concrete monument at the most northerly corner of Lot 1, Block 6, Redmond Terrace Addition; THENCE N 45° 12' E a distance of 427.0 feet to a point for corner; THENCE S 45° 00' E a distance of 1361.0 feet to a concrete monument for corner; THENCE S 45° 00' W a distance of 225.0 feet to a concrete monument for corner; THENCE N 64° 48' W a distance of 605.4 feet to a concrete monument for corner; THENCE N 45° 20' W a distance of 654.3 feet to a concrete monument for corner; THENCE N 41° 48' W a distance of 160.0 feet to the point of beginning; TRACT NO. II: Lots 9 through 11 in Block 3 and Lots 18 through 21 in Block 4, Redmond Terrace Addition; BE IT ORDAINED by the City Council of the City of College Station, Texas: WHEREAS, the City Planning and Zoning Commission has recommended that land described herein be rezoned as District No. 4, First Business District; now, therefore, It is hereby ordered that a public hearing shall be held in the City Hall at 7:00 P. M. on May 25, 1964 on the question of rezoning areas within the city limits as follows:

1. To rezone or change the classification of all that property, TRACT NO. I: BEGINNING at an iron rod in a concrete monument at the most northerly corner of Lot 1, Block 6, Redmond Terrace Addition; THENCE N 45° 12' E a distance of 427.0 feet to a point for corner; THENCE S 45° 00' E a distance of 1361.0 feet to a concrete monument for corner; THENCE S 45° 00' W a distance of 225.0 feet to a concrete monument for corner; THENCE N 64° 48' W a distance of 605.4 feet to a concrete monument for corner; THENCE N 45° 20' W a distance of 654.3 feet to a concrete monument for corner; THENCE N 41° 48' W a distance of 160.0 feet to the point of beginning; and TRACT NO. II: Lots 9 through 11 in Block 3 and Lots 18 through 21 in Block 4, Redmond Terrace Addition; from District No. 1, First Dwelling House District No. 4, First Business District. Notice of said hearing shall be published in a local daily newspaper of general circulation at least fifteen days prior to date of said hearing. Passed and approved and ordered published this 6th day of May, 1964. APPROVED S/Ernest Langford Mayor ATTEST: S/K. A. Manning City Secretary

GRADUATING SENIORS —are you in need of a car? There is no need to wait if you have a military contract or a job commitment. Come in today — "Test Drive" the "Really Hot One"—the 1964 Plymouth.

Brazos Motor Co. 'Serving the Brazos Valley for 41 years' 1211 Texas Ave., Bryan, Texas TA 2-7009 TA 2-1965 Plymouth - Valiant - Studebaker

schools, all for recruiting violations, Texas received the strangest verdict of them all.

The Longhorns were placed on indefinite probation but still retain all post season bowl rights. The ruling, which amounted to little more than a public reprimand, will be reviewed at the end of one year.

Tech and Baylor were issued official public reprimands for violating minor recruiting laws of staging too many visits to a schoolboy athlete.

The charges levied against Hayden Fry's Ponies were:

- 1. Offering extra financial inducements to prospects. 2. Giving financial aid to students already in school. 3. Offering financial aid to prospects beyond the legal amount for room, board, tuition, books, fees and \$10 a month for incidentals. 4. Campus visitations by prospects, financed by alumni but unaccompanied by the prospects.

Texas was hit for excessive entertainment, paying for visits to the UT campus other than prospects and the third SMU violation. The Texas charge was issued as a probation, and many conference sportswriters and publicists felt that the reason was because "probation" means more than a public reprimand. Then maybe the conference is getting tougher on violations, or plans to in the future.

CITY ORDINANCE

AN OPEN LETTER TO THE YOUNG MEN AND WOMEN OF SOUTHAMPTON'S DEBUTANTE PARTY

WE READ A STATEMENT in the press made by one of the young defendants after the court case involving alleged damages at a debutante party in Southampton, Long Island: "Everyone knows there is too much drinking in this country, but what can you do about it? Everybody knows the morals of this country are going down the drain."

WE THE UNDERSIGNED believe we have the answer to the young man's question. We believe it is time our generation stopped self-righteously deploring this state of the nation or irresponsibly contributing to it. The time has come to change it.

WE REPRESENT hundreds of young Americans across the nation who have committed their lives to create a new society in America and the world with the global program of Moral Re-Armament.

WE ARE IN REVOLT against a society which creates the climate of immaturity that leads to such a debacle and to such a cynical statement. We have got to stop it.

WE ARE IN REVOLT against the gutlessness of "good" Americans who lack the courage to explode the corruption existing in all levels of our society, who sit silently while one woman forces God out of our schools, who permit men committed to atheism and anti-God to proceed unchecked, who proclaim one set of standards and live another.

WE ARE IN REVOLT against the line of the "new morality" which is forced down our throats by books, magazines, television, films, professors and some churchmen. Sex, violence, lust and godlessness are taking over the nation. When venereal disease among young Americans rises 130% between the years 1956 and 1961, when 13,000,000 children come from broken homes—who is responsible? We are.

WHERE ARE THE YOUNG AMERICANS who will pay the price in their own lives to stand up for what is right in the country? Where are the fighting Americans who will cure the hatred, bitterness, impurity and selfishness

which divide families, destroy races, deaden youth, split nations?

THE FREE WORLD looks to us for leadership. The captive world looks to us to make freedom a reality again. We know that if America fails the world fails.

WE ARE OUT TO BUILD A NATION where families teach mankind how to live together, where industry—management and labor—teach the whole world how to work together, where all races, colors and classes learn together with all nations how to lead the whole world forward. We are out to create a force of young Americans more dedicated to building a world that works than any Communist or materialist. We will create an America to whom the whole world will turn and say, "That is the way men are meant to live."

WE BELIEVE IN MODERN AMERICA. We believe she will rise to the challenge of the times. We believe she will demonstrate the great reality that free men will accept of their own accord the discipline to be governed by God, so that millions on the earth will never be ruled by tyrants.

THE CHALLENGE facing the American youth is not to go backward to the decadence that destroyed the Roman Empire, but to go forward to the revolution of Moral Re-Armament.

WE CAN REBUILD THE MODERN WORLD. Let us go forward to absolute moral standards for all men everywhere: absolute honesty, purity, unselfishness and love, not as an end in themselves, but as a means for giving us the energy, the maturity, the responsibility, the clarity that will take humanity forward to the next stage in human evolution.

THREE THOUSAND OF US are meeting this summer in a Conference for Tomorrow's America at the Moral Re-Armament Center, Mackinac Island, Michigan, to shoulder that task together. We invite every young American who has the courage and spirit to care for his nation and the future of mankind to join us.
