Loupot's
25th Year Serving Texas Aggies
North Gate

After winning two outright Southwest Conference Championships in 1964, the Fightin' Texas Aggies are Cotton Bowl bound to make it three by not paying any attention to the polls and experts.

A decision will not be reached until opening night in Baton Rouge, as to the new spirit of Aggieland recently exposed in Texas Football.

Top figure in the key slot for the cadets will be the Aggieland legend, Dan McIlhany. McIlhany, 6-0, 190, returned a kick-off in 1961 for 103 yards with 19 seconds left to play after Texas Tech had broken a score-less game with a field goal.

Budgie Ford, 6-10, 186, is top candidate for the fullback position after leading the cadets in 1963, rushing with 134 yards on 62 carries as halfback. The spring switch to fullback will give the Aggies more breakaway threat.

Ronnie Lindsey and Tommy Meeks will be handling the ball from the halfback spot. Lindsey, 6-0, 202, has the speed to go all the way from left halfback and Meeks, 6-0, 175, provides good blocking at right. Along with the ends, McIlhany will find good receivers among the halfbacks.

Although the line is lacking in size compared to the 1963 team, the cadets will have more mobility. The Aggies pride themselves on the hard-nose defense tactics and that crunching tackling which was evident in the spring.

Offense was stressed during spring practice and the cadets are expected to display more fire

power in the 1964 campaign for the Cotton Bowl berth. The final spring game exhibited crisp blocking, quick, determined running, improved passing and a sound kicking game.

Heading the line will be tackles Ray Gene Hinze and Bobby Evans. Hinze, at 6-1, 22-, is considered by the Aggie coaches to be as good as anyone in the conference. Evans is 6-3 at 220.

Guards Ronney Moore and Yancey Bounds will also be key members of the tough Aggie line. Moore, 6-1, 218, is rated with Hinze, at 6-1, 221, is considered by Aggies. Bounds, at 6-0, weighs 215.

Joe Wellborn will begin the season in the center position and will be defensive linebacker. He is 6-1, 209.

End position will be filled by John Brotherton, 6-2, 212, and Billy Uzzell, 6-3, 191, building the Aggies in experience at end over last season.

For the second straight season, the Aggie eleven will open with four tough opponents that would shake some teams for the rest of the year. Depth for the cadets will be drawn from the 1963 freshman team that posted a 4-1 season, losing only to a tough TCU team.

The farmers will suffer from the loss of Jim Keller in the kicking department but Jim Willenborg will lead the way for the cadets as his high punts will give the Aggies more time for coverage.

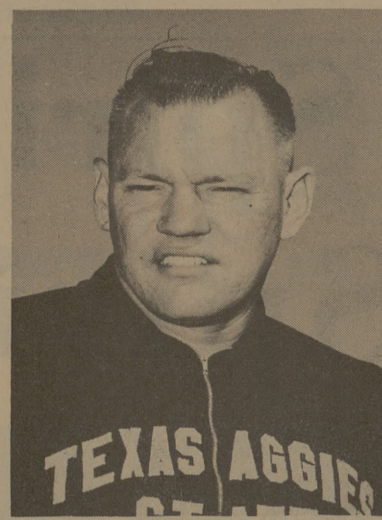

The 15 seniors will be what is left of a top fish recruiting campaign three years ago. If each player develops to full potentiality, the cadets will field a team Aggieland will remember.

The so-called new spirit at Aggieland is taking place among these seniors to leave A&M with a winning team. After the win over Rice and the disappointment with the University of Texas in 1963, the Aggies realized they could line up against anybody.

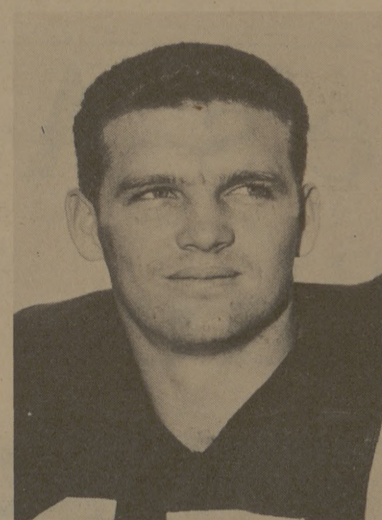

If the spring fever and the desire, determination, effort spirit and dedication of the '64 Aggies continue, a place of honor will be won along with the basketball and baseball teams of '64.

Game Seating, Victory March, Fish Benefit

When the Corps of Cadets marches into Kyle Field for football games, each class assumes its place in the stadium. A section is reserved in the stands for the student body. After a victorious game on Kyle Field, all students fall in line behind the band as it marches to the fish pond in Prexy's Triangle. Here they celebrate the victory by dunking the yell leaders in the pond. This accomplished, they proceed to the steps of the YMCA, where for a few minutes, the yell leaders lead the group in celebrating the victory.

In addition to the varsity games, the Freshman team plays a series of its own, the highlight of which is the annual meeting with the University of Texas Shorthorns. This is a charity performance for the benefit of crippled children's hospitals and is sponsored by the Shriners.
