

First Team Units Looking Good With Completion Of 15th Workout

Fullback Bill Sallee scored twice for the first offense and safety Curley Hallman raced 40 yards with an intercepted pass to count for the first defense during Texas Aggie spring football drills Wednesday.

Quarterbacks Edd Hargett and Charlie Riggs each directed a 60-yard scoring drive for the

first offense against the second defense, with Sallee scoring both times. Tailbacks Wendell Housley and Ross Bruppacher both tore out large chunks of yardage with their aggressive running. Bob Long and Bill Seeley alternated at the wingback slot.

Throwing blocks up front for the first offense were ends Tom

Buckman and Jimmy Allen, tackles Rolf Krueger and Danny Schneider, guards Mo Moorman and Mark Weaver and center Jack Kovar.

The first defense not only scored against the second offense but it also kept the foes from making a single first down.

Later, in goal line defense, the second offense did punch over twice; first when Robert Stansberry hit Bob Young with a three-yard pass and later when Stansberry, on a keeper, scored from the one-yard line. The last one came after the defensive unit had repeatedly stymied the second offense on first-and-goal situations starting at the one-yard line.

Guards Winston Beam and Carl Gough moved from the second to first defensive unit for the goal line drills.

Otherwise, the first defense had Grady Allen and Gary

Kitchens at ends, Lynn Odom and Harvey Aschenbeck at guards, Bill Hobbs, Robert Cortez, Ivan Jones and Buster Adami at linebackers, Tom Sooy and Jack Whitmore at the halves and Hallman at safety.

The schedule for the rest of the week calls for a workout tonight or Friday and the Saturday scrimmage session.

Next week, the players will be split into two units with two captains (probably Hargett and Riggs) and the two units will practice separately in preparation for the spring game on May 20.

The "Maroon and White" game will begin at 3 p.m. and all students will be admitted by their activity card with all other spectators over 12 years of age paying one dollar. There will be no reserved seats and all seating will be available, except at construction sites.

Aggie halfback Wendell Housley is seen carrying the ball during a recent spring training football scrimmage on Kyle Field.

Sports Activity At A&M

Head Basketball Coach Shelby Metcalf added an outstanding schoolboy cager to the A&M fold with the signing of 6-11 Steve Niles from San Antonio Lee.

Niles averaged 22 points a game last season and led Lee to the state Class AAAA title.

The Aggies won out over Texas and North Texas State in the final bidding.

The A&M Power Lifting Club will sponsor the fourth annual Brazos County Power Lifting championship on Sunday, May 21.

Club advisor Henry Heatherly announced that the lifting competition will take place under the Hensel Park "dome" off College Avenue. The competition will begin at 3:30 p.m. and run until approximately 6:30, with the weigh-ins coming first at 2:30.

The championships are only open to Brazos County residents and all A&M students.

"We would like any students who are interested to contact us about entering," Heatherly said.

Awards will be given on a first, second and third basis and a trophy for the best all-around lifter will be presented. There are five weight classes; 148, 165, 181, 198, and unlimited or heavyweight.

Any further information can be gained by calling Heatherly at 846-8509 after 6:30 or contact him at the G. Rollie White Coliseum any night at 5:30.

Winners in six events were decided Monday and Tuesday in the intramural upperclassman track meet in Kyle Field.

Don Koehn, guard on the Aggie football team last year, set the only record of the meet thus far. He threw the 12 lb. shot put 57-1 to break his own record of 55-4, set in 1964.

Dorm 14 won the 880-yard relay in the fast time of 1:37.7. The record of 1:33.0 was set in 1956. E-2 was clocked in 1:39.2 for second place while Squadron 3 posted a 1:42.7 clocking for third.

Leon Noel won the broad jump competition with a leap of 21-9. Kenneth Mattoon went 21-4 for second place. John Huckleberry took third place with a leap of 20-1. The intramural broad jump record is held by Glenn Lippmann, set in 1949, at 22-1.

Micheal Tredway high jumped 6 feet to take the title for that event. Albert Mayo and Noel tied for second place with jumps of 5-9. The record for the high jump is the oldest in the upperclassman record book. It was set back in 1941 at 6-4.

William Schwab took the 880-yard dash in 2:07.5, but was disqualified because he ran for A&M last year in the cross-country competition. By intramural ruling, anyone who has ever participated in varsity track at Texas A&M is not eligible to
