

Cadets Club TLC, Collide With Rice In Bryan Saturday

Sports Editor
The Aggie diamondmen pounded out an 11-4 win over Texas Lutheran Tuesday on a chilly Thursday afternoon in Travis Park.

A&M hosts Rice Saturday at 2 p.m. as they resume SWC action. Ace hurler Steve Hillhouse will get the call for the Owl clash.

The heroics were evenly balanced Thursday. The outstanding individual performance was turned in by sophomore Mike Arrington in his first starting role. The second sacker rapped four singles in six appearances and turned in a fine defensive game.

Sophomore Tommy Chiles picked up the win, his second of the year against no defeats. The Louisiana native pitched five innings, allowing two runs and four hits. He cut down five Bulldogs on strikeouts and allowed three walks.

A&M clammed TLC pitching for 16 hits and took advantage of three Bulldog errors in amassing their final output.

The Aggies pushed across four runs in the second inning to break the ice. Mike McClure singled, Ed Gardner walked and then Chiles slapped a double to deep right-center to drive them both in. Singles by Arrington and Alan Koonce combined with

a Bulldog error to produce two more runs.

Lance Cobb put the fifth Maroon tally on the scoreboard with a 395-foot homer to dead centerfield in the third inning.

Koonce got his second RBI in the next frame with a double to right field which drove in Arrington, who had singled ahead of him. Koonce went to third on Billy Crain's single and then hits, one run and struck out six.

The Cadets carried a 7-2 lead into the fifth and quickly tacked on three more runs. Chiles and Arrington led off with singles. An error and three walks followed, giving the Aggies a 10-2 bulge.

Chuck Malitz scored the final Aggie marker in the eighth frame. He lined a leadoff single to left, advanced on a base hit and a fielders choice, and scored on a wild pitch.

The Bulldogs scored their four runs in four different innings.

Catcher Larry Nowatney drove in centerfielder Alex Wahardo with the first Bulldog run in the third frame. A walk, a wild pitch and an error produced the next Lutheran tally in the fourth inning.

Third sacker Henry Krause doubled in shortstop Newton Grimes with the third TLC run in the eighth round. A walk and an Aggie error resulted in the final Bulldog run in the ninth.

