

# Fish Come Close In 21-20 Setback

By GARY SHERER

Ten seconds don't make a ball game but for the Aggie Fish fans at Kyle Field last night, that amount of time did make the ball game.

The young Fish gridders of Jake Helm dropped their fourth contest in as many games, 21-20, to the Texas Tech Picadors.

That ten second game started with the Fish scoring with 3:33 left in the game. Then, with 3:23 remaining, the Fish scored again. Unfortunately, the Fish did not score at that pace the rest of the game and came one point short.

In fact, in the 57 minutes and 23 seconds before this, the Fish had only managed one score while the young Picadors had rolled up three pay-dirters.

The Fish had set up their next-to-last touchdown when Fish tackle Andy Philley had fallen on a Tech fumble after the Picador receiver mishandled a Mitch Robertson punt. The Fish put the ball in play on the Tech 23 and took the ball over in seven plays.

The Fish made the two-point conversion with quarterback Rocky Self diving over for the double conversion. Now with the score reading 21-14 Tech, the Fish lined up for the kickoff.

Fish kicker Phil Dickerson planted his foot to the side of the

ball and the pigskin squibbled up the field and the onside kick was on. After the dust (or mud) had cleared, the Fish's Brad Norvell was reclining on the ball at the Fish 49-yard line and the referee pointed Fish ball.

