

MAKING WAY FOR 733,659 GALLONS

Workmen hose down Texas A&M's Wofford Cain Swimming pool preparatory to filling the Olympic-size facility for Monday opening. Cain pool will open April 1 through October 12 during the 1968 swimming season.

### Civil Defense Tornado Group Organizational Meeting Set

Brazos County's Civil Defense Tornado Warning group will meet Monday at Texas A&M to organize for the 1968 severe weather season. Dr. Vance E. Moyer, tornado warning division head, said group members and other interested persons will go over tornado spotting and warning plans for the April through June season. He added that the 7:30 p.m. meeting will be in Room 305 of Goodwin Hall. Jake Canglose, Brazos County civil defense director, said officials of Robertson, Burleson, Grimes and Washington counties law enforcement agencies have been invited to attend.

back to alternate sites as the system approaches," the director said. "In the event a tornado threatens, the communication center would be notified to activate warning signals and local news agencies would be called for an emergency broadcast of the impending danger." Signals and safety precautions are available in pamphlet form

at B-CS post offices. The Brazos County CD folder suggests protective measures and indicates the tornado warning signal will be a steady siren blast of three to five minutes. "THERE ARE flaws," Moyer added. "The Brazos River serves as an effective barrier to communications from that direction, from which 95 per cent of tornadoes in this area will come."

### Cain Pool To Open Monday Afternoon

Swimmers, sun bathers and girl watchers take note: Texas A&M's Wofford Cain pool opens Monday. Dr. Carl W. Landiss, Health and Physical Education Department head, said the facility available to A&M students, faculty, former students and guests, will be open on an abbreviated schedule through the remainder of the spring semester. Additional swimming hours will be scheduled during the summer and the spring schedule will become effective again in September. From April 1 to June 1, Cain pool will be open from 2 to 6 p.m. on weekdays, 10 to 12 a.m. and 1:30 to 5:30 p.m. Saturdays and 1:30 to 5:30 p.m. Sundays. Admission to A&M students, their children and faculty-guest children under 12 years of age will be 25 cents each. Faculty, former students and adult guests

will be charged 50 cents each. From June 2 through Aug. 23, pool hours are 9:30 a.m. to 12:30 p.m., 2 to 6 p.m. and 7:30 to 9 p.m. daily except Sundays, when 2 to 6 p.m. hours will be in effect. The Cain pool is 50 meters long and 60 feet wide, with a diving pit of 45 by 75 foot dimensions. Landiss said two days will be required to pump 733,659 gallons of water to fill the pool. The entire volume of water is filtered every six hours.

### Jobs Still Open At Six Flags For Summer

Applicants seeking host and hostess positions at SIX FLAGS Over Texas for the 1968 season are still queuing up at the Park's personnel office. The personnel office began accepting applications January 16 and has interviewed more than 2,100 applicants. With approximately 1,500 openings, SIX FLAGS anticipates interviewing over three times that number of prospective candidates. Director of Personnel Wayne Gallagher indicated that college students are preferred and will be given first priority. However, high school students aged 16 or older will be considered. All students interested must be interviewed in person, as no mail applications will be considered. The personnel office is open from 9:30 a.m. to 11:30 a.m. and then from 1:30 p.m. to 4:30 p.m., Tuesday through Saturday, each week. It is located just south of the main gate to SIX FLAGS in the Employees' Parking Lot by the Great Southwest Bowling Lanes.

### 34th Cotton Ball Slated For April 6

Dr. W. O. Trogdon, president of Tarleton State College at Stephenville, will crown King Cotton during Texas A&M's 34th annual Cotton Pageant and Ball April 6. Trogdon is a former head of the A&M Soil and Crop Sciences Department. King Cotton is Roger Bippert of La Coste, a senior agronomy major. He was chosen by Agronomy Society members in recognition of his active record of service to the organization. The pageant, which starts at 7 p.m. in the Bryan Civic Auditorium, honors cotton as the state's main cash crop. The pageant will be followed by the ball at 9 p.m. in the Memorial Student Center.

McCARTHY PACKS 'EM IN

Minnesota Senator Eugene McCarthy extends hand to members of audience following campaign address in Dane County Coliseum at Madison, Wis. He drew more than 15,000 people, the largest crowd to occupy the building since it was constructed. Wisconsin primary election campaign is in final week. (AP Wirephoto)
