

Aerospace Adventure Highlights Space Fiesta

This two-story, one-fifth scale model of the Titan III deep space probe booster will be one of the many exhibits on display at the Memorial Student Center Feb. 1-10 for the Space Fiesta. Air Force personnel will be on hand to answer spectators' questions.

Astronaut Clifton C. Williams will be one of the featured speakers at the Space Fiesta. Williams is scheduled to ride the Gemini two-man space capsule on its ride around the earth sometime this spring.
