

Aggie Title Hopes Eliminated As Tech Wins, 83-81

By GARY SHERER
 "I was never more proud of a group of Texas Aggies," replied Shelby Metcalf after the Aggies dropped a heartbreaking double-overtime 83-81 game to Texas Tech at Lubbock Tuesday night.

The final buzzer not only ended the Maroon and White's chances for a win but also ended their chances for the Southwest Conference title.

WITH TEXAS Christian beating Texas and Baylor beating

Arkansas, the Aggies are eliminated from the title race. TCU, Texas and Baylor (who topped Arkansas) are now 8-5 for the season and tied for first place. The Aggies are in second at 7-6. The best the Aggies can hope for now is a tie for second with

one game remaining. This situation is brought about because Baylor and TCU meet Saturday night at Waco. One of them has to win, so this eliminates the Aggies. Texas will host Arkansas the same night while the Aggies will finish the season with South-

ern Methodist at G. Rollie White Coliseum.

Actually, Tuesday night's Aggie game could be split into two 25 minute halves with a 50-minute halftime instead of a 40-minute game and two five-minute overtimes. A modern day first was recorded when it started raining in Lubbock and the game was delayed because the roof of Lubbock Coliseum started to leak.

THE GAME was held up for almost an hour as the officials waited for the rain to stop or a SWC official to come forth and tell them what to do. The former happened and play continued after mopping-up operations had made the floor safe again.

At this point, the Aggies were behind 47-40. Metcalf did not blame the delay for the loss as the Aggies did take over the lead later, in the first overtime.

With 1:20 left to play, Ronnie Peret hit a layup to make it 71-71 and regulation time ran out be-

fore either team could score again.

BOTH TEAMS, showed the exhaustion of extended play in the first overtime, as they could only manage four points each in the five minute period. The Aggies had a 75-74 lead but had trouble bringing the ball in against a Tech press with 12 seconds left. Tech center Vernon Paul was fouled in the confusion, and made one out of two foul shots to force the game into another overtime.

This time, the Red Raiders jumped into a six-point lead and the Aggies couldn't make up the deficit and the game was over.

Little Jerry Haggard was the chief Aggie tormentor with 27 points. Six of these points came in the overtime period, giving him half of the Tech total in the two extra-timers. He got support from Jim Nelson, Steve Hardin and Paul with 13, 11 and 11 respectively.

Johnny Underwood led the Aggies with 19 points. He was fol-

lowed by Peret, Sonny Benefield and Harry Bostic with 16, 14 and 11.

Metcalf had praise for Bostic who got all of his points along with some key rebounds in the Aggies' second half comeback.

Aggie Booters Begin Tourney

Students from about 15 nations have started their annual spring soccer tournament at Texas A&M.

Ridha Labidi of Tunisia, tournament organizer, said six teams are represented in the tournament; Tunisia, Mexico, North America, Central America, South America and the Cadet Corps.

Two games will be played every Sunday for seven weeks beginning at 1 p.m. on the main drill field north of the Memorial Student Center.

Players from other countries, not included among the six teams, were permitted to play with the team of their choice.

At the end of the tournament the team with the highest point total will receive a trophy from the intramural department of Texas A&M.

The first games in the tournament were played last Sunday with the Tunisian team defeating Central America 7-4 and Mexico edging the South American team 2-1.

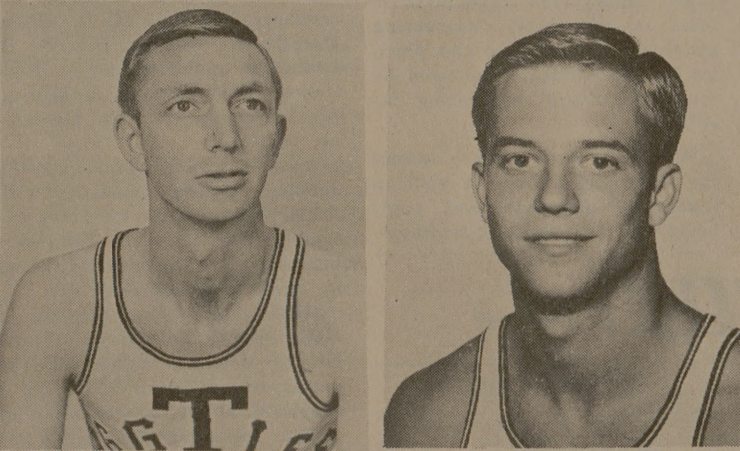

Aggie Takes 2nd In Billiards Play

Gene Cantrell represented Texas A&M with a second place finish in the three cushion carom last week at the annual Association of College Unions Billiards Tournament.

