

Wynne Hurls Lobos Past A&M In 2-1 Pitcher's Duel Tuesday

By LANI PRESSWOOD

The Sul Ross Lobos pushed across runs in the first and last innings Tuesday afternoon to hand the Aggies a 2-1 set back, their first of the year.

Lanky John Wynne pitched five-hit ball for the Lobos in going the route. The Cadets threatened several times but on each occasion Wynne managed to work himself out of trouble.

Sul Ross registered the winning tally against reliever Billy Johnson, who replaced starter Steve Hillhouse in the seventh frame. Hillhouse allowed the visitors only four hits and one run during his stint on the mound.

The Lobos started the scoring in the first frame. Centerfielder Gary Rocky lined a double to left-centerfield and was driven in by another double off the bat of catcher Mike Compton.

For the next six innings Wynne and Hillhouse settled down into a

tight pitcher's duel. Both hurlers kept the scoreboard unblemished over this period.

Wynne relied on a smoking fast ball while Hillhouse's most effective pitch was a sharpbreaking curve.

Ag centerfielder Neil Thompson knotted the score in the seventh by lacing one of Wynne's offerings over the Travis Park's rightfield wall.

Johnson came in to relieve in the eighth but he left his control in the bullpen. For the two innings the Blinn JC transfer worked, he gave up two hits and four walks.

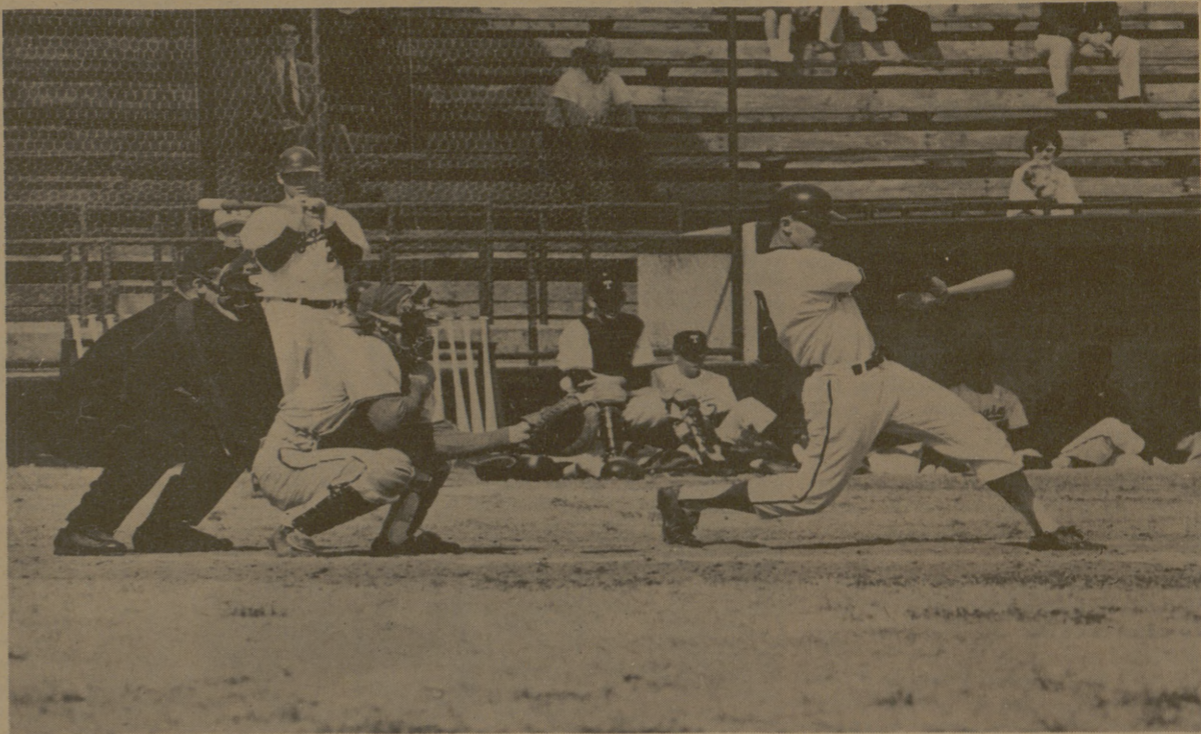

Leftfielder Ken Richardson led off the ninth for the Lobos with a single. Compton bunted him around and third sacker Bill Cartel drove him in with a line shot to left-center.

Johnson walked the next two batters but pitched himself out of the jam.

Tom Chandler's Maroons threatened to pull the game out in the bottom half of the final frame. Pinch hitter Jay Yarter rapped a two-out single. Then Thompson's grounder to second was bobbled, putting two Ags on base. However, the next batter, Dennis Williams, flied to right field to end the ball game.

This was the Aggie story all afternoon. The A&M stickmen couldn't deliver with ducks on the pond. Ten Cadet runners were left stranded.

The verdict left the Aggies with a 2-1 record. Their next contest comes Thursday afternoon when the Ags collide with Houston at 3 p.m. in Travis Park.

Ag Soccer Team Nears State Title In 1st Match, 4-0

The Aggie soccer team moved step closer to the state championship Sunday by defeating Central of Dallas 4-0 in Dallas.

Team captain Jasson Gryzagdis scored two of the four goals the last one in the last second of the game. He said the first was the hardest contest the team had played all season. It was minutes into the second half before he opened the game up with his first score.

Jose Amaya and Joao Leite also their tallies to bring the Aggies a victory in the quarter-final match. They will move to the semi-finals this Sunday afternoon in Houston when they take on Sangerbund.

Sangerbund is expected to be the Aggies a workout, since they were the only team to tie in an undefeated season.

The winner of the Houston game will go to the finals in San Antonio March 27. They will play the winner of the T.U.-International of San Antonio semi-final match also being played Sunday. The winner of the Texas cup may then go to St. Louis to represent the state in the National Championship Tournament.

Ford Motor Company is:

responsibility

Stephen Jaeger
B.B.A., Univ. of Pittsburgh

A key dimension of any job is the responsibility involved. Graduates who join Ford Motor Company find the opportunity to accept responsibility early in their careers. The earlier the better. However, we know the transition from the academic world to the business world requires training. Scholastic achievements must be complemented by a solid understanding of the practical, day-to-day aspects of the business. That is the most direct route to accomplishment.

Stephen Jaeger, of the Ford Division's Milwaukee District Sales Office, is a good example of how it works. His first assignment, in January, 1963, was in the Administrative Department where he had the opportunity to become familiar with procedures and communications between dealerships and the District Office. In four months he moved ahead to the Sales Planning and Analysis Department as an analyst. He studied dealerships in terms of sales history, market penetration and potentials, and model mix. This information was then incorporated into master plans for the District. In March, 1964, he was promoted to Zone Manager—working directly with 19 dealers as a consultant on all phases of their complex operations. This involves such areas as sales, finance, advertising, customer relations and business management. Responsible job? You bet it is—especially for a man not yet 25 years old. Over one million dollars in retail sales, annually, are involved in just one dealership Steve contacts.

As a growth company in a growth industry, Ford Motor Company offers an exceptionally wide spectrum of job opportunities. The chances are good that openings exist in your field of interest. See our representative when he visits your campus. We are looking for men who want responsibility—and will be ready for it when it comes.
