Somewhere, between the realm of the imagination and reality, there is an awe-inspiring phenomenon that captures the minds and spirit this time of year of almost every type of person from plumber to psychologist. The mighty attraction to this wonder of the world may be a number of thingsemotion, physical toil, science, and gala pomp and ceremony.

GREAT CHEFS TEMPERAMENTAL?

We can't really say if they're all temperamental... but we know about the chef at Ramada Inn! His disposition Ramada Inn! His disposition is so miserable . . . his voice so loud and abusive — if his food wasn't so spectacular he'd be out of work tomorrow! Temperamental isn't the word for him. But the way he prepares a steak! Easily angered? Salads like you've dreamed of! Mean and sassy? Well, we didn't hire him because he was a nice guy.
