Hank Foldberg's weekly press conference Tuesday was a more pleasant event than it has been in some time. The warm glow of victory seemed to permeate Sbis's spacious dining area.

The chefs even cooperated. The roast beef cut easier, the fried potatoes were crisper, and the gravy seemed warmer. The first question directed at the Cadet mentor concerned the quality of A&M's play against the Ponies Saturday. Foldberg's answer may surprise some. He replied, "I couldn't single it out as our best single effort of the season."

He elaborated on this as he added, "I will say this, though, it was our best-coordinated game between our offense and defense. We didn't give them the play that could take away our initiative. Our defense created some of their mistakes."

Foldberg's declining to flatly label the SMU game the year's best for the Aggies is significant. A 23-0 victory after seven straight setbacks would seem to justify such a conclusion.

In the dressing room after the game, however, most of the Cadet gridmen similarly hedged at such a statement. The phrase "one of our best" was heard almost to a man.

In the same dressing room Foldberg said, "We've played like this all year, it's just that nothing serious happened to us this time."

The point was emphasized when the players themselves echoed these same sentiments. It is further supported by the memory of four games this fall which the Ags dropped by less than six points.

Several Aggies who performed well in those games were also singled out by Foldberg for their play in the Mustang contest. The familiar names of Joe Wellborn, Mike Pitman, and Ronney Moore were recited.

"I thought Ed Breeding and Harvey Ermis had a fine ball game. Sherman DeBusk was in the thick of it too. Our entire secondary did a fine job."

Punter Phil Scoggin's name was brought up and it was revealed that Scoggin had etched his name in the Aggie record book with his sharp punting Saturday. He finished the previous single game high of 47.1 set against LSU in 1947.

The Aggie taskmaster later turned to the subject of the Rice Owls, the next Cadet opponent. "Rice has a real solid ball club defensively. They're a good football team. We'll have trouble moving the ball on them."

"They must have the two biggest linebackers in the world."

Maroon Harriers Depend On Sophs For SWC Finale

The sophomore-dominated Aggie Cross Country Team will journey to Austin Monday for the annual Southwest Conference Meet. The meet will begin at 1 p.m.

The Aggie contingent will be led by Danny Clifton, from Valley View. He won the regional mile three straight years and set records his last two. He won the state Class B mile his senior year.

The 5' 9", 142-pound sophomore's best time for the mile in high school was 4:29.0. He says "I prefer to run the longer distance compared to the mile. In longer distances training and endurance can come to the front."

Teammate Don Smith tied Clifton at the Dallas meet for third place. Smith hails from Fort Worth Arlington Heights.

The 5' 10", 145-pounder placed second in the 1963 Class AAAAA cross country and fifth in the State Class AAAAA mile. He was the number two man on the Fish Cross Country team last year.

Geoffrey Earl, from Midland Iee, will be trying to regain the form he displayed in high school and the early part of last season. He had a case of mononucleosis his freshman year and has been hampered by leg injuries this year. He is expected to be in top form for the Austin meet.

While in high school Earl won

the State Class AAAAA mile and the cross country run. His time for the mile was 4:20.2. He also ran the 880 yard dash in 1:58.0 and the 440 in 50.8.

The fourth member of the squad is Bob Smith from El Paso. His best time for the mile in high school was 4:30.0.

The only junior on the squad is Gene Westmoreland from Lamesa. The 5' 9", 155-pounder trackster was State Class AAA 880 champion in 1961-62. He set a state record in the 880 of 1:52.8. Gene had a operation and missed most of last season. He has been coming along steadily this year.

The Ag harriers have posted a 3-3 record to date. They have defeated Baylor twice and won the Dallas tri-meet. They dropped the A&M Invitational, The University of Texas Invitational and a dual event with the University of Houston.

The cross country squad, like the majority of A&M's varsity teams, is in a rebuilding period and is made up largely of sophomores. All of the harriers but Westmoreland are in this category.

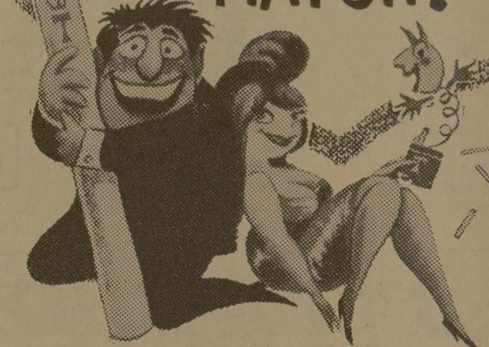

As freshmen last year this crew had a perfect record. They were undefeated in five meets.

Their stiffest competition Monday will probably come from the veteran University of Texas squad.
