Laundry Expands Service

Larger bundle size and addition of two clothing articles increase student laundry service this fall.

Bundle size increases from 23 to 30 pieces of laundry with no change in the \$1.20 weekly charge, indicated Howard L. Vestal, auxiliary services director. A set of fatigues may be bundled as a pair of trousers and shirt at no extra charge.

Veterinary students' "V" neck jackets also will be laundered as a shirt, he added. Clinic white trousers have been accepted in the past, but an extra charge had been made for these articles previously.

Items in excess of 30 pieces will be charged at standard laundry rates, noted J. H. Kincaid Sr., laundry manager. Additional bundles will cost \$1.20.

"Claims will be considered in the main office Monday through Friday from 7 a.m. to 3 p.m.," Kincaid said. Tickets must be presented in making claims. He also urged students to retain stubs for claiming finished laundry.

Various colored slips are used at laundry turn-in stations in Dorm 12, Leggett Hall and next to the hospital. Day students use a separate color ticket.

Service for faculty-staff members is available on acquisition of a laundry mark. Information and marks may be obtained at the main office on Hogg and Asbury streets.

Former school teacher Rives McBee of Midland, Tex., formerly caddied for Billy Baxwell, Don January and Joe Conrad. McBee shot a 64 in the second round of the 1966 U.S. Open to tie the tournament record for one round.

NEW RANGER PAYS RESPECT TO PREDECESSOR

Ranger II inspects the marker laid at the grave of Ranger I this summer after being paid for by Aggie contributions. Ranger I, the pet English bulldog of President Earl Rudder and unofficial campus mascot, died last December. Ranger II was given to the Rudder family by last year's senior class.

Industrial Development Meet Opens

The 16th Texas Industrial Development Conference began this morning with a keynote address by Katherine Peden, former president of the U.S. Business and Professional Women's Federation.

About 250 industrial development personnel from banks, utility firms, railroads, chambers of commerce and manufacturing firms were on hand for opening ceremonies at the Ramada Inn.

Other morning speakers included Joe G. Moore Jr., executive director of the Texas Water Development Board, and Joe W. Tyson Jr., director of the technical program for the Coordinating Board, Texas College and University System.

Ben H. Sloane, vice president of the Aluminum Company of America, spoke on "Industry Is People" at today's luncheon.

Tomorrow's speakers include Dr. James A. Byrd, vice president of Texas National Bank of Commerce; James W. McGrew, research director for the Texas Research League; Ray H. Horton, chairman of the Texas Industrial Commission, and John Ben Shepperd, general counsel for Odessa Natural Gas Co.

New officers and directors will be introduced during tomorrow's closing activities.
