COLLEGE STATION, TEXAS THURSDAY, JUNE 15, 1967

Fall Semester's Housing Facilities **Expected Filled**

Early indications point to full occupancy of Texas A&M's 30 dormitories and 776 apartments for the fall semester.

Dean of students James P. Hannigan said 6,460 beds will be available in campus dormitories. He noted this fall will mark the first time in several years all 30 dormitories have been in opera-

If dormitories are filled to capacity, more day student permits will likely be issued, said Associate Dean of Students Bennie Zinn.

"In the past, we have restricted undergraduate day student permits to juniors and seniors," Zinn remarked. "It appears that we may approve day student permits for a number of sophomores this fall."

Married students, graduate students and other students whose parents live in the area also receive day student permits. Others eligible for the permits include students with specialized part-time jobs off campus.

Summer Battalion **Published Weekly** The summer Battalion is now entering its second week of publication on an abbreviated sche-

The Battalion, regularly published Tuesday through Friday during the fall and spring terms, will come out only on Thursday during the summer months.

News tips and stories may be submitted at Room 4 of the YMCA building, or by calling 846-

MOVIE GOERS

Two A&M students look at the Marquee outside the Grove Theater to see what movie will be showing tonight. The Grove provides Aggies and local residents nightly movies during the summer. See story page 3.

iste New Banking Rules **City Police Force** Begin On Sept. 1

Beginning September 1 all Federal Reserve banks will not be handled through regular bank collection channels of received without the magnetic ink transit numbers. The new electronic processing demands such mag- ing to a local bank official. netic ink encoding.

Currently, about eight percent hecks and drafts deposited with of all checks handled in this reserve district are "customer drafts" or "changed" checks (where the name of a bank has been scratched out and another bank's name written in) accord-

Has New Helper A police dog is now aiding law enforcement officers in the City of College Station, Mayor D. A. Anderson reported today.

This is another step in making our police department more effective, the mayor said.

The dog will be given additional training and will be used in situations where its use is warranted in helping solve some of the problems.

"Tippy," as he is called, has been sworn in as an official member of the police team, Mayor

Quarterback Club **To Sponsor Trips**

The Bryan-College Station Aggie Quarterback Club is sponsoring chartered busses to three outof-town Aggie football games this fall, according to Wayne come, first-served basis, he add-Schmidt, secretary.

Busses will be chartered for the games at LSU in Baton tions is June 28. Rouge, La., Texas Tech in Lubbock, and Arkansas at Fayetteville

New Students Urged To Get Laundry Marks On Library, Field Pickup, Delivery Schedule Changed **Despite Pickets**

Despite the picket lines set up by the local Laborers Union, construction on Cushing Memorial gressing on schedule, according to H. J. Thigpen, construction superintendent for Temple Asso-

Kyle Field is still projected to be completed in time for the SMU-A&M football game September 16, Thigpen said.

A union spokesman said the Laborers Union set up the pickets in an attempt to get Temple Associates and their subcontractors to sign a contract with their organization. The purpose of the contract is to give union representatives an opportunity to negotiate for higher wages and improve working conditions on fu-

Pat Rankin, business manager for the local brick layers union, said that all members of the Building and Trades Council will honor the picket line as long as it is up, and stated that most local building unions are members of the council with the exception of the Carpenters Union.

There is no indication when a settlement will be reached.

available for those who purchase tickets with their bus reservation, Schmidt said. Spaces on the busses will be filled on a firsted.

Deadline for making reserva-

By JERRY GRISHAM New summer school students Library and Kyle Field is pro- at A&M should obtain laundry marks before sending their clothing to the laundry, G. R. Hartsock, Texas A&M Laundry manager, has announced.

He said that the marks can be picked up at the main laundry on Asbury St.

The A&M Laundry has adjusted its schedule for the summer sessions and issued instructions for students using the laundry.

According to Hartsock, students

Coeds Introduced By Added Feature

Summer is not all that comes to A&M in June. With the summer sessions come the coeds from other colleges and universities. Beginning in today's Battalion is a feature that will attempt to

introduce several of these coeds, both of A&M and of other schools, to Aggieland.

These coeds are selected at random by a roving photographer. Their pictures and a brief description will appear in each edition of the Battalion under the title of "Girl Watcher's Corner.'

