There is an old saying that things have a way of evening out. Saturday night, things evened out for the Aggies.

The Arkansas Razorbacks, behind the quarterbacking of Jon Brittenum, trounced the Maroon and White, 34-0. The win put the Hogs in a tie with A&M for second place in the unpredictable Southwest Conference.

Playing before a Kyle Field crowd estimated at 40,000, the Porkers put the game away in the first quarter with three quick scores. They cemented their victory with two more touchdowns in the third quarter.

In between these scoring bursts, the Aggies tried to mount a successful scoring drive, but the big play, which before this game had been their forte, just wasn't there.

Arkansas observers noted that this was the first time this season that the Hogs looked like last year's unbeaten powerhouse. The Razorbacks rolled up an impressive 317 yards on the ground and really didn't need to pass.

Brittenum, shared the spotlight with Tailback David Dickey who scored four touchdowns. The 24 points represented a record for an Arkansas runner in Southwest Conference play.

The Hogs took the opening kickoff and scored in 13 plays. Brittenum, mixing his plays beautifully, even tossed in a left-handed pass (he's right handed) to get a first down on the Aggie 14. From there it took them four plays with Dickey crashing over right tackle for the evening's first score. After the kick it was 7-0.

The Ag's then went nowhere on their first possession and had to punt. Eight plays later it was 14-0 as Dickey again went over the right side from the one.

Others of the injured are expected to be ready, with Pat Gibson, a defensive back who hurt his knee in the Texas Tech game and missed last week, to be back.

SMU Gets Set For A&M Battle

DALLAS (AP) — Halfback Jim Hagle probably will be missing when Southern Methodist plays Texas A&M here Saturday. He wrenched his knee in the Texas game last week and is very doubtful for Saturday, with Mike Richardson already designated to replace him.

Linebacker Billy Bob Stewart, who got 17 tackles against Texas, received the weekly stallion award for defense. John La Grone graded highest in the defensive line, getting 89 per cent.

Trying to get back into the game on their second series of downs, the Aggies put the ball in play deep in their own territory. Again disaster struck as the Porkers' Gary Adams snatched Edd Hargett's second-down pass and returned it to the A&M 13. Four plays later (you guessed it) Dickey crashed over right tackle for another six points.

The Hogs then made their only failure of the night as Bob White's conversion attempt was wide. Aggie fans rubbed their eyes in disbelief as the score stood 20-0.

The first-quarter statistics told the story. Total yardage figures stood at 149 for the Porkers and a paltry 12 for the Aggies.

The Aggie defense came alive in the second quarter. Curly Hallman fell on a Dickey fumble at the Ag 47 to stop the first Razorback drive. They stopped them three more times before halftime and held Arkansas to a mere 52 yards for the quarter.

While the defense showed signs of life, the offense didn't. With the usually reliable receivers letting passes go through, three drives were stalled and another was killed by the clock as the half ended. The Aggies went to the dressing room under new circumstances, behind for the first time this season at intermission.

The third quarter was all Arkansas. The Hogs' second-team defense stopped the Aggies' one sustained drive when Larry Lee fumbled on the Arkansas 18.

From there, the Porkers, displaying perfect ball control, ate up both yardage and time as they drove 82 yards in 17 plays with Dickey hitting the left side this time for the touchdown. Hogs 27, A&M 0.

After the kickoff, the Ags were once again forced to punt. Martine Bercher took the Steve O'Neal boot on his own 41 and behind an army of blockers raced

down the right sideline untouched for a 59-yard scoring jaunt. At this point, Aggie fans wondered if this night would ever end, as the kick made it 34-0.

The rest of the game was simply one Aggie miscue after another. The Hogs swiped the Aggies' big defensive weapon — the interception — and grabbed off two more passes, which coupled with Adams' first-half steal, gave them three for the night. The Aggies completed a horrid night

by dropping several more passes and losing the ball on a downed punt.

Time finally ran out and the stunned crowd made their way to the exits, and for some a long ride home.

"They whipped us at every position," was the post-game comment of Coach Gene Stallings and nobody saw fit to disagree with him. It was not the Aggies' worst defeat — but probably one that hurt a little more.
