The Church.. For a Fuller Life.. For You.. **NEW TOMORROW**

If I had time tonight, I might be a bit frightened. But just now, there's time to feel only excited and happy. It's funny . . . when you're a little kid, it seems as if you go to school forever. Then all of a sudden, it's graduation night, and you know that this is an end and a beginning all at once.

Mom and Dad will be out in the audience, and so will Dan. He sent me these roses. Our minister will be out there too, and I hope he'll notice that the smile I send in his direction will be a particularly grateful one. How often I've gone to him with my childish troubles, only to have him treat them as seriously as if they were of world-shaking consequence. It was he who really taught me how to pray.

He taught me so many of God's lessons. And I am sure that throughout my lifetime I'll be learning them anew and repeating them over and over again. How wonderful to realize that this commencement, this end of an era, is really the beginning of a new tomorrow.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