First Session Sets Summer Record

First term summer school registration climbed to 5,144 this week at Texas A&M, with the final total to be announced.

Associate Registrar Ray Perryman said registration figures from the Texas Maritime Academy at Galveston are needed to wrap up enrollment.

The record enrollment reflects a gain of almost 11 per cent over the first summer term of 1966. Current totals include 190 entering freshmen and 37 upper-classmen at the Texas A&M adjunct at Junction.

with last names beginning with A through D should turn in their laundry Friday and pick it up Monday. Those with names starting with E through I deliver their laundry Monday and pick it up Wednesday.

Number 454 USI

Weather FRIDAY — Partly cloudy to cloudy, scattered rain showers, wind southerly 15-25 m.p.h. High 91, Low 74.

SATURDAY — Continued mostly cloudy, winds southerly 20-25 m.p.h. High 88, Low 75.

Tuesday and Thursday will be the delivery and pickup schedule for students with J through N names. Those with O-S names deliver their bundles to the laundry stations Wednesday and pick them up Friday.

Students with T to Z names deliver their laundry Thursday and pick it up Friday.

Laundry bundles must be turned in at the stations before 9 a.m. on the days specified or there will be a fifty-cent penalty charge. Pickup time for all laundry is after 1 p.m.

Dorm students with gold laundry tickets are to leave their laundry bags at Leggett Hall Station three and pick pick them up at the main laundry, and for all other students with white tickets, the main laundry is the delivery and pickup point.

Ticket stubs must also be presented in order to obtain the finished laundry, Hartsock said. Failure to do this will necessitate presenting an ID card and a fifteen-cent penalty charge.

Students are limited to 30 pieces of laundry a week including one pair of coveralls, two pair of pants, two polo shirts, four sheets, four shirts (fatigues or Clinic V Neck Jackets) and 17 other pieces.

Hartsock said that quilts, chenille bedspreads, blankets, rugs or ladies clothing are not included in the regular 30 piece bundle. He suggested that rugs, blankets and quilts not be laundered but said that the laundry would do them at the students' risk.

Only one bundle will be accepted each week from each student for his laundry fee. Additional laundry will be charged regular student rates.

Bryan Coeds Head MSC Committees

Two Texas A&M coeds from Bryan have been named to head Memorial Student Center Summer Directorate committees.

Betty Franklin, daughter of Dr. and Mrs. T. E. Franklin, 738 Garden Acres, directs the Public Relations Committee.

Frances Kimbrough, daughter of Mrs. W. M. Kimbrough, 810 East 29th, chairs the Speaker Series Committee.

Bryan Building & Loan Association, your sav-ings Center, since 1919 BB&L Adv.

IT'S SUMMERTIME AGAIN

Three A&M students find that the best place to be during

a hot June afternoon is beneath a cool shady tree in front

of the Academic Building.

After September 1 such checks will be returned or a collection fee will be accessed. The collection fee recommended by the Federal Reserve is \$1.50. The purpose of the high collection fee is to deter the use of "customer

drafts" and "changed" checks. What this means to the student is that he will have to start carrying his own magnetic ink encoded checks with him and stop using drafts. The Federal Re-

serve recommends keeping a few blank checks with you if it is not man reports that the response by convenient to carry your checkbook.

Degree Deadline Set For Friday

All graduate and undergraduate students who expect to complete the requirements for their degrees by the end of the first term of the summer session must make formal application for their degrees no later than Friday.

Associate Registrar Ray Perrystudents who need to apply for degrees has been slow.

"The deadline is fast approaching and we need to get these applicants signed up," he said.

Graduate students must apply for their degrees in both the Office of the Graduate Dean and in the Registrar's Office.

Undergraduate students file for their degrees in the Registrar's Office only.

Bride Of Aggie Killed In Wreck

An automobile carrying David Wayne Rideout and his bride of two days, Diann Rideout, collided with a pickup truck near the city limits of Corpus Christi Monday, killing the 22-year-old bride and critically injuring her husband.

Rideout, a 1965 graduate of Texas A&M and son of Wayne Rideout of Bryan, was hospitalized in Memorial Hospital in Corput Christi with chest injuries.

