

**MISTI'S MUSING**

**MISERY IS . . .**  
Misery is finding a bug in the bottom of your ice cream cone.

Misery is when you can't find the fourth card that was supposed to come out of the computer, relating to the problem that took you two weeks to work.

Misery is when you realize that the thing that has been crashing against your head through the entire game was your helmet lining, and it isn't attached to your helmet anymore.

Misery is when the insurance company won't pay for the rod you threw while going through the intersection where the traffic circle used to be.

Misery is when both hands are full of food and you slam your tie in the refrigerator.

Misery is finding out your girl has been running around with a two-hundred pound tackle, and there's no hope of his giving in to you, a ninety pound weakling.

Misery is finding out that the luscious brunette you've been in pursuit of all semester really smokes, drinks beer, and sleeps in rollers.

Misery is having a prof who is fresh out of grad school and still has revenge on his mind.

Misery is when you're all bundled up to play in the snow and you suddenly have to go to the bathroom.

**ON THE OTHER HAND, HAPPINESS IS . . .**

Happiness is finding out that your grade wasn't the one that caused the prof to give the class a twenty point curve.

Happiness is buying some maroon finger paint.

Happiness is a march on the trigon.

Happiness is eating your popsicle in an air-conditioned room.

Happiness is knowing that the girl sitting next to you in government is a "Bunnie".

Even more happiness is knowing that your girl is a "Bunnie"!!!!

Happiness is knowing a girl who actually knows how to swim, and doesn't mind getting her suit wet.

Happiness is the next morning when your cereal doesn't snap, crackle, and pop!!!

Happiness is your very own thinkin' (???) spot. . .

Happiness is not being able to come back across the border!!

Happiness is knowing that Maurice Moorman is on OUR side!

Tootles, Misti
