Traditionally, a lusty, rousing fight song is <u>de rigeur</u> for every worthy cause and institution. But we wrote a song for Sprite anyway. We'd like you But we wrote a song for Sprite anyway. We'd like you to sing it while drinking Sprite, though this may cause some choking and coughing. So what? It's all in good, clean fun. And speaking of good, clean things, what about the taste of Sprite? <u>It's</u> good. <u>It's</u> clean. However, good clean things may not exactly be your idea of jollies. In that case, remember that Sprite is also very refreshing. "Tart and tingling," in fact. And very collegiate. And maybe we'd better quit while we're ahead. So here it is. The Drinking Song For Sprite. And if you can get a group together Song For Sprite. And if you can get a group together to sing it--we'd be very surprised.

Roar, soft drink, roar! You're the loudest soft drink we ever sawr! So tart and tingling, they couldn't keep you quiet: The perfect drink, guy, To sit and think by, Or to bring instant refreshment To any campus riot! Ocococh--Roar, soft drink, roar! Flip your cap, hiss and bubble, fizz and gush! Oh we can't think Of any drink That we would rather sit with! Or (if we feel like loitering) to hang out in the strit with! Or sleep through English lit! with! Roar! Soft drink! Roar! Yeahhhhhhhhhhhhhhhhh, SPRITE! SPRITE. SO TART AND

TINGLING, WE JUST COULDN'T

KEEP IT QUIET.
