

Baylor Edges Battling Ags

Rampaging Irish Gain In AP Poll

The Aggies were a football team Saturday.

They played with fury, they played with skill, and they played as a team.

But they made two crucial mistakes and the scoreboard result favored the enemy for the sixth straight weekend. Baylor's margin of victory was 20-16 and it was the

fourth game of the six decided by less than one touchdown.

A Baylor Homecoming crowd of 33,000 saw the underdog Cadets dominate play for three quarters. The impotent Bruin air attack finally came to life in the fourth period to spark the two deciding six-pointers.

The Aggies drew first blood midway of the first stanza. The score was set up when Mike Kohlman

intercepted a Terry Southall aerial at the Bear 35.

Five plays later the Cadets were across the goal line. The key play was a 19-yard jag by sophomore quarterback Eddie McKaughan to the Bruin nine.

Jim Stabler raced around left end behind a clearing block by Budgie Ford to register his third touchdown of the season.

With 1:06 left in the opening quarter, lightning struck. Maroon quarterback Charles LaGrange lofted a flat pass intended for Lawson Howard.

Bruin defender Donnie Laurence raced in front of Howard, plucked the ball out of the air, and galloped 20 untouched yards for a Bear six-

point. The missed conversion left the score 6-6.

Cadet punter Phil Scoggin set up the second Ag tally. He got off a towering, 64-yard punt which sailed over Lawrence Elkin's head and out of bounds on the two.

A short punt by Baylor set the Ags up on the 32-yard line. The revived Aggie offense needed only four plays to score. Fullback Bubber Collins blasted the last nine yards. Glenn Lindsey's conversion made it 13-6 at halftime.

In the third quarter, McKaughan engineered an 84-yard drive which ended in a Lindsey field goal from the three. The key play was a 39-yard sideline jaunt by McKaughan.

The third quarter ended 16-6 for the Cadets. Coach John Bridgers then inserted sophomore Mike Marshall in Southall's place. Marshall's pinpoint passing carried the Bears to paydirt in seven plays from 53 yards out.

He fired a 13-yard strike to end Harlan Lane for the score. A two-point conversion narrowed the Ag lead to two points.

Minutes later, Southall cranked up an 80-yard drive which required 12 plays to register the TD. Southall dived a yard for the score with 3:58 left to play.

With time running out, McKaughan brought the Aggies back 57 yards to the Bear four. His pitchout to Dan Westerfield on second down was wide and the Waco audience went into delirium. A mistake had blunted the gallant comeback attempt.

The smooth Aggie offense bore little resemblance to the stumbling machine of some games. McKaughan made his debut as a starter a memorable one. He picked up 100 yards on the ground and completed 7 of 13 passes.

An overshifted Ag defense bottled up Elkins & Company for three of the four quarters. Scoggin's punting had Baylor returners talking to themselves.

It was an abortive effort by the Aggies Saturday but it was one of which they can be proud.

(AP)—Ohio State's explosive eleven, which burst into first place in The Associated Press rankings a week ago, maintained its rating as the nation's No. 1 college football team Monday.

The power running Buckeyes' fifth straight victory, a 28-3 drubbing of Wisconsin Saturday, convinced most of the members on the panel of sports writers and sportscasters to list them again on top in the weekly AP poll.

The unbeaten Buckeyes drew 32 of 47 first place votes for a commanding lead over fast rising Notre Dame, which barely edged out Alabama for second place.

