"Bye-Bye Birdie" has replaced "Roberta" as the summer musical at Texas A&M and as a result someone is needed who can imitate Ed Sullivan's voice.

Ed Sullivan's voice is needed to introduce Conrad Birdie, main character of the play. Interested persons should contact Bob Boone in the MSC student activities office or co-director Billy Jean Barrow, a Bryan resident.

"We couldn't find the right character to play the part of John, an All-American football player who inherited a dress shop in Paris, France," Boone explained.

"There were plenty of people who could sing the part, but none the right age or physique," Boone continued. "Because we had so many good, young kids we decided to change to 'Bye-Bye Birdie', a real wild, crazy fun show without a moment of peace."

Rehearsals have already started for the July 22-23-24 presentations in Guion Hall.

"Bye-Bye Birdie" is about a rock and roll star, Conrad Birdie, who is about to be inducted into the Army. His manager wants to launch a final publicity stunt before he goes. The plan calls for Birdie to kiss a fan good-bye before a national television audience on the Ed Sullivan Show.

The musical score includes "One Last Kiss," "Being a Woman," "Put On a Happy Face," "Got a Lot of Living to Do"

Grad Students At New High

Graduate College enrollment at Texas A&M hit an all-time high this summer.

Dean Wayne Hall reported a first summer term total of 1,565 student, a gain of 307 over the record - shattering Spring Semester.

Hall said enrollment in the Graduate College increased 328 students (26 per cent) over the last summer.

A summary of the enrollment shows 740 students in arts and sciences, 410 in engineering, 356 in agriculture, 31 in veterinary medicine, and 28 in statistics.

Graduate work is becoming a 12-month program for teachers, Dr. Hall pointed out. Other drawing cards, he said, are the new doctoral program in education and the availability of air-conditioned dormitories.

Overall enrollment figures for the first summer term total 4,327, also a new high.

'Texas Clipper' Begins Cruise

The Texas Maritime Academy's training ship "Texas Clipper" sailed from Galveston Wednesday on the first leg of a 12,000-mile summer training cruise.

The cruise will include 37 days at sea and 35 days in port. Stops are scheduled at Halifax, Nova Scotia; Bergen, Norway; Goteborg, Sweden; Copenhagen, Denmark; Edinburgh, Scotland, and Hamilton, Bermuda.

One hundred and twenty-six students and forty-one crew members will be aboard the 15,000-ton former passenger and cargo liner. Fifty upperclassmen will learn advanced seamanship after a year of classes in Galveston at the Texas Maritime Academy. The other midshipmen are recent high school graduates making their first cruise.
