# SWC Gets 4 Blue Chips; Aggies Announce Signees

By THE ASSOCIATED PRESS  
Four of Texas' 20 blue chip high school football players signed Tuesday with Southwest Conference schools.

The NO. 1 player in the state in the opinion of college football recruiters, quarterback Jack Mildren of Abilene Cooper, remained to be signed. He said he hopes to decide this week.

Mildren said he will enroll at either the University of Oklahoma or a Southwest Conference school.

His pass-catching teammate, end Jon Harrison, and another Cooper blue chipper, halfback Ken Stephens, also failed to sign the first day of the conference permits meeting signatures on letters of intent or pre-enrollment applications.

**TWO BLUE CHIP** players with Class AAAA state champion Austin Reagan, which upset Cooper in the title game last December, also let the first day go by without signing. They are quarterback Dale Rebold and halfback John Kleinert.

The four blue chips who signed were Gary Sutton, 225-pound tackle from Ozona, with Baylor; Phillip Wood, 175-pound quarterback from McKinney, with Rice; Steve Judy, 172-pound quarterback from Longview, with Texas Christian; and Steve Luebbenhusen, 190-pound linebacker from Fort Worth Western Hills, with Texas A&M.

**THE CONFERENCE** champion Texas Aggies signed at least 35 players. Coach Gene Stallings said 35 names would be all he would announce Tuesday.

Among those signed by the Aggies was halfback Steve Burks of Dumas, who was also actively sought by Oklahoma.

Other signees announced by the Aggies were:

**YOU CAN'T WIN** (ACP) — Higher postal rates will naturally affect students, too.

"The Campus Chat" of North Texas State University, Denton, began its story on the rate increase this way:

"Starting Sunday, the cost of writing home for money will go up."
