Krueger Shines In Win

(Continued From Page 1)
 kicks went for a 42.4 average while Latourette's eight boots were 42 even.

Rice won the toss and elected to receive. A clipping penalty added 15 yards on to their normal first-down yardage and they managed only 13 in three plays. The Aggies were equally unsuccessful on their first series of downs and the pattern was set for the whole first half of play.

After the intermission, the Aggies took the kickoff and went nowhere. Rice finally got a drive going and moved down to the Aggie 30. The drive was climaxed by the unfortunate Mr. Pustka missing a field goal.

PUSTKA REPEATED this action after Rice's Doug Nicholson had intercepted an Edd Hargett pass at the Aggie 24. After a loss of two yards in three plays, Pustka missed again, this time from 42 yards out.

The Aggies were stopped again and forced to punt. Rice put the ball in play on its own 26. On first down, Hailey fumbled and Joe Wood covered the ball for the Aggies.

Then, in five plays the Aggies had a touchdown. The key plays were a 17-yard Hargett-to-Tommy Maxwell pass and a clutch eight-yard run by Bill Sallee. Wendell Housley, on the second of two tries at the end zone, took the ball in over left tackle. Glynn Lindsey's kick made it 7-0.

As the game worked towards its finish, it looked like this was all the scoring. The teams' offenses sputtered and their defenses glittered.

THEN, HAILEY started the Owls on their fateful touchdown drive. It was capped by a one-yard dive by Terry Shelton into the end zone. From that point, Rice's seventh loss was formed by the ensuing two-point conver-

sion failure and field goal miss. Both Neely and Aggie Coach Gene Stallings expressed dissatisfaction for their respective offensive play, while giving praise to their defenses.

"We just couldn't move the ball," Neely said, "and when we did, then we would fumble. The defense played real well — in fact, they've played two beautiful games in a row."

"We feel very fortunate in winning," Stallings said, "and even though I didn't think our offense played well, I don't want to play it over."

THE AGGIES received some new injuries to a already long list. Scott Blessing, a halfback

from Dallas, suffered torn knee ligaments on the game's opening kickoff and underwent surgery Sunday. Ivan Jones, linebacker from Houston, dislocated his shoulder and Hargett hurt his left knee after being tackled, but neither of the latter injuries is considered serious.

Hargett had a bad day — for him — passing the ball. He was 5-13 with a net gain of 66 yards. Housley was the leading Aggie rusher, with 54 yards in 18 carries. The Owls' passing attack was a little more potent, with Hailey clicking on 10 of 16 and Shelton, two of three. L. V. Benningfield was their leading rusher with 54 yards in nine carries.

Aggie Sophomore New SWC Champ

By MIKE PLAKE

Sophomore Aggie John Heffner Monday eliminated a field of the best cross country runners in the Southwest Conference, setting a course record with a time of 14:32.

His Aggie teammates, while trying to follow closely, could not quite fill the top ten roster as they have been doing in three successive meets. Following Heffner to the finish line, in sixth place, was Chris Conley, running for a 14:43 time. Next on the A&M roster were Ed Vezey, 14th place, 15:12; Mike Synyard, 15th, 15:16; James Thurmond, 21st, 15:39; Bob Vaughan, 28th, 16:00; Darrell Schwab, 32th, 16:17.

Teams from six Southwest Conference schools competed in the meet, including the University of Arkansas, which won, with 37 points; A&M, second, 57 points; Texas University, third, 63 points; Rice, fourth, 97 points; Southern Methodist University, fifth, 122 points; and Baylor, sixth, 134 points.

Texas Tech only entered two men for the individual competition. Texas Christian University had no one entered.

A&M track coach Charley Thomas explained his version of the race.

"We were expecting some close competition in this race, especially for Heffner and first place. Walter Reyna of Baylor, Charles Elder and John Auffett of Arkansas,

Ken Sunderland of Texas, Ben Brewer of SMU, Steve Montoya of Rice, and Rich Kay of Texas Tech all had run times close to John's and all were potential winners.

"Our course, three miles long and newly measured for this race, was slightly deceptive. As the times today have proven, it is a slower course than those at Dallas (SMU), and Houston (University of Houston). It appears easy to run, with no large barriers, ditches, or canals. But it has two very long, gradually rising slopes, the kind that tax a distance runner to his limit in endurance," Thomas continued.

AN OPEN LETTER

Hello Aggies,

For several weeks we have been running our advertisement in the Battalion telling you about Aggeland Recreation Center located behind Betty's Fashions in the Redmond Terrace Center, College Station, Texas.

We've told you that we have two five by ten billiard tables, two five by ten snooker tables, sixteen four by eight billiard tables, seven pin ball machines and other games. That we are open 7 days each week from 8 a. m. till midnight. That no alcoholic beverages are sold or allowed. That we sell billiard supplies, jointed cue sticks, etc.

Hundreds of Aggies have visited our Recreation Center, and we believe most of them were impressed. If you have never visited the Aggeland Recreation Center, we hope you will very soon. We believe you will like what you see.

AGGIELAND RECREATION CENTER
 Redmond Terrace Center

P.S. By the way, the girls play here!

BELL SYSTEM

Recruiting Team On Campus

November 16, 17 & 18
 Wednesday, Thursday and Friday

Representing

Southwestern Bell — Technical and non-technical students, particularly those seeking management and administrative assignments — E.E.; M.E.; I.E.; C.E.; Math-Physics; Physics-Math; Bachelor's or Master's in Economics, Accounting, and General Business.
Location: South Texas principally.

Bell Laboratories — Research and Development — B.S., M.S. and Ph.D. candidates. Emphasizing E.E.; M.E.; Physics; Engineering Mechanics and Mathematical Sciences.
Locations: New York and New Jersey vicinity.

Long Lines — Bachelor's and Master's candidates — Electrical, Mechanical, Civil, Industrial Engineering candidates with broad interests in economic and management problems. Business Administration graduates who have interests in science and technology.
Locations: Mid-West states initially.

Sandia Corporation — Master's Degree in Mathematics, Electrical and Mechanical Engineering. Bachelor's candidates of outstanding scholarship in Engineering considered for technical development program. Bachelor's and Master's in Business Administration and Accounting.
Location: Albuquerque, New Mexico

Western Electric — All Engineering disciplines needed to fill Technical Engineering positions in design, product, systems, military, research and management training. Positions for non-technical graduates are in purchasing, accounting, manufacturing, merchandising, management training.
Locations: Southwest—Mid-West—Eastern and Northern states.