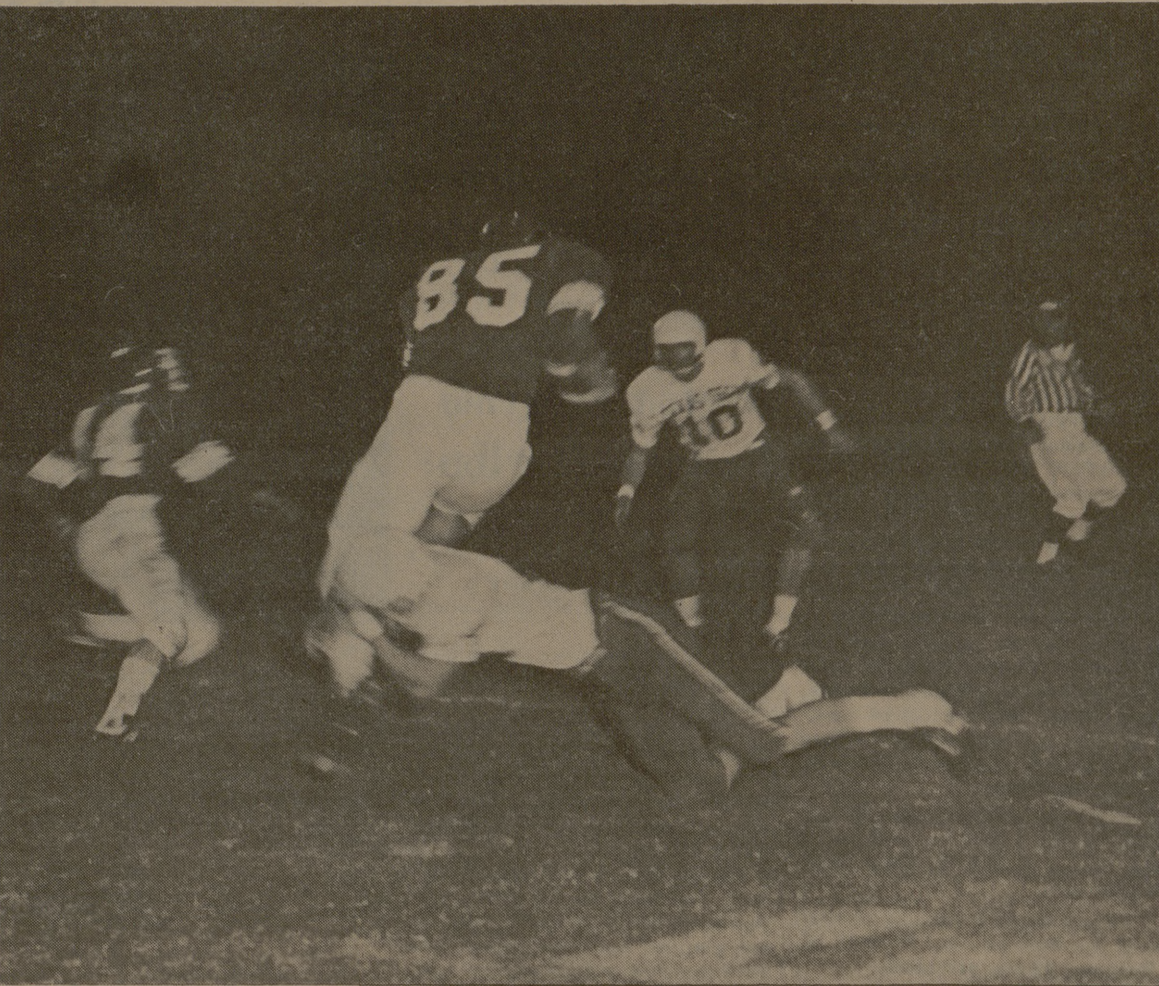

After the officials had cleared the whole Tech aggregation from the field (they were a little bit less than happy about the call) the Fish went to work. It turned out to be fast work as Self spotted Buckeye Mike DeNiro racing down the sideline just ahead of a Tech defender.

DeNiro hauled the ball in at the ten and raced into the end zone with the Fish's 20th point. This time however, the Tech youngsters stopped the Fish's two-point try and the Picadors held on to their lead.

The Fish tried another onsider butt his one failed and Tech had the ball in Fish territory. This wasn't the end, less than a minute later the Fish had the ball again.

Lady Luck had apparently left after the last Fish score as Self fumbled and Tech fell on the ball to end the last Fish threat.

It was the Picadors' first win of the year putting them at 1-2. The Fish have one game remaining at San Antonio on Nov. 22 with the unbeaten Texas Short-horns.

FISH FIRST DOWN

Fish end Mitch Robertson (85) is stopped by an unidentified Texas Tech Picador defender after catching a Rocky Self pass for a 21-yard gain and a first down. The action occurred in last night's 21-20 Fish loss.

# Palmer Gives U.S. World Cup Share

MEXICO CITY (AP)—Arnold Palmer shot a four-under-par 68 Thursday for a first place tie with young Florentino Molina of Argentina and gave the United States the first round lead in the 15th World Cup Golf Tournament.

Jack Nicklaus, Palmer's partner in the team competition, finished with a par 72. That gave the American team a score of 140 and a one stroke lead over Molina and teammate Fidel de Luca after the first 18 holes.

Palmer, who played through an afternoon shower, was two under par after nine holes. Nicklaus blew a birdie putt on the final green which would have put him one under for the day.

Nicklaus and Palmer are defending the team title they won last year in Tokyo. George Knudson of Canada, the defending in-

dividual champion, was off his game and shot a 73.

The Americans, paired with Christy O'Connor and Hugh Boyle of Ireland, played the 11th through 13th hole in a downpour.

Gary Player of South Africa shot a three-under-par 33 on the back nine for a 69. Teammate Harold Henning had a 74 which gave the South Africans at 143 total.

Belgium's Donal Swaelens and Flory van Donck fired a 72 and 71 for another 143 score, the same total put together on Knudson's 73 and Al Balding's 70.

Player birdied the 13th, 17th and 18th holes after turning in a par 36. The birdie on 17 came on a beautiful 30-foot putt.

Come gather 'round people  
Wherever you roam  
And admit that the waters  
Around you have grown.  
And accept it that soon  
You'll be drenched to the bone,  
If your time to you is worth savin'  
Then you better start swimmin'  
Or you'll sink like a stone,  
For the times they are a-changin'!
