

# Campus Briefs

"We have a lot of material to cover today although I realize some of you are anxious to get to Waco!"

## Draft Deferment Anyone?

Hopefully, those of you who planned to take the draft deferment test Nov. 18, or 19 have mailed in your application blank by now.

If not, chances are that you may have to wait until next semester or hope for the possibility that another testing session will be planned later this fall.

The deadline for filing an application is midnight tonight. Blanks can be picked up in the registrars office until 5 p.m.

Originally the test was to be given A&M students in Huntsville, but officials were able to set up a testing center here on campus for Aggies.

Although the test is voluntary, students who have not taken the test are encouraged to do so in order to obtain draft deferment and complete their college education.

## Requiem For The Teasips

The year was 1966  
With football in the air.  
This year the Ags had vowed to lick  
The Longhorns fair and square.

Now true, the Sips had come to win  
The last few hard fought games;  
And true, the Sips were tough again  
With many famous names.

The first game left the Sips quite weak  
When mighty U.S.C.  
Came into town and sprung a leak,  
The Sips just said, "Oh Me!"

But Indiana bit the dust,  
And puny Tech just quit.  
Then Oklahoma came to muss  
The Horns up just a bit.

When Arkansas came tumbling in,  
The Texas fans said, "Great!  
At last we have a chance again."  
Their words were slowly ate.

Now half the year has come and gone,  
The Sips are two and three.  
Faces in Austin are drawn quite long,  
No joy is there to see.

What does the future hold my friend?  
Just listen an I'll tell—  
The reign of Texas soon will end,  
The mighty Sips have fell.

Gary W. Shank

## THE BATTALION

Opinions expressed in *The Battalion* are those of the student writers only. *The Battalion* is a non tax-supported non-profit, self-supporting educational enterprise edited and operated by students at a university and community newspaper.

Members of the Student Publications Board are: Jim Lindsey, chairman; Dr. David Bowers, College of Liberal Arts; Dr. Robert A. Clark, College of Sciences; Dr. Frank A. McDonald, College of Science; Dr. J. G. McGuire, College of Engineering; Dr. Robert S. Titus, College of Veterinary Medicine; and Dr. A. B. Wooten, College of Agriculture.

The *Battalion*, a student newspaper at Texas A&M is published in College Station, Texas daily except Saturday, Sunday, and Monday, and holiday periods, September through May, and once a week during summer school.

### Journalism Majors Total Increases

Dr. Delbert McGuire, Journalism department head, has announced an increased enrollment in the number of journalism majors.

Dr. McGuire reported that at the end of the 1966 spring semester there were 82 Journalism majors.

"After the fall enrollment was tabulated, we found that the number of majors had increased to 95," the department head said. "This was a better increase, proportionately, than the entire university enrollment," he added.

He brought out that since 1964, the number of journalism majors has steadily increased.

"This increase, we believe, has been brought about by the publications in the Southwest and the nation requesting a need for trained journalists," Dr. McGuire said.

### Intramurals Head Sets Steak Fry

Raymond L. Fletcher, director of intramurals, has announced a steak fry to be given for intramural managers.

"This will be the first of several steak-fries we will have in the future," Fletcher said.

"I advise all managers to come over to the intramural office to sign up if they are interested in coming to the steak fry."

This fry will be for managers only. It will be in Hensel Park at 8:30 p.m.

### Club Schedules Hunting, Fishing

Members of the Parks and Recreation Club have scheduled an afternoon of hunting and fishing for Sunday.

Mike Perkins, of Woodson Lumber Company, has invited club members to visit his quail ranch near Caldwell. Those who wish may bring their guns and fishing gear and do a little hunting and fishing. Perkins will also have his bird dogs there, he noted.

Members who intend to go should check in at the Herman Heep building and sign the list, according to club officials.

### Arab Club Sets Sharif Movie

The Arab Student Club of Texas A&M University is sponsoring an English-translated Arabian movie at 7:30 p.m. tonight in the Memorial Student Center Ballroom.

The movie's title is "A Man In Our House", starring Omar Sharif and Faten Hamama.

Omar Sharif has appeared in such movies as "Lawrence of Arabia" and "Doctor Zhivago."  
"This is the first among the

several activities that our club is organizing on the campus this year," Ahmad H. Bassyoni, president of the Arab Student Club, said.

Bassyoni added that the public is invited, free of charge.

