

FRESHMEN

All Freshmen who have not selected their proofs for the Aggie-land '66 are urged to do so NOW.

NOTES and QUOTES

Aggie split end Dude McLean bowed out of collegiate football in grand style against Texas Thanksgiving Day, setting records right and left. . . . He caught 13 for 250 yards for new school marks. His 13 catches tied Wear Schoonover (Arkan-

sas 1929) for a SWC mark and the 250 yards was a SWC record. His TD romp of 91 yards on the pass from Jim Kauffman on the now famous "Texas Special" play was a new distance record, both for A&M and the SWC. . . .

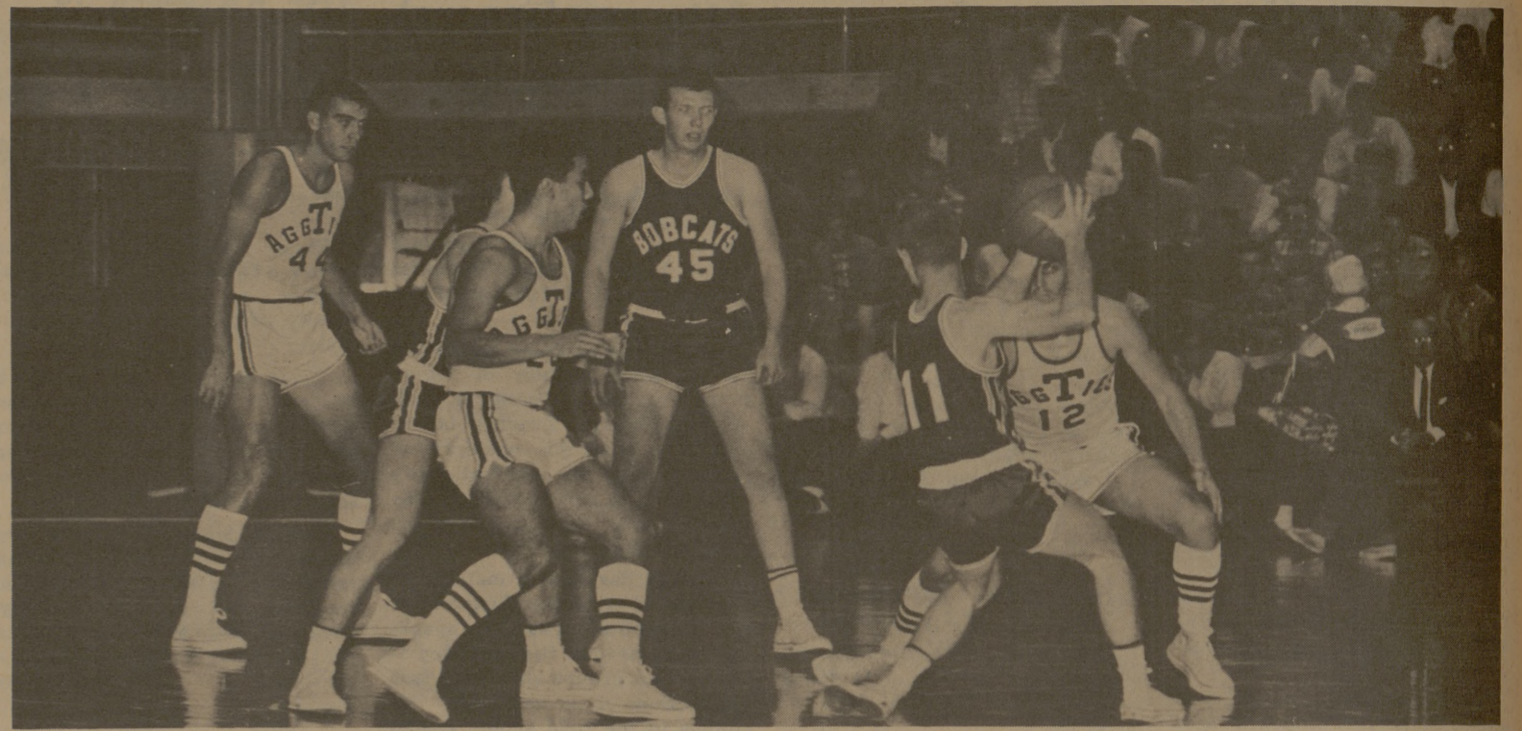

Kauffman threw only one pass during his past two seasons of varsity football at A&M but he's in the record book now for the longest pass play of 91 yards. . . .

John Beasley, with built-in radar when he shoots a basketball, is in a rut after only two games. He's hung on 32 points, a figure he hit against Trinity in the 79-70 opening win and against SW Texas in the 76-66 victory. . . . Beasley, who holds A&M's rebounding record, now trails Randy Matson in that department. Matson has grabbed 33 in two games (18 against Trinity, 15 against SW Texas) while Beasley has captured 28 (13 against Trinity, 15 against SW Texas). . . .

Phil Scoggins' 74-yard punt against Texas, coupled with a nine-yarder off the side of David Conway's foot, gave the Aggie the SWC punting title. . . . Scoggins averaged 43.6 on 88 punts (the latter figure is an A&M record for number of punts in one year). . . . Scoggins, who has signed pro with the Miami Dolphins of the AFL, will take an off-season job in Miami in January. . . .

Matson, who admits he expects some razzing from student fans at road games in basketball, says "I'd sure hate to be on the visiting team playing here. The Corps really helps us with the cheering." . . . But, the A&M students do not throw things onto the basketball floor. . . .

Houston's Cougars invade G. Rollie White Thursday night (Dec. 9) and then Memphis State comes to College Station Monday. After that, the Aggies are on the road until Jan. 4.

RECTOR STOPS BOBCAT

Dick Rector (12), Eddie Dominguez (22) and John Beasley (44) close in on a frantic Larry Black (11), in Monday night's action in G. Rollie White. Southwest Texas led for most of the first half, but the Aggies came back to win, 76-66.

'Educated Man' Series To Host Judge Barron

District Judge John M. Barron of the 85th Judicial District will speak at the last program of "The Educated Man Series" at 6 p.m. Monday in the YMCA. Barron, born and reared in Brazos County, was graduated from Stephen F. Austin High School in Bryan and attended A&M in 1932-34 and the University of Texas Law School 1934-38. He has been active in law practice in this area since 1938.

During World War II the judge served as captain in the Judge Advocate General's office. Before being appointed to the 85th Judicial District by former Gov. Price Daniel in 1961, he was district attorney of Brazos County. Since taking the bench, he has conducted court in approximately 31 counties in Texas.

Metcalf Trying Out Instant Video Tape

The Educational Television Department is recording home basketball games on instant video tape, according to Mel Chastain, program director. Head Coach Shelby Metcalf makes use of the tapes to critique the first half of play during the break and shows the entire game to the team the next day. This saves several days in developing time over films. Chastain and his staff taped the Trinity and Southwest Texas games and if the use of the tapes prove beneficial, the practice will be continued for all home games.
