The football team Cadets will parade in downtown which were not available in showed by their performance this Dallas. Cadets will assemble at past weekend that they still have 8:30 a.m. on Market and Record Streets just south of Main Street.

"About 15 minutes before the parade begins a 'yell practice' will be held," said Cox. After the "yell practice" the Corps will march east on Main Street to Pearl Street which is about 11 blocks. Reviewing the Corps of Cadets will be Maj. Gen. Harley B. West, commanding general of the National Guard's 49th Armored Division.

After the parade, Aggies and their dates will migrate to the Cotton Bowl for the A&M-SMU game at 2 p.m.

Highlighting halftime activities for the Aggies will be the presentation of the Aggie Sweetheart, Miss Johanna Leister from Orange. Miss Leister will be escorted onto the field by Neil Keltner, Corps Commander.

The presentation will be made Conference on National Affairs by Paul Oliver, president of the Civilian Student Council. The tra-Two committees interviewed 73 ditional Aggie kiss will be executed by Frank Muller, president of the The 17 U. S. and 8 foreign stu- Student Senate.

Tessie President Extends Welcome

Dear Aggies,

Excitement is afoot on the TWU campus as all Tessies eagerly await the 1964 Dallas Corps Trip. To start this year's Corps Trip off in the right spirit, the Student Council of Social Activities has planned a lively maroon and white eve-ning of entertainment for all Aggies and Tessies.

A mixer-type reception will begin at 7:30 p.m. in the SUB lounge. (It's really different this year-guaranteed to make finding dates more fun!) Before the reception ends at 9:30, the dance will have already been in progress since 8 p. m. and will last until 12. (What to wear? Our Aggie guests will be just fine in sports shirts and slacks.)

An Aggie game not preceded by a yell practice is unheard of. So, at 12 we will remain in the SUB ballroom for a rousing yell practice that will set off roars reverberating
