Texas Tech came up with three go-ahead runs in the sixth inning and went on to defeat the Aggies 6-4 at Travis Park Tuesday afternoon.

Just as Monday night's game between the two teams ran over three hours, this game also topped the three-hour mark.

The loss gives the Maroon and White a 9-6 record, while Tech is now 4-10. The game did not count in the Southwest Conference because Tech does not compete in SWC baseball.

Aggie starter Walter Varvel was staked to a 4-2 lead in the first three innings and it looked like enough for the former A&M Consolidated hurler. Aggie Coach Tom Chandler felt differently and brought Tommy Patrick in to pitch the fateful sixth.

Patrick was greeted with a double by Tech centerfielder Eldon Frost. Frost was plated immediately on a single by second baseman Bobby Kuehle. Two singles and three walks came after the back-to-back hits and the Red Raiders had three runs to go ahead for good.

The Aggie defense let down in

this game as they were charged with five errors. The defense, however, saved the Aggies in Tech's big inning. Two heads-up plays by Aggie fielders cut down Tech runners trying to go for extra bases in the sixth inning.

Up to the sixth inning Varvel had been effective, but had been the victim of poor fielding by his teammates and Tech had shaved the Aggie lead to 4-3 with two unearned runs. The other Tech run came on a second-inning homer by Tech shortstop John McIntyre.

The Aggies had wasted no time in scoring their first run. They scored three unearned runs in the first inning as Tech first baseman Don Champion booted a two-out, bases loaded ground ball and let one run in. Pete Maida followed this action with a single and two more Aggie runners scored.

In the second inning the Aggies scored their final run of the day with back-to-back singles by Mike Arrington and Chuck Malitz and an infield out which plated Arrington.

Tech pitcher David Callerman then settled down and held the

Aggies to just two hits and two walks the rest of the game. With Callerman in control, the Aggies could not get anything started and went down to their fourth home loss.

Patrick took the loss for the Aggies, evening his record at 1-1. First baseman Pat Rozypal, who did not start at first base for the Aggies, became a pitcher in this

game and finished up on the mound.

Rozypal pitched the last three innings and walked only two and held Tech hitless and scoreless.

The Aggies will next be in action over the weekend when they will play Rice in a two-game series in Houston. The two games will be Friday and Saturday, starting at 2:30 p.m.

Best evidence of a culture plant's origin is finding the wild where ancestral forms still grow wild. The riddle of the watermelon's origin was solved by explorer David Livingstone who covered wild watermelons growing profusely in central Africa. The National Geographic says.

Aggie Netters Fall 4-2 In SWC Opener Against Rice

By JERRY GRISHAM

In their first Southwest Conference outing of the season the Aggie netters fell to the Rice Owls 4-2 on the A&M courts Tuesday afternoon.

In the singles competition, Butch Seewagen of Rice defeated Pete Faust of A&M, 6-2, 6-2; A&M's Marcus Belech was beaten by Mike Hamilton, 6-0, 6-1; and Rice's Bob Olberg downed Terry Smith, 6-3, 6-2.

The lone singles victory for A&M came as Carroll Schubert edged Jerry Outlaw 6-2, 0-6, 6-4.

In doubles the Rice team of Seewagen and Olberg beat Faust and Schubert, 6-3, 6-3. Belech and Smith prevented the Owls from sweeping the doubles by defeating Hamilton and Outlaw, 3-6, 6-3, 6-2.

THE OWLETS WERE able to win only two games in the match. Jon Ragland beat Rice's Steve Redding, 6-0, 6-0, and Jerry Oli-

ver of A&M downed Gihm Abromowitz, 6-2, 6-0.

The doubles team of Ragland and Dwight Howard beat Redding and Abromowitz, 6-0, 6-0.

THE FISH BASEBALL team is making up the Wharton game, which was rained out March 20, in Travis Park today.

Game time is 2:30 p.m.

Randy's Good But—

A Vietnam war correspondent for a Houston radio station reported Tuesday that the two English language newspapers published in Saigon are notorious for their incorrect reporting.

He stated that one paper once reported Randy Matson of Texas A&M as having tossed the shot put more than a mile!
