SDX Chapter Offers Journalism Grants

Four \$250 scholarships for high school graduates and a \$200 scholarship for a junior college graduate have been announced by the Texas A&M Chapter of Sigma Delta Chi.

Chapter President Glenn Dromgoole said the professional journalistic society will base its choices on students' character, school records, desire to study journalism, and financial need. Applications have been sent

to all high schools and junior colleges in Texas. They must be returned by April 15. Winners will be announced May 1.

Cricket Team Plans Mexican Matches

Cricket goes international during the Easter holidays, when the first cricket match between a Texas and Mexican team will be played.

The A&M Cricket Club will travel to Mexico City for a couple of matches with the Reforma Sports Club team, John Griffiths of the Department of Meteorology said.

The Englishman believes the Easter matches will be the first between Texas and Mexico teams. About 18 or 19 players, their wives and friends will make the April 7-11 jaunt by bus.

A&M's team consists primarily of students from India. A. D. H. Clague, chemistry graduate student from England, is team captain. Griffiths is club president and team coach. The team won three and lost three in 1965.

CAREER DAY VISITORS
Two high school students examine an architect's conception of a coliseum at the annual Academic Fair and Career Day. The event attracted 4,000 high school and junior college students to the campus over the weekend.
