

Anti-Johnson Group Urges Building Halt

AUSTIN (AP) — An off-campus group of anti-Johnson Democrats think the President should halt work on the Lyndon B. Johnson Library at the University of Texas in the interests of economy.

"Construction should be stopped on 'LBJ's Temple' because of spending cuts in welfare programs and rising expenditures in Vietnam," Tom Nagy, a graduate student, told a local meeting of the Dissenting Democrats of Texas (DDT).

"This would be Johnson's own tribute as a goodwill gesture." Nagy's suggestion that the DDT take an official stand on the library construction was referred to a committee for a report at the next meeting.

The DDT meeting was held at the University YMCA building just off the campus. Don Allford, state co-chairman of DDT, presided at the meeting which was called to organize Austin efforts for Sen. Eugene McCarthy, D-Minn., for the democratic presidential nomination.

"The best way to bring the boys back from Vietnam is to bring LBJ back home to Texas," Allford told the group.

Allford predicted that the Texas Liberal Democrats (TLD) organization meeting in Austin this weekend would adopt a resolution urging Johnson not to seek reelection.

Man Deferred Since Brothers Died In Service

MEDFORD, Ore. (AP) — The Jackson County Selective Service board gave a one-year draft deferment today to Douglas T. Rowden, 19, who is the brother of two men who died in Vietnam.

The local board gave the youth a compassionate hardship deferment during a closed hearing. The youth earlier had been ordered to undergo a pre-induction physical.

Mrs. Harvey Rowden, the mother, presented petitions with nearly 1,000 signatures to the board Tuesday, recommending a deferment.

Her two older boys, James and John, were killed in combat while serving in the Marine Corps. Both were 21 when they died.

A 10-year-old son, Malcolm, also lives at the family home in Jacksonville, Ore.

Harvey Rowden thanked the draft board for the deferment and said later, "I'm sure they did all they could. Our hearts go out to all of the others who have to go."

Mr. and Mrs. Rowden and Douglas all work at the Medford Corp., a lumber complex. Douglas works at the sawmill.

Attorney Calls ABA Proposal 'Ridiculous'

FORT WORTH (AP) — An American Bar Association recommendation to limit press coverage of trials and arrests is "ridiculous," says George Cochran, Fort Worth criminal attorney.

"They are not going to dictate to me and I'll oppose any such move in Texas," he said.

Cochran is chairman of the criminal law section of the Texas Bar Association.

The recommendation, approved by the ABA Monday, calls for adherence to the "Reardon Report," which would prevent the disclosure of a defendant's prior record, confessions and the results of fingerprinting and lie detector tests.

The report, prepared by a committee chaired by Justice Paul C. Reardon of the Supreme Judicial Court of Massachusetts, would limit public information to the name, age and family status of the accused, a description of the arrest and the charge.
