

Baseball Workouts Start As 10 Lettermen Report

The nucleus for a fine team is on hand but there are some big "ifs" confronting Coach Tom Chandler as he prepares his eighth Texas A&M baseball varsity for Southwest Conference warfare.

Ten lettermen greeted the Aggie coach as the Aggies opened diamond drills Monday.

If Chandler can fill the gaps at third base, catching and come forth with depth on the hill, the Aggies could be in the thick of the conference flag chase this spring.

The Aggies lost All-America third baseman Mike McClure to the pros, even though he had another season of eligibility left, and reserve outfielder Fred Carlton. Otherwise, the 1965 squad that finished second in the SWC with a 10-5 mark, returns intact.

Valuable help is expected from sophomores who posted an 11-1 mark as freshmen last season. The 10 returning lettermen include Mike Arrington, shortstop; Ralph Beckner, catcher; Tommy Chiles, pitcher; Lance Cobb, second base; Billy Crain, first base; Steve Hillhouse, pitcher; Billy Johnson, pitcher; Alan Koonce, outfielder; Chuck Matlitz, outfielder and Neil Thompson, outfielder.

Hillhouse, a southpaw, was Soph of The Year two seasons ago and has been all-SWC two years. Cobb was the SWC batting champion as a sophomore when he made all-America as an outfielder. He was All-SWC at second base last year, the same honor won by Crain at first base.

The highly regarded sophomores who'll battle for starting berths this season include catcher Joe Staples, third baseman Lou Camilli, pitcher Ken Perrin and outfielders Joe Wood and Richard Schwartz.

After two seasons of home action at Bryan's Travis Park, the Aggies will return to Kyle Field this year to play their home games.

Chandler now has 27 games on his schedule but can add three more as he can fit them in to give him a maximum of 30 now allowed by the conference.

Chiles had the best pitching record last year as a sophomore, posting a 9-1 mark for the year and 5-1 in SWC play. Hillhouse, the workhorse of the SWC with 72½ innings of duty, was 5-3 in the league and 6-3 for the year. Perrin had a perfect 6-0 record for the freshmen.

If Camilli fills the bill at third, if Perrin adds strength and depth to the mound corps and if either Beckner or Staples develops into a top-flight receiver, then the Aggies could be serious championship contenders.

The loss to TCU left the Fish with a 2-5 season record.

ACCOUNTANTS, CHEMISTS, ChE's, ME's, PHYSICISTS (M&F)

You only know the half of it.

Our business no longer hangs by a fiber—cellulosic or otherwise. Far from it. We're researching, producing and marketing a rich range of products—chemicals, plastics, paints and coatings, forest products, petroleum and natural gas products, as well as a full family of man-made fibers—all over the world.

"Celanese" sales growth, its hefty interests in chemicals and its hugely expanded foreign operations have already moved it into a big new class," said a CHEMICAL WEEK* special report.

During the 10 years prior to 1964, sales more than quadrupled, chalking up a growth rate more than six times that of all U. S. manufacturing industries. And the trend is stronger than ever, with corporate sales for 1965 estimated at 23% higher than last year's record of \$701 million.
