

REVEILLE

Texas A&M's first lady, Reveille III, will romp on Kyle Field Saturday night at the Florida State game. The last time Reveille made an appearance, she received national television coverage.

Reveille To Make Her 2nd Showing At Kyle Field

Texas A&M University's mascot will make a second appearance of the football season Saturday night at the Florida State game on Kyle Field.

Reveille III romped before national TV cameras at the SMU game but missed trips to the Cotton Bowl and Baton Rouge.

The collie's handler, Dave Jacoby of Ozona, said Rev became too hot during the SMU game, got a cold and was hospitalized over the Purdue game weekend.

She was absent at the LSU contest through a misunderstanding that LSU officials had lifted a ban on animals running free in the stadium. The special dispensation for Reveille was unknown at the time travel arrangements were being made.

She will march with Company E-2, commanded by Cadet Maj. Loren J. Parsons of Alice, in the 6:20 p.m. march-in for the A&M-Florida State game. Kickoff is at 7:30 p.m.

Rodeo Members Elect President

Claude F. Cannon III, a junior agricultural education major from Houston, has been elected president of the 124-member Texas Aggie Rodeo Association at Texas A&M University.

Other new officers include Charles L. Stewart of Carta Valley, vice president; Mark Reger of San Antonio, secretary; John

Zachry of Happy, treasurer; Charles Richter of Laredo, reporter; Bob Johnson of Paris, program chairman; and Ronald Rea of Fort Worth, horse show chairman.

The annual Aggie Rodeo has been set Friday and Saturday.

Its name is Charger, and it's the best-looking Dodge ever built. Complete with disappearing headlights and sports-car styling that features a European-type spoiler on the rear deck. But since looks aren't everything, we made it exciting to drive, with a 318-cu.-in. V8, bucket seats and an airplane-type instrument panel. Even pockets in the doors for your shades and/or rally maps. With all this included, we've reduced Charger's list price by more than \$100. Maybe you can't please everybody, but we sure try.
