MOBILE, Ala. (AP) — The players on the North team competing in the Senior Bowl may find it one of the toughest games they've played all year.

The North squad, which hasn't been announced, will face a talented group of all-stars Jan. 4. Players selected for the South squad Tuesday include four first four first team All-America and five second string All-Americas.

Included on the squad is Aggie All-America tackle Maurice (Mo) Moorman.

On the offense, it will be Alabama end Dennis Homan and Tennessee center Bob Johnson from the first team. Defensive linemen Greg Pipes of Baylor and North Carolina State's Dennis Byrd also will represent the first team.

EL PASO, Texas (AP) — Five members of the Sun Bowl-bound University of Texas-El Paso Miners were declared ineligible Tuesday for the Dec. 30 game against Mississippi.

Athletic Director George McCarty identified them as Stammers, Flanker Volley Murphy as defensive tackle Denver Samples and second team member halfback Eugene Childs, defensive end Mike Rhoades and offensive tackle Dick Reisman.

McCarty said they would not play because of NCAA junior college transfer rules that require transfers, to be junior college graduates, or transfer after the freshman year with a B average.

HOUSTON (AP) — Second ranked University of Houston is the favorite in the Bluebonnet Basketball Tournament Wednesday and Thursday nights.

Other teams entered are Mississippi State, Montana State and George Washington.

The parings Wednesday night will have undefeated Houston facing George Washington in the opener and Mississippi State and Montana State meeting in the second game.

Wednesday night's losers will meet in the first game Thursday night. The winners meet for the championship in the second game.

This will be the first year for an official champion to be determined. In previous years the tournament has been co-hosted by Houston and Rice University with the teams swapping opponents the second night in a predetermined manner.

# Alabama Is Quick, Says Stallings

By GARY SHERER

The Texas Aggie football team will only get a four day Christmas vacation but nobody's complaining.

Coach Gene Stallings wasn't complaining either as he met with writers yesterday at the first of his pre-Cotton Bowl press conference.

"We had a good practice last night, all the players were bouncing around and relaxed," Stallings said when asked about the first full practice since the Texas game.

Stallings and his staff are preparing for the upcoming New Year's Day clash with Alabama like any other game on their schedule. The Aggie mentor admitted however that Alabama did present some problems.

"This isn't one of the greatest teams Alabama has had but it is a good team," Stallings said. He observed that the Crimson Tide will be the quickest team they have met this season. Stallings praised Alabama's kicking game and pointed out they have a good passer and receiver.

The passing duo to which Stallings referred is Ken Stabler the Tide's left-handed passer and Dennis Homan, Alabama's All-America flanker. Stallings, who was at Alabama before coming to A&M, knows both players' abilities well. In fact, the Aggie head man recruited Homan.

The Aggies will practice up to Dec. 22 and then break for Christmas the afternoon of the 22nd. They will reassemble in Dallas on the 26th and hold a practice that day.

Stallings plans no extensive practices and will keep to a once-a-day procedure.

# Packers Dominate AP Pro Selections With Six Named

NEW YORK (AP) — Although the Baltimore Colts remain the only unbeaten team in the National Football League with one game to play, the Green Bay Packers again dominate the NFL-All-Star team selected by a committee of sportswriters and sportscasters for The Associated Press.

Green Bay, the defending champion, placed six men on the teams, two on offense and four on defense. The Dallas Cowboys, the team the Packers defeated a year ago for the title, put four players on the first team and Baltimore placed three.

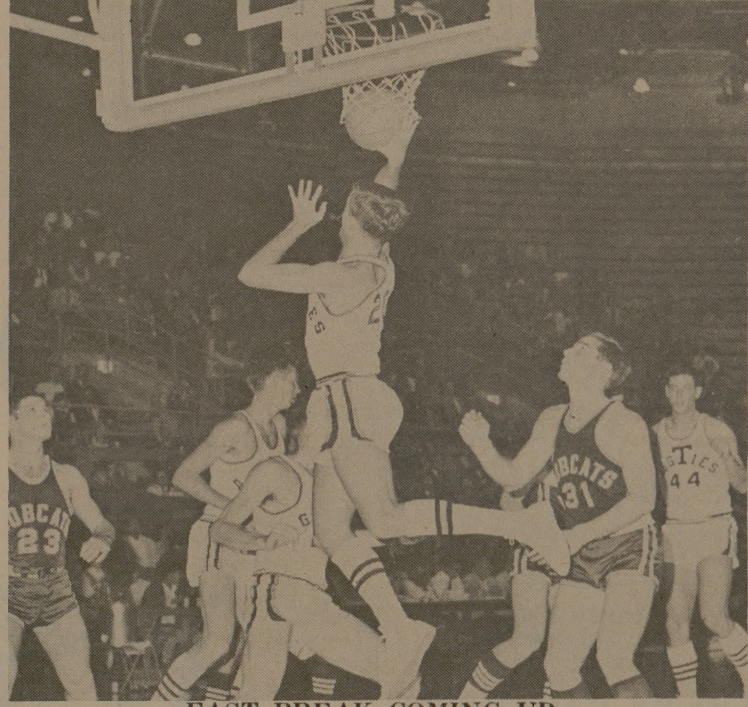

John Unitas, the old pro who has kept the Colts on the unbeaten path, displaced Green Bay's Bart Starr as the quarterback. Two of his three All-Star receivers did not make the first club last year. They are Charley Taylor of Washington at split end and Willie Richardson of the Colts at flanker. John Mackey of Baltimore repeated at tight end.

