WHY WE CARRY GANT

There's more than fabric superiority in Gant. In addition, "needed into the warp and woof of every Gant shirt," there's flair, fit and show — three vital inredients that make all the difference when a man wears a Gant.

We chose Gant because they take shirt making seriously. They're hard to please (like we are) when it comes to fit of collar, its roll, its profile—how much it shows above the suit collar. They're fastidious about the way the body of the shirt drapes and folds. All must integrate to achieve that viable ingredient which gives comfort and aplomb. In substance, Gant shirts are keyed to the discerning tastes of well groomed men who appreciate quality. These men are our customers.