Timmins Suffers Injury In Post-Game Incident

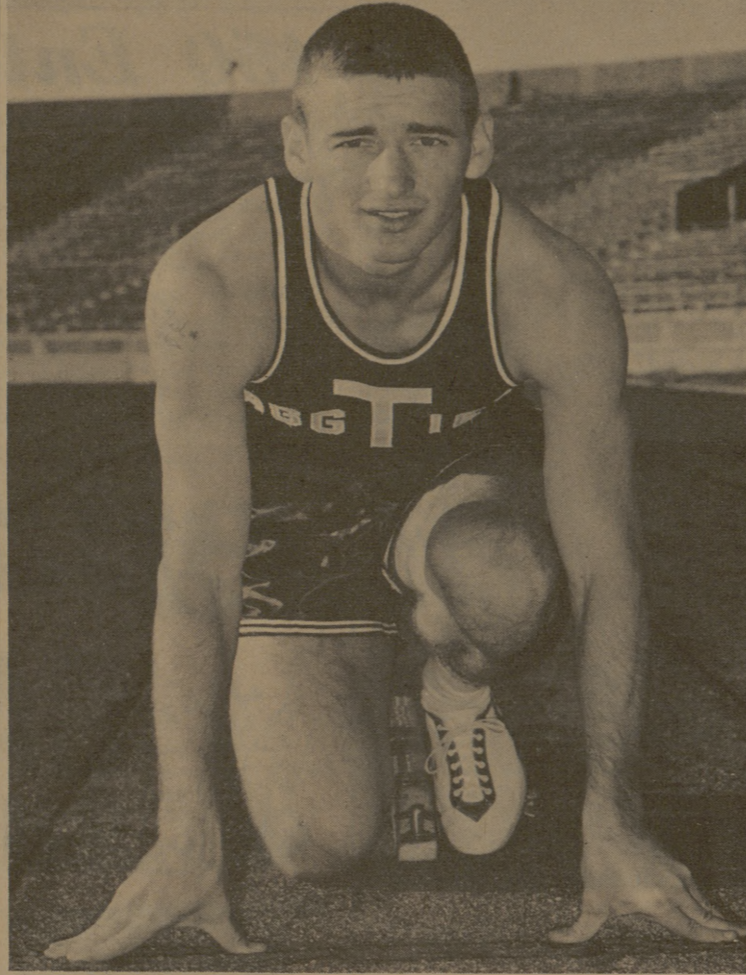

Paul Timmins, captain of this year's A&M basketball team, was ported in fair condition Friday after suffering a concussion and possible hairline fracture while umpiring a baseball game in Brenham Thursday.

Timmins was taken to St. Jude's Hospital in Brenham. He may be moved to a local hospital sometime Friday.

The injury occurred immediately after the conclusion of a game between Blinn Junior College and Houston St. Thomas. Timmins called a third strike on a St. Thomas batter ending the game.

The player then turned and struck Timmins across the forehead with his bat. As yet no charges have been filed against the player.

Blinn won the game, 9-6.

Maroon Cindermen Meet Rice, LSU In Triangular

The surprising Aggie track squad journeys to Baton Rouge Saturday for a triangular meet with LSU and defending SWC champion Rice.

Aggie hopes to gun down the Owls are bolstered by the return of conference quartermiler champ Ted Nelson, who has been hampered by a muscle cramp.

Nelson ran a 48.5 out of the blocks on the opening leg of the mile relay in last weekend's Border Olympics and should be ready for an all-out effort.

Matson arrived too late for the Border Olympics discus event because of his successful competition in the NCAA Indoor Championship Meet the night before.

The tentative line-up for this weekend with the seasons best performance in parentheses:

440-yard relay—Billy Schmidt, Gilbert Smith, Robert Martin and James White. (This unit ran 41.4 the past two weekends in winning triangular at Houston with Rice and Texas and in winning Border Olympics.)

Mile run—Johnny Cosper and Geoffrey Earl (4:30.5 by Cosper in triangular at Houston)

440-yard dash—Nelson, Larry McGough, Arie Britt and Robert Martin (best 49.0 by McGough at Houston)

100-yard dash—James White, Gilbert Smith, Buster Mason,

Mile relay—McGough, Earl, Gilbert Smith or Martin, and Nelson (best 3:17.2 by Nelson, Martin, Smith and McGough at Border Olympics)

220-yard dash—White Smith, Mason, Schmidt (best 21.4 by White and 21.5 by Smith in Dual against Baylor)

120-yard high hurdles—Don Kooser (best 14.9 in Baylor dual and also in Border Olympics)

440-yard hurdles—Kooser and Bob Ginsbach (best 55.1 by Kooser in Border Olympics)

880—Gene Westmoreland and Earl Myers (best 1:56.8 by Westmoreland in Border Olympics)

3-mile—Don Smith, Danny Clifton, Bob Smith (best 15:27.5 by Don Smith at Houston)

Flying Kadets Set For Hearne Meet

The A&M Flying Kadets will hold a flying meet at Hearne Sunday at 1 p.m.

The purpose of the meet is a competition to determine which of the club's pilots will qualify to go to the National Collegiate Flying Meet. The meet will be held at Purdue University sometime in April. The exact dates have not been set.

The Aggies will send two planes to the meet.

There will be competition in three events Sunday. The first event is the power-in precision landing. The second will be power-off, or "dead-stick" landing. In the landing events, the runway is marked off in sections and the touchdowns must be made within a certain area.

The third and final event will be the bomb drop. Aircraft will fly over the designated target area at an altitude of 200 feet and drop their bombs. The bombs are sacks of lime hung from the wings. They burst and splash on impact to mark a hit.

COMMUNICATIONS — Your Tool for Progress

Whatever happened to the Old Oaken Bucket?

One of our towns uses a communications system which automatically keeps the local water tower full from a distant water supply. In another of our towns the water supply lake uses our ELECTRONIC SENTRY® warning unit to notify authorities automatically when the water level reaches a low point. These are additional examples of how we serve in the ever-broadening field of communications. For full information about how our communications services can be your Tool for Progress, please call our Business Office.