This season's tournament was hosted by the University of Texas at Arlington.

Cantrell is currently the Aggie billiards team's champion in both the pocket and three cushion game.

The Recreation Room of the Memorial Student Center at Texas A&M provides the tables on which Cantrell does the biggest part of his practicing and tournament playing.

TRW is success by association

From Los Angeles to Houston to Washington, from Space Systems to Ocean Systems to Information Systems, young people are making things happen at TRW.

Take a look around any TRW location. The young faces outnumber the old by a good margin. The vast majority of scientists and engineers you'll meet are under thirty, or forty at least. Why? Because we depend on young ideas, new ideas, fresh ideas. That's why we need you.

What kind of a place is TRW? Ask around. Talk to your professors and faculty advisors, or your friends who are already working with TRW. Most of our professional employees applied to TRW on the recommendation of friends.

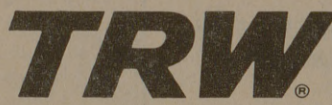

Here are some of the disciplines where new graduates may find career opportunities at TRW:

Computer Sciences/Analytical Research / Aerospaces / Information Systems / Digital Systems / Communications Systems/Reliability/Guidance & Control / Sensor Systems / Microelectronics / Electric Power / Space Vehicle Design / Antenna Systems Design and Analysis / Mechanical Engineering / Product Assurance / Integration & Test / Systems Engineering / Circuit Design / Electronic Countermeasures & Electronic Intelligence Systems

If you'll be receiving your degree (Ph.D., MS or BS) in Engineering or Science this year, check with your Placement Director and talk with us

while we're on campus. If you can't make it at that time and would like to be considered for openings in the Los Angeles area, Houston or Washington, send your resume to: W. D. McIvers, College Relations, TRW, One Space Park, Redondo Beach, California 90278.

An Equal Opportunity Employer

TRW (formerly Thompson Ramo Wooldridge) is 60,000 people at 200 operations around the world who are applying advanced technology to space, defense, automotive, aircraft, electronics and industrial markets.

SWC Roundup

FAYETTEVILLE, Ark. (AP) — The Baylor Bears moved into a three-way tie for first place in the Southwest Conference basketball race here Tuesday night by whipping Arkansas 71-64.

Baylor, Texas Christian and Texas are knotted at the top with 8-5 records. The loss dropped Arkansas to 6-7.

Baylor, with four players hitting in double figures, led all the way and took advantage of seven Arkansas turnovers in the final four minutes of play to put the game out of reach.

FORT WORTH, Tex. (AP) — Texas Christian struck down a desperate Texas rally Tuesday night to trip the Longhorns 71-65 and go into a tie for the Southwest Conference basketball lead.

The Frogs, unbeaten on their home court this season, toppled the league-leading Longhorns from first place.

Texas could have clinched a share of the title with a victory. Texas, TCU and Baylor are 8-5 with one game remaining, Texas against Arkansas and Texas Christian against Baylor.

Bill Swanson led the TCU attack with 19 points.

Texas Sharp-shooter Billy Arnold nearly pulled out the victory as he poured in 20 points in the second half for a game total of 28.

DALLAS, Tex. (AP) — Greg Williams pitched in a field goal with five seconds left Tuesday night and Rice edged Southern Methodist 76-75 in a Southwest Conference basketball game.

Williams scored 29 points for the night in leading the Owls into a tie with SMU in the standings. Each has a 5-8 record.

Lynn Phillips led SMU scoring with 17 points.

Purdue junior Leroy Keyes led the nation's major college scorers last season with 114 points. He had 19 TDs in 10 games and was chosen an All-America halfback.