Mrs. Rideout, the former Miss Diann Orr of Henderson, Texas, was pronounced dead on arrival

The couple had been married Saturday in Henderson and were on their honeymoon in Corpus Christi.

with the Texas Parks and Wildlife Department in College Station and the couple had planned to make their home at Lake Placid.

Charter reservations for the LSU trip is \$17.50 per person. The Texas Tech trip is \$20, and the Arkansas trip is \$22.50. The price includes two box lunches.

The bus will depart for Baton Rouge at 10 a.m. Saturday, Sept. 30. The bus will depart for Lubbock at 9 a.m., Saturday, October 14, and for Fayetteville at 2 a.m. November 4. Busses will depart from the First Bank & Trust parking lot. They will return to Bryan immediately after each game, therefore eliminating expense of overnight accommodations

Bus reservations and tickets to the games may be purchased by writing or calling Wayne Schmidt, 1302 Leacrest Drive, College Station, phone 846-8092. Group seating at the games is

Barbers To Take Extra Day Off

Many College Station barbers will take an extra day off during the summer months as they join with other members of the Bryan-College Station Barbers Association in closing their shops each Monday.

According to one North Gate barber the Monday closing was voted by the College Station association due to the "annual summer slow-down" of trade.

The association's members began closing their doors on Monday last week and will continue on a five-day schedule until after Labor Day.

The B-CS Barber Association has more than 40 members operating under the new schedule. A spokesman for the Memorial Student Center Barber Shop said that they will not be affected by the association's change. The MSC Barber Shop will be opened Mondays, but closed all day Saturday during the summer months, he said.

Charcoaled Steaks On Menu Of Sbisa Cash Cafeteria

By WINSTON GREEN **Battalion** Editor

Patrons of the Sbisa Cash Cafeteria will soon be able to choose from an assortment of charcoalbroiled steaks for their evening meal according to Col. Fred Dollar, food services director.

The new plan will allow customers to choose a steak cooked to their specifications from the food assortment in the cafeteria lines.

"These steaks will be of the highest quality," says Dollar. "They will be government - inspected and aged 10-14 days."

Dollar explained that the aging makes the steaks tender and brings out more flavor.

"These steaks will cost a little more than our regular line of meats," he added, "but will give the student a chance to dine a little more elaborately without having to drive off campus to do so.'

The addition of the charcoal steaks to the Sbisa evening menu is expected to be completed before the end of the current summer session.

Also, in the near future, a poll will be taken of Sbisa customers by university officials to determine if it would be possible to offer students a summer board plan.

"The proposal of a summer board program will depend upon the response of the students," said Dollar. "If enough students are interested to make such a program practical, a plan will be submitted to the board of directors for approval."

Dollar mentioned that this program would probably be introduced next summer if approved.

The Sbisa Cash Cafeteria is located upstairs on the west end of Sbisa Dining Hall and is open for all students, faculty, staff, and their campus guests.

More than 1,500 persons per day filed through Sbisa's two MONDAY THROUGH FRIDAY lines during its first summer operation last week. The cafeteria has four cashiers and can accommodate up to 1,000 persons per hour.

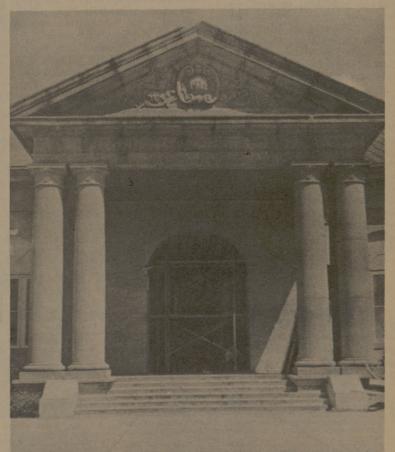

been expanded this year so that students will not have to schedule their meals as rigidly as they would their classes says Dollar.

7 a.m.-2 p.m., 4:30 p.m.-7 p.m. SATURDAY

7 a.m.-1:30 p.m., 4:30 p.m.-6:30 p.m.

SUNDAY

Sbisa's summer hours have 8 a.m.-9 a.m., 11:30 a.m.-1:30 p.m., 4:30 p.m.-6:30 p.m. The Fountain Room in the Memorial Student Center will be open all day on July 4.

SBISA GETS NEW DOORS The south side of Sbisa Mess Hall is getting a new look as workmen replace the old metal doors with new glass ones.

at Memorial.
