

A DOUBLE-BOGEY IN THE MAKING

Arnold Palmer, having hit his tee shot into water, plays third shot to green where he got a double-bogey 5 on the 162-yard par 3 hole. SWC Football Is Fall TV Feature

The American Broadcasting Company has announced its schedule for televising NCAA football next fall and the Southwest Conference figures largely in their plans.

ABC acknowledged that the SWC schools would be among the nation's finest as it plans to have more SWC teams on national television than any other conference.

Four SWC teams will be seen on nationwide broadcasts. Texas A&M and Southern Methodist will kick off the season in a game at College Station on Sept. 16.

On Oct. 21 the Texas Longhorns and the Arkansas Razorbacks will play before a national audience.

Clay Kayoed With Sentence And Fine

A white jury of six men and six women deliberated for a half-hour Wednesday and then returned a verdict of guilty against former heavyweight champion Cassius Clay on criminal charges of refusing induction into the armed forces.

U. S. Dist. Judge Joe Ingraham then sentenced Clay to five years in prison and a \$10,000 fine.

Afterwards Clay said that he was not surprised at the verdict.

"Everything that has happened or will happen has already been prophesied by the prophet, Elijah Muhammed," Clay said. Elijah Muhammed is the head of the Black Muslims, the religious sect

to which Clay belongs. It was Clay's contention in the trial that he is a muslim minister and is therefore not eligible for the draft.

The ex-champion was released on a \$5,000 appeal bond after the trial.

Clay said that while his case is going through the process of appeal he may fight in a few exhibition bouts and will probably take a vacation, possibly to the Bahamas.

The case is not expected to be settled soon and there is speculation that it may drag through the courts for months or even a year.

Car Rallies This Sunday

The Brazos Sports Car Club will hold three short navigational rallies this Sunday.

Registration will begin at 1 p.m. at Easterwood Airport. The event, entitled the Sunstroke Special, includes three navigational rallies each less than twenty miles long and primarily on good paved roads.

Trophies will be given in each of the rallies, and free refreshments will be available during and at the end of the event.

According to Event Chairman Bill Moore, a special driver's and navigator's school will be held at 1 p.m. before the event for all beginners.
