Aggie Band Sweetheart To Be Named Saturday

DIANE NUNNELLEY

GAY SCHERZ

BELINDA CARPENTER

BETTE HALE

DARLENE WIGGINS

Judges Committee Nominates 5 Girls

By JOHN FULLER
Battalion Managing Editor

The Texas Aggie Band will choose its 1967 Sweetheart Saturday night during the Band Dance at Sbsa Dining Hall, according to Combined Band Operations Jack E. Myers, dance chairman.

Myers announced the names of five finalists this week. They are Bette Hale of Austin, Belinda Carpenter of Hobbs, New Mexico, Gay Scherz of San Angelo, Diane Nunnelley of San Antonio, and Darlene Wiggins of San Antonio.

The girls were selected by a committee made up of two members of each class in the Band, plus Myers. A vote by all Band members at the dance will determine the winner.

THEME FOR the annual affair is "The French Quarter in New Orleans," Myers said. Decorations will include two brick walls, plants from nurseries in the area, wrought-iron work, and a garden-like entry near the doorway.

Uniform for the dance is Class "A" winter, and dates will wear formals. Ed Gerlach's orchestra will provide music.

Miss Hale, a 19-year-old freshman at the University of Texas, will be escorted by David E. Herrington, Band freshman. She has brown hair and brown eyes.

Freshman Les Carpenter entered the name of his sister, Belinda, 18. She is a senior at Hobbs High School, and is five feet, eight inches tall. Her escort will be Danny Dunlap, Band sophomore.

CLARKE ERSKINE, sophomore, will escort Miss Scherz at the dance. She is a senior at San Angelo Central High School, stands 5'5" tall, and has brown hair and brown eyes.

Miss Nunnelley, a senior at MacArthur High School, is 5'1" tall, with brown hair and brown eyes. She is the 18-year-old daughter of Mr. and Mrs. Don Foltz of San Antonio. Her escort will be Michael Sheets, a sophomore.

Scott Beck, another sophomore, has entered the name of Darlene Wiggins, 19, of San Antonio. Miss Wiggins is 5'4" tall.

Two of the candidates, Miss Scherz and Miss Nunnelley, were also finalists in the Sophomore Sweetheart competition last month.

Last year's Band Sweetheart was Patsy Reading.

Four Basic Facts Aid In Marital Sex Adjustments

"Time, mutual learning, a healthy optimistic attitude and a desire to succeed are basic prerequisites for sexual adjustment," Dr. Henry Bowman stated at the YMCA's Marriage Forum Tuesday night.

"Man must realize the basic fact that there are biological differences between men and women," Dr. Bowman remarked.

Bowman, a University of Texas sociologist, said too many men don't give the time and consideration necessary for the woman to receive full satisfaction of the sex act.

"A man builds up to his sexual peak and then there is an abrupt decline to where his interest in sex is almost at the zero level. Then he wants to go to sleep."

"The woman builds up to her sexual peak and then there is a gradual reduction in her interest in sex. She goes through a stage, called 'after-glow', in which she needs affection and reassurance. She is vibrant, alive and very much awake, and her husband wants to go to sleep."

Bowman believes that "any man who goes directly to sleep at this point is not only missing the boat, but doesn't even know the boat exists."

Dr. Bardin H. Nelson of A&M's Department of Agricultural Economics and Sociology will present the last of the series in the Marriage Forums next Tuesday when he discusses "Marrying Outside Your Faith."

Johnson Hints May Drop Income Tax Hike Proposal

WASHINGTON (AP) — A hint that President Johnson might drop his proposal for a raise in income taxes if business doesn't perk up brought quick concurrence from Congress Tuesday

that the boost is certainly not a sure thing.

That was the way the situation was described by Chairman Wilbur D. Mills, D-Ark., of the House Ways and Means Committee. All tax legislation must originate with this group and Mills said it has not even set a date for hearings.

MILLS observed that Johnson proposed a temporary 6 per cent surcharge, effective July 1, but that the President has never sent up the specific legislation.

"It would be premature for the committee to put this proposal on its agenda," Mills said, adding that even if an administration bill were before it, the tax panel would want to study the economy at length before deciding it.

And finally, he said, "I will insist that every effort be made by the President and the Congress to show some concrete results in expenditure reduction before we take up any tax increase proposal."

THERE APPEARED no prospect that hearings, if held at all, would begin before June, practically ruling out enactment by

July 1, although the tax could be made retroactive.