### Hudgens Receives Haskins-Sells Award

Ernest M. Hudgens, a senior accounting major from Lufkin, was presented a \$500 Haskins-Sells certified public accounting award at Tuesday night's Accounting Society meeting.

The check was presented to Hudgens by a representative of the Houston branch of the company. Hudgens received the award for demonstrating outstanding academic ability in accounting and all other courses taken.

Hudgens occupies the position of representative in the Accounting Society.

### Weiss To Become Visiting Professor

Dr. Paul Weiss, a National Academy of Sciences executive committee member, has accepted a position on the faculty as a distinguished visiting professor," Dr. Clarence Zener, dean of the College of Sciences has announced.

Dr. Weiss has been head of the Biological Development Laboratory at Rockefeller Institute, and was dean of biomedical research at the University of Texas Medical School in Houston.

"He will be coming here from two to three weeks each semester, and his first extended visit will be during the first half of November," Dr. Zener added.

"He gave a talk here last spring on the "Engineering in 'Biological Structures' which was very much appreciated by the Engineering Department," Dr. Zener said.

### ATTENTION !!! ALL CLUBS .....

Athletic, Hometown, Professional, and Campus Organizations.

Pictures for the club sections of the Aggieland are now being scheduled at the Student Publications Office, Y.M.C.A. Building.

### ATTENTION ALL FRESHMEN

Make-up pictures for ALL Freshmen, Civilians and Corps, for the 1967 Aggieland will be from Oct. 21 through Oct. 26.

### AGGIELAND 1967 OUTFIT PICTURES

Uniform will be Class A Winter. Outfit C.O.'s will wear sabers; seniors will wear boots and mid-night shirts. Guidons and award flags will be carried. ALL personnel in the outfit will wear the billed service cap issued by the University. The type of cap worn by underclassmen to and from the picture - taking area is left up to the discretion of the outfit C. O.

Outfits should be in front of the Administration Building by 1230 hours on the appointed day. Arrangements should be made by first sergeants with the Mess Hall supervisors to allow the outfit to be admitted to the Mess Hall early.

## Engineers:

Enjoy a successful career in America's most exciting city... HOUSTON!

### HOUSTON IS THE ACTION TOWN!

It's the only city in the Southwest with both major league baseball and major league football. You and your family can enjoy sunny Gulf beaches... hunting... fishing... the Domed Stadium... fine art galleries... opera, sym-

phony, ballet, theater, in the magnificent new Jones Hall for the Performing Arts... low-cost housing... great restaurants... metropolitan shopping... year-round golf... the excitement of living in America's most dynamic growth area.

### HOUSTON LIGHTING & POWER IS THE ACTION COMPANY!

Already one of America's largest electric power companies, HL&P is in the midst of a five-year expansion program that will double the power available to the Houston-Gulf Coast area. At one plant alone, a new 450,000 kw unit is now in operation, another will be completed in 1967, and construction has already begun on a third unit that's even larger—565,000 kw! We're investing \$270,000 each working day on our expansion program that includes a revolutionary

computer-operated Electric Energy Control and Dispatching Center that is creating excitement throughout the utility industry... new generating and distribution facilities... and a new skyscraper headquarters building in the heart of Houston. (Steelwork is already going up for this new building, but you may have to wait a few months before you move your office from our present building.)

### ENGINEERS CAN PROSPER WITH US!

An electric utility is built on engineering skills, and engineers carve great careers with HL&P. (Our president started as a transmission engineer with the company.) Right now we need BS candidates in Electrical, Mechanical or

Chemical Engineering for growth positions in our Power Department and Industrial Sales Divisions, and our Engineering Department offers opportunities to people with BS, MS or PhD degrees in either Electrical or Civil Engineering.

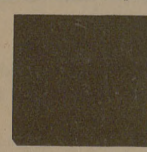

### WANT MORE FACTS?

Our representatives will be on the campus October 24 and 25. Sign up at the Placement Office for your interview with one of these men:

<b>ENGINEERING</b> R. M. McQUISTON, P. E. General Supt. of Engineering J. C. THOMPSON, P. E. Supt.-Research Division	<b>POWER</b> C. M. RIPPLE, P. E. Operating Supt.-Power Department F. W. STORKEL, P. E. Assistant Results Engineer	<b>SALES</b> JACK ARLITT, P. E. Supervisor-Industrial Sales CHARLES PESEK Industrial Engineer
