TRAINS ONCE STOPPED

## Film Of Aggieland Offers Old Army Aggie Life Recap

New Army will have a chance this weekend not only to partake of Old Army, but actually view some of it in the motion picture, "We've Never Been Licked."

New Army will begin in earnest working like Old Army to build the world's largest bonfire. They will be able to view Old Army in the movie which will be in the uncut version.

Those of the 'new species' who have never seen the Aggie Bonfire will be able to get an ideal of Aggie tradition by seeing a bonfire in the movie.

University officials decided against censoring the original uncut version of the film after a special screening of the film Thursday on the basis that the scenes were Old Army and not new army. In the past, a few of the scenes of Corps action were deleted.

Parts to be included which were not shown in the past are the water and mess hall fight scenes. The movie, a chronicle of Corps life filmed here in 1942, will be shown Friday, Saturday and Sunday at Guion Hall.

Bert Thompson, undergraduate class advisor and Guion Hall manager, said two new prints of the film were obtained through the generosity of Stephen W. Mulvey of Champion Pictures, who also presented A&M with exclusive rights to the movie.

### More Than Enough

We are the most prosperous people the world has ever seen! Even the poor among us live in princely comfort compared to some in other lands. Our country is famous for its beauty and fruitfulness, our cities are as modern as tomorrow, and our future glows with promise. God has indeed been good to us.

But with His bounty of wealth and power, God has given us responsibilities. Because we have so much, we are called upon to share what we can spare. And we are required to work and pray for the end of ignorance, poverty and suffering wherever they are found.

To be able to give is a blessed privilege. Let us fill our churches and join in heartfelt thanks to God that we have enough... and more than enough... to share.

THE CHURCH FOR ALL  
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
