Mothers To Honor Band Director Adams

The Federation of Texas A&M University Mothers' Clubs will honor Col. E. V. Adams, director of the band, with an appreciation coffee at 9 a.m. Saturday in the president's home.

Following the coffee, the federation's executive board will meet in the Birch Room of the Memorial Student Center.

Hannigan's Son Gets West Point Offer

A Stephen F. Austin High School student soon will be the third member of an A&M family to attend the U. S. Military Academy.

Thomas U. Hannigan received the nomination to West Point from Cong. Olin E. Teague of College Station. Tommy's brother, James, was graduated from the Point in 1963; his father, A&M Dean of Students James P. Hannigan is a 1929 graduate of the academy.

Young Hannigan, a straight-"A" student, qualified for a National Merit Scholarship in 1965. He is captain of SFA's swimming team, science club president and member of the Junior Engineering Technical Society, Math Club and National Honor Society; yearbook sports editor and Explorer Scout Post 802 president.

12 States Represented At Highway Conclave

Representatives from 12 states and officials of the U. S. Bureau of Public Roads met at Texas A&M Tuesday and Wednesday to organize a committee on highway sign support research.

Recent developments in breakaway signs by the Texas Transportation Institute for the Texas Highway Department has sparked national interest.

Each of the 12 states has designated a portion of funds allocated by the federal government for highway research be set aside for the project. States represented were Texas, Alabama, Mississippi, Tennessee, Kansas, Minnesota, Nebraska, North Dakota, South Dakota, Louisiana, Oklahoma and California.

2 New Grad Courses Slated In Sociology

Two of three new sociology graduate courses here will be offered in the spring semester, announced Dr. R. L. Skrabanek.

The chairman of the Sociology Division in the Department of Agricultural Economics and Sociology said Social Psychology (621) and Demography (622) are scheduled for the spring semester, beginning Feb. 7.

Also approved was Sociology 623, measurement of sociological parameters. Further information may be obtained at the department.

Executives To Tour Spacecraft Center

A field trip to the Manned Spacecraft Center in Houston has been arranged for 22 members of the Executive Development Course at Texas A&M.

Professor A. E. Cronk, head of the Aerospace Engineering Department, set up the hour and a half tour.

The visit will include a look at Mission Control Center, lunar surface mock-up and crew systems, suits and environmental controls.

The Executive Development Course is attended by business and government executives from the Southwest and sponsored by the School of Business Administration. Sixty men are attending the three-week course.

Mother Of Aggie-Ex Gives Gift To MSC

A silver service has been given the Memorial Student Center by Mrs. Howard Gee in memory of her son, a former student.

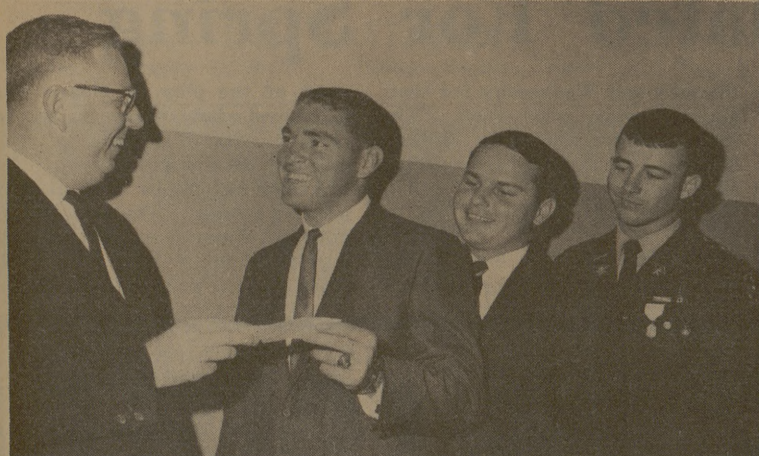

John H. Rodgers, president of the MSC Council and Director-ate, said the gift was in remembrance of Jan David Broderick, Class of '56, who was killed in 1955 while Broderick was returning from a trip to the west coast.

Mrs. Gee lives at Balboa in the Panama Canal zone.

3 Students To Attend Public Affairs Confab

Three Texas A&M University delegates have been named for the 28th Public Affairs Conference at Principia College April 13-16.

They are sophomores Paul E. Lockey of Laredo, John W. Morgan of Fort Bragg, N. C., and Lewis G. Venator of Houston. "Reappraisal '66: A New Response for Today's Communism" is the theme of the annual conference at Elsay, Ill.

\$\$\$ BRING SMILES

Dr. Morris Bloodworth, left, head of the Department of Soil and Crop Sciences, presents \$200 checks to winners of Trans-Mississippi Golf Association Scholarships. From left are Gary A. McElvaney, Jimmy McAfee and Jack R. Coleman. Another winner, Tim Miles, was not available for picture. The awards are based on interest in turf management, academic achievement and activities.

Among The Profs

8 Agriculture Profs Attend Range Meet

Eight members of the College of Agriculture are participating in the American Society of Range Management's 19th annual meeting this week in New Orleans.

They are Dr. L. C. Leinweber, Dr. Wayne McCully, Dr. Don Huss, Dr. E. J. Dyksterhuis, Garlyn Hoffman, B. J. Ragsdale, all of the Department of Range Sci-

ence and C. C. Boykin and Bob R. Eddleman of the Department of Agricultural Economics and Sociology.

The group is accompanied by six students; Dan Hennard of Wellington, Jim Miller of Stephenville, Joe Frazer of Grapevine, Pete Jacoby of Ozona, Billy Hood of Tyler and Dennis Keilers of Austin.

Pinnell, TTI Official, Elected To State Post

Dr. Charles Pinnell of the Texas Transportation Institute at Texas A&M has been elected secretary-treasurer of the Texas section of the Institute of Traffic Engineers.

Dr. Pinnell is head of the Highway Design and Traffic Engineering Department at TTI. He was chosen for the ITE office during the annual meeting at El Paso.

June, Hardeman Get Cyclotron Positions

Neville June and Bryce Hardeman have assumed engineer posts in the Cyclotron Institute at Texas A&M, Dr. A. D. Suttle, Jr., vice president for research, announced Tuesday.

The \$6 million cyclotron is under construction and the building may be ready this summer.

June, a rocket and missile installation engineer, formerly worked for electronics and research organizations in San Diego, Calif. and Green River, Utah.

Hardeman went to the mechanical shop engineer post from an associate professor's position in the Industrial Education Department. He has been at A&M since 1947.

Nash, Noyes To Attend 2-Day Chicago Meet

Two Texas A&M faculty members will participate in a two-day session on automatic programming tooling at the Illinois Institute of Technology Research facility Feb. 10 and 11 in Chicago.

They are James M. Nash, assistant professor of industrial engineering, and T. A. Noyes, assistant professor of mechanical engineering.