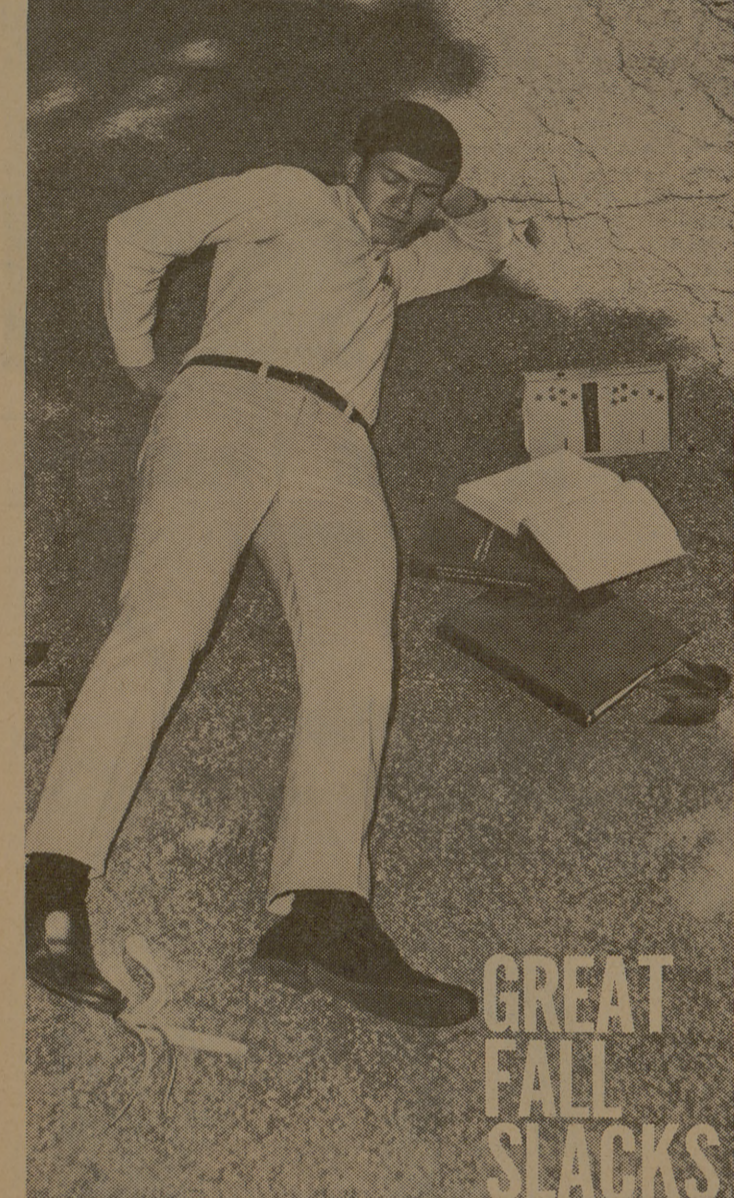

Ohio State netted 439 points to 387 for Notre Dame. Alabama received eight first place votes to six for Notre Dame but the Irish piled up enough second place votes to emerge seven points ahead of the Crimson Tide's 380.

The Irish made it five victories without a defeat by walloping Stanford 28-6 and earning the following tribute from Trojan Coach John Ralston: "That's the strongest football team I've seen in my 13 years of coaching."

The top teams:

1. Ohio State 32 (5-0)
2. Notre Dame 6 (5-0)
3. Alabama 8 (6-0)
4. Arkansas 1 (6-0)
5. Nebraska (6-0)
6. Texas (5-1)
7. Oregon (6-0)
8. Georgia Tech (6-0)
9. Louisiana State (4-0-1)
10. Florida (4-1)

Others receiving votes, in alphabetical order: Colorado, Duke, Florida State, Illinois, Iowa, Michigan, Michigan State, Mississippi, North Carolina, Oregon State, Princeton, Purdue, Southern California.

Dennis Moffatt sought a job with responsibility

He found it at Western Electric

Dennis Moffatt, B.A., Coe College, Cedar Rapids, Iowa, '57, joined Western Electric in 1961 after two years of graduate work at the State University of Iowa and two years with the Army. Most important to Dennis was the fact that WE offered him the chance to move ahead . . . fast. Dennis started at Western Electric's Hawthorne Works in Chicago as a Staff Trainee in Industrial Relations.

After only a year with the Company and the completion of one of WE's training programs for college graduates, Dennis became a Personnel Placement Analyst. Advancing rapidly, Dennis was

recently promoted to Section Chief, Employment and Placement, Systems Equipment Engineering.

If you, like Dennis Moffatt, want a career with a company that will recognize your skills and abilities, and have the qualifications we seek — let's talk! Opportunities for fast-moving careers exist now for liberal arts, physical science and business majors, and for electrical, mechanical and industrial engineers. Get the Western Electric Career Opportunities booklet from your Placement Officer. And be sure to arrange for an interview when the Bell System recruiting team visits your campus.