Policy advisers within the administration, while sticking by the forecast that a tax rise apparently will be needed to hold down deficits and ward off inflation, said the proposal might be withdrawn or modified if the expected economic pickup is not in sight by April or May.

A possible modification could be a later effective date — Sept. 1, or even next Jan. 1, instead of July 1.

REPUBLICANS, who have insisted it would be better to reduce deficits by spending cuts than by tax increases, tended to take the administration sources' assessment as strengthening their position.

When Johnson made his July 1 tax increase proposal it was backed by the report of his Council of Economic Advisers that the national economy, showing some signs of slowing at year's end, would pick up speed before mid-1967.

Mrs. A&M Crowning Is Set In MSC

Mrs. Texas A&M of 1967 will be crowned Saturday night during a dance in the Memorial Student Center Ballroom.

Mrs. Judy Waligura, president of the sponsoring Aggie Wives' Council, said judges picked 10 finalists from 30 contestants at a Sunday tea at the MSC.

Identities of the finalists are secret until the 7:30 p.m. dance, Mrs. Waligura noted.

Mrs. A&M and two runners-up will be selected by four judges, including Mrs. Travis Bryan, Mrs. Guy Smith, Dr. W. H. Richey and Dennis Goehring. Bud Moore represented Goehring in preliminary judging.

Contestants are judged on appearance, personality, self expression, poise and beauty, Mrs. Waligura commented.

Prizes for Mrs. A&M include a silver tray, a dozen roses and a portrait. Second and third place winners also will receive awards.

Dance music will be provided by the "Malibus" of College Station.

Emcee for the contest is Jim Austin of Bryan.

Mrs. Waligura said free babysitting service will be provided for couples who buy tickets in advance. Tickets, at \$2.50 per couple, are available at the MSC.

Door prizes will be given at the dance, Mrs. Waligura pointed out.

Twelve Journalists Go To Commerce For Press Meet

Twelve student delegates from the Journalism Department will participate in a Southwest Journalism Congress Friday and Saturday at East Texas State University in Commerce.

They will be among 240 delegates from 16 universities and colleges in Texas, Arkansas, Louisiana and Oklahoma, announced Dr. Delbert McGuire, A&M Journalism Department head.

Newspaper, magazine and photography contests are scheduled.

James Sizemore of Sherman, president of the Society of A&M Journalists, is the university's voting delegate. Tommy DeFrank of Arlington is outgoing parliamentarian of the congress.

Other A&M delegates include Robert Solovey of Silver Springs, Md., Robert Palmer of Mount Pleasant, Gus De La Garza of Raymondville, John Fuller of San Antonio, Robin Mason Crouch of Saratoga, Michale Paetz of Galveston, Lee Moreno of Richmond, Winston Green of Tyler, Robert Borders of Center and Charles H. Rowton of Killeen.

Dr. David R. Bowers, associate professor of journalism, will accompany the delegates as faculty advisor.

Sweetheart Entry Deadline Changed

The deadline for entering sweetheart candidates pictures for the Junior Ball has been changed to noon Monday.

"Due to changes in planning for the Junior Ball, the Junior Council has moved up the deadline," said John Daly, class social secretary.

Pictures are to be turned in to the Student Programs Office, with each candidate's name, academic classification, age and school printed on the back.

The five-by-seven-inch photos are to have a sheet of paper attached to the front with the name, mailing address and dorm and room number of each entry's escort.

The Outside World

NATIONAL

James R. Hoffa headed for a prison cell to start serving an eight-year sentence. The Teamster's Union president called it an unhappy day and said he will make further appeals.

Auto workers, whose eight-day walkout idled 200,000 General Motors employees last month, quit their jobs again in a wildcat strike. The union's GM Council called an emergency meeting.

Heavy rain, snow and floodwaters played havoc with life on the East Coast in an outburst of unpredictable March storms.

VIETNAM

A company of U. S. air cavalrymen took on a Viet Cong force in an all-day battle on South Vietnam's central coast. The enemy fled under air and artillery pounding.

INTERNATIONAL

Indian army units were alerted as political rioting erupted for the third straight day in the desert city of Jaipur. Six persons were reported killed in clashes.

In a landmark document, Pope Paul VI opened the way for possible use of blues, beat rhythms, spirituals, and jazz in Roman Catholic religious services.

WASHINGTON

Secretary of State Rusk told senators that the United States has monitoring equipment that can detect weapons systems in space. He and Ambassador Goldberg urged approval of arms ban treaty.

