

# Fish Use Foul Shots To Bounce Cubs 75-66

By JERRY GRISHAM  
Several times during this basketball season the Aggie Fish cagers have used their accuracy at the free throw line to come out ahead on the scoreboard.

Last night in G. Rollie White Coliseum the Aggies demonstrated

ed their hot hand with the foul shots as they took advantage of a foul-prone Baylor freshman squad to knock the Cubs out of the ranks of the unbeaten in league play with a 75-66 victory.

Both teams hit 24 field goals during the game, but the Fish connected on 27 of 33 free throws while the Cubs made 18 of 27.

THE LOSS for the Cubs gives them a 9-2 record for the season and a 6-1 Southwest Conference mark. The Aggies are now close behind the first place Cubs with a 5-1 conference record and two games remaining to be played. The Cubs finish the season this week against the Southern Methodist freshmen and a victory would insure at least a tie for the conference championship.

Over three minutes had elapsed in last night's contest before the Fish were able to get on the scoreboard. The Cubs led 5-0 when Mike Hazel for the Fish capitalized on the first of the night's many fouls and hit two free ones.

The young Farmers were unable to overtake the visiting bruins until with 6:22 remaining in the first half Hazel again hit a crucial shot to tie the game.

THE LEAD exchanged hands four times during the next four minutes before, with 2:24 left in the half the Fish took over the lead for keeps. At halftime the Aggies owned a 39-30 advantage.

The second half of action was opened by the Fish who built their lead to 15 points after four minutes. A rally by the Cubs rapidly shrunk the Aggie lead to three points midway in the half. It was as close as they could come to the front running Fish who then pulled away to their final nine-point margin.

High scoring honors for the Aggies were shared by Hazel and Bill Brown who both hit for 18 points. Hazel was also the game's top rebounder with 12. Mike Heitmann scored 17 points for the Fish and Oliver Biggers rounded out the double digit scor-

ers with 14. THE CUBS' David Sibley was the game's high scorer with 20. The Fish play the Texas Short-horns Saturday in Austin. win is a must for the Aggies. they are to stay up with the Baylor five in the conference race.

TWO FOR THE FISH

Mike Heitmann (22) throws in a jump shot in Tuesday night's 75-66 Fish victory over the Baylor Cubs. Other Fish players are Bill Brown (12) and Tom Miller (54).

## Soccer Tournament Matches Players From Twenty Nations

By CHARLES ROWTON  
Four soccer teams from Texas A&M will compete in a six-week soccer tournament beginning Sunday.

The teams are composed of students from South America, Central America, North America, and Tunisia. With at least 20 countries represented on the teams, each squad has more than 15 players. Interest and feelings among the players are running quite high.

Many of the members of the Texas A&M soccer team are playing on one of the teams in the tournament. The captains of each team are on the varsity squad.

Two complete rounds will be played with the tournament winner determined on a point basis.

Three points will be awarded for a win, two for a tie, one for a loss, and none for a forfeit.

Action will begin each Sunday at 1:30 p.m. on the soccer field located next to the tennis courts. Two practice games were played Sunday with the Central America squad defeating South America, 3-2, and North America taking a 3-1 victory from Tunisia.

The tournament is the brain child of the Texas A&M Soccer Club. Co-captain Samuel Brent had a two-hour discussion with representatives of each team recently and decided on the rules for the tournament. The other co-captain is Gilberto Garza. The varsity soccer team is sponsored by Dr. Kurt Irgolic, an assistant professor for the Department of Chemistry.
