

SPORTS PICTURE OF THE YEAR!
Terry Trippet's last seconds shot that beat Baylor.

Sports Aplenty It Was A Good Year

By GARY SHERER

It was a good year. In fact, to borrow the words of the song, "it was a very good year" in sports at Aggieland. Granted, there were some losses and heartbreaks but all-in-all, sports took an upward swing in 1966-67 at Texas A&M.

A few cases in point; the best season football record since 1961, a fourth-place finish in the Southwest Conference baseball race when the Aggie nine was picked for last, a sophomore-laden basketball team that will be heard from in the future, the SWC Golf champions and probably the most famous part of A&M sports, a world-record holding shot-putter.

In looking back over the past nine months of sports, many good . . . and bad thoughts come to mind.

I would like to categorize some of the most exciting from this writer's point of view.

1. Seeing Randy Matson break his own world shot-put record at College Station on April 22.
2. Watching the Aggie football team take the SWC lead as they won three straight in conference play.
3. Seeing Mo Moorman and Rolf Krueger making crucial tackles in the closing minute of the Baylor and Rice games.
4. Being there to see Terry Trippet sink a final seconds basket to beat the Baylor Bears.
5. Watching the Aggie basketball team beat Texas.
6. Suffering through the Texas Christian baseball game when the Aggie nine stranded 17 men.
8. Watching the development of a good football team at spring training.

There are many other things I could mention, but I would like to borrow the "T" Associations spring game slogan to sum up this sports year.

Facts About The Astros

The Houston Astros will host the New York Mets and Philadelphia Phillies in a short five-game stand in the Astrodom from Wednesday, May 31 through Sunday, June 4, highlighted by "Family Day-Helmet Day" on June 4. Wes Westrum's Mets, who have one of the league's leading hitters in Ed Kranepool and have re-

ceived timely hitting from ex-Dodger Tommy Davis, will meet the Astros in a "ladies night" attraction Wednesday, May 31, and a single night game Thursday, June 1. Thursday's night game will be preceded by a milking contest between members of both teams.

White Sox Take Back League Lead

ST. PAUL-MINNEAPOLIS (AP) — Tommy McCraw smashed three home runs and drove in eight runs Wednesday as the usually weak-hitting Chicago White Sox bombarded the Minnesota Twins with 21 hits in a 14-1 rout.

The Sox broke Dean Chance's seven-game winning streak in resuming first place behind Gary Peters' six-hit pitching.

Peters collected three hits, including a ninth-inning homer off Jim Kaat, the third Minnesota pitcher.

Fruit flies in flight beat their wings 13,000 strokes a minute.