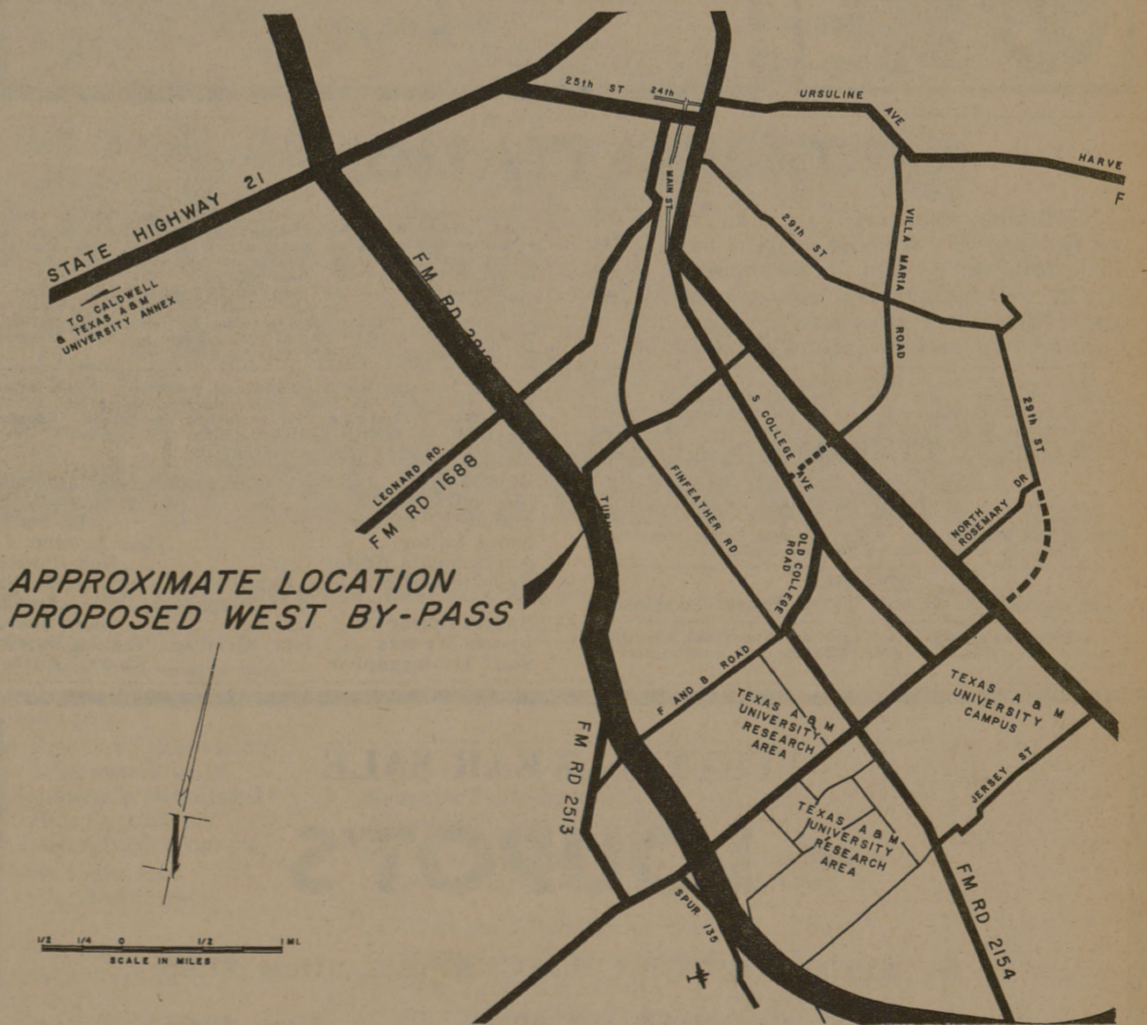

Hints that President Johnson may consider dropping or deferring his request for a tax boost fell on receptive ears in Congress.

TEXAS

First part of Gov. Connally's tax program got House committee hearing.

Houston ship channel industries were told to hurry up with anti-pollution projects or face annexation and city taxes.

North winds whipped snow flurries in Panhandle as a major cold front swept into Texas.

APPROXIMATE LOCATION PROPOSED WEST BY-PASS

BY-PASS CONSTRUCTION SOUGHT

An \$800,000 bond election has been called by the Brazos County Commissioner's Court for Saturday, in an attempt to acquire right-of-way around the west end of Bryan College Station. Although the Highway De-

partment has agreed to build only a two-lane road for the proposed by-pass, the additional right-of-way would allow addition of two more lanes.