The explosive running back pair of Gayle Sayers of the Chicago Bears and Leroy Kelly of the Cleveland Browns once again were named.

Forrest Gregg and Jerry Kramer, veteran Packer interior linemen, made it again. Gregg's mate at tackle was Ralph Neely of Dallas. Neely replaced Philadelphia's Bob Brown, who was out with injuries in the last part of the season.

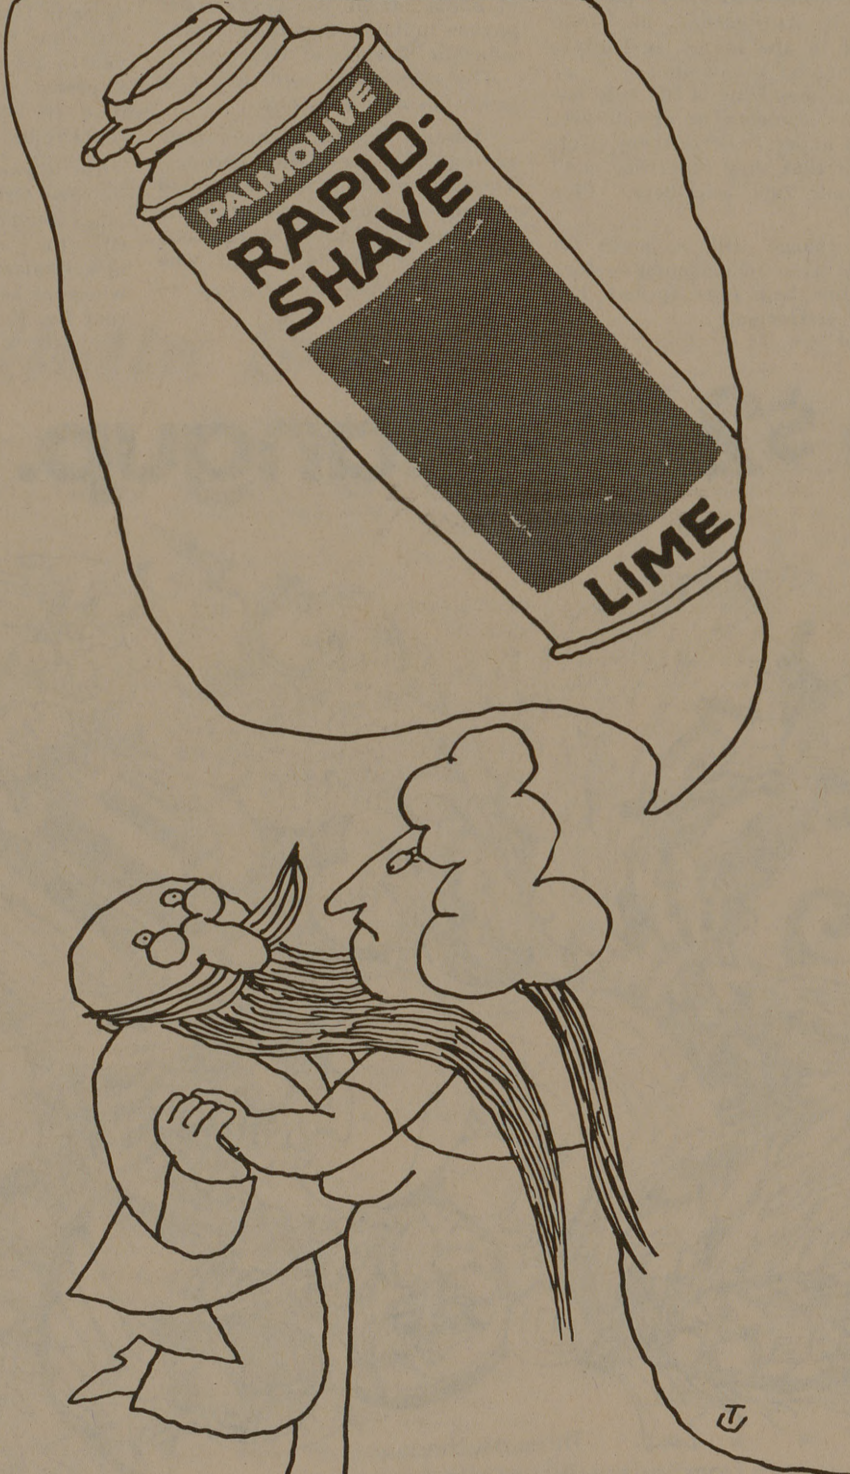

Kramer and Gene Hickerson of Cleveland were the guards. Hickerson moved into the position held last year by San Francisco's John Thomas, another injury victim.

Bob DeMarco of St. Louis won the center job over Mick Tingelhoff of Minnesota, first team last year.

FAST BREAK COMING UP

Johnny Underwood (20) grabs the ball following a Southwest Texas State basket to bring the ball back in bounds on an Aggie fast break play. Preparing to go down court are Harry Bostic and Mike Heitmann (both to left of Underwood).
