

# Aggie Tracksters Ready For Triangular Tomorrow

The A&M cindermen, fresh from a convincing dual meet victory over Baylor, journey to Houston Saturday for a triangular meet with Rice and Texas.

The Fish trackmen will compete in the frosh division.

Coach Charley Thomas has fielded a sophomore-studded group which may threaten for the Southwest Conference championship at the season's end. The SWC meet will be held on Kyle Field this year May 7-8.

Heading the list is the world's foremost weightman, Randy Matson. The Pampa sophomore owns best marks of 66-8 1/4 in the shot and 189 1/2 in the discus.

In addition to the weight events, A&M will also be strong in the sprints, the 440-yard dash, the high jump, and in both the sprint and mile relays.

The distance events form the largest question mark in the Aggie picture. Thomas is hopeful that someone will develop in these events before the year is over.

A rundown by event:

Sprints: Sophomore James White, transfer Gilbert Smith, and senior Ted Nelson head the list. White was the 4A sprint

champion at Dallas Sunset and captured the freshman 220 in last year's SWC meet.

Smith, from Blinn Junior College, has a wind-aided 9.3 to his credit and was the national juco 220 champ last year. Nelson has ripped off best times of 9.4 and 20.7. Senior Robert Martin, who has clocked a 9.6, lends depth to the imposing sprint corps.

440-yard dash: Nelson is the top name here. He is the reigning SWC quartermile champion and has an all-time best of 46.5.

Other quartermilers include Larry McGough, Arie Britt, and Don Price, all sophomores.

880-yard dash: Gene Westmoreland and Earl Myers will be the chief pointmakers. Myers has a top clocking of 1:52.5. Westmoreland registered a 1:52.8 in high school, the fastest in Texas prep history.

Mile and Three-Mile: Sophomores dominate the picture in the distance events. Top names are Don Smith of Fort Worth and former 4A mile champion Geoffrey Earl of Midland.

Others are Danny Clifton, Bob Smith, and junior Bill Turney.

Relays: A&M should be strong in both relays, though league competition will be rugged this

season. In addition to those named above, Buster Mason and Billy Schmidt will also figure in the relay picture.

Hurdles: Don Kooser of Spring Branch is the top hurdler. Kooser has a best time of 14.6 in the highs. He won both the highs and the intermediates in the Baylor meet. Richard Ginsbach lends depth in the intermediate.

Shot and discus: Matson reigns supreme here. Backing him up in the discus will be senior David Glover of Abilene. Glover has thrown 186 feet in practice this year.

Javelin: Dan Meadows could develop into one of the SWC's best. He tossed the spear over 190 feet against Baylor. Sophomores Donny Ayers and David Thomas complete the picture.

High Jump: One of the strongest Cadet events. Sophomore Mike Schridder has consistently cleared 6-7 this year. Junior letterman Cecil Wood, with a top leap of 6-5, lends depth.

Broad Jump: The lone returnee is Bob Brown, whose best mark is 23-8.

Pole Vault: Sophomore Earl Edwards will carry the load. The Abilene Cooper product's best mark is 13-6.

SPRINTER ROBERT MARTIN ... will compete in triangular Saturday.

# Tech Clips Aggies In Season Finale

By The Associated Press  
LUBBOCK—Texas Tech raced to a 98-73 victory over A&M Thursday night, compiling its best Southwest Conference record although ineligible for the championship.

Scoring records tumbled as the Red Raiders, never behind, captured their 12th Southwest Conference victory in 14 starts.

This leaves Texas Tech in first place but because of the discovery of a scholastically ineligible player last week, the Raiders were not considered for the championship.

John Beasley, Aggie star who tied with Texas Tech's Harold Denney with 27 points for top

scoring honors, broke Southwest Conference records in field goals in both conference and all-season play.

The Raiders set three scoring records themselves in a conference season and the best game average for a full season.

Dub Malaise, who had points for the night, broke school mark for points scored during a conference season, and senior Glen Hallum, who counted for 26 points, set a record for the Aggies couldn't keep up with the Raiders.

The Raiders shot out to a lead in the first six and one minutes and led at halftime 36-

# Maroon Nine Plays Today

The A&M baseball club is slated to play St. Mary's in Bryan's Travis Park Friday afternoon. The game was set to start at 3 p.m. with Steve Hillhouse on the mound for the Aggies.

Cold weather forced a postponement of the scheduled game with St. Edward's, which was

scheduled for Wednesday afternoon.

The next appearance for Chandler's diamondmen will be on March 8 when the Aggies will play with Sul Ross in a two-game series here.

The A&M tennis squad will see action this weekend.

# SMU, TU Tie For SWC Crown

By The Associated Press  
The Southwest Conference basketball race wound up in a tie for the second time in four years Thursday night as Southern Methodist beat Arkansas 88-75 and Texas lashed Baylor 79-75 to become co-champions.

It was SMU's second time to tie for it, the Methodists having deadlocked Texas Tech in 1962. The Methodists lost a playoff for the NCAA that year.

Monday night SMU and Texas clash at Waco to decide the NCAA regional spot.

Texas Tech actually finished first as the Red Raiders closed out with a 98-73 victory over

Texas A&M, but they are not eligible for either the championship or the NCAA spot because a player, Norman Reuther, was found not to have passed sufficient scholastic work.

Tech wound up with a 12-2 record. SMU and Texas had 10-4,

Baylor 8-6, Texas A&M 7-7, Arkansas 5-9, TCU 3-11 and Rice 1-13.

TCU closed out with a 98-86 victory over Rice and finished in undisputed seventh place. Rice was last.

# Ag Skydivers To Perform Saturday

The A&M Parachute Club will make an exhibition jump on the Civil Engineering field Saturday at 3 p.m.

Six jumpers will leave two airplanes at 7,200 feet. They will delay thirty seconds before de-

ploying their parachutes. The jumpers will attempt to make contact during the free fall.

Smoke bombs will be used by the jumpers to make their identification easier.

You've been speeding, and you get a ticket. You don't like it, but you know you've been wrong. With little or no argument, you pay your fine.

You've been staying home from church on Sundays for one of a dozen reasons. Maybe you like to sleep late. Maybe the minister in your church preaches dull sermons. Maybe you don't consider yourself the church-going type. Whatever your alibi—nobody's going to come after you.

This is a summons you'll have to serve on yourself. For an infraction of God's law is something that can't be ignored. Until you declare yourself guilty, you will be deliberately shutting yourself off from the greatest fellowship in the world. No judge in history has ever pronounced a sterner sentence.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
