

City Hosts Meet For AAU Tankers

By HANK MILLS
The College Station Swim Club will host the Region 9 Amateur Athletic Union swimming competition Friday and Saturday. Over 200 entrants from the region, which takes in Texas and portions of Louisiana and Mississippi, are expected to participate in the outdoor meet, reported Emil Mamaliga, one of the meet managers and faculty member of the A&M Health and Physical Education Department. "The purpose of the meet is for AAU competitors to meet the qualifying times of the AAU championships," he continued. Mamaliga added that these times are established by AAU national committees based on past performances by competitors. "Competition will be open to AAU registered athletes 12 years and older," he explained. The other meet manager is Mrs. Francis Henry of the College Station Recreation Council. Meet referee is College Station Swim Club Coach Pat Patterson. Judges and other meet officials are being chosen from interested citizens in the area. The meet consists of swimming competition only. One and three meter springboard and five and ten meter platform diving competition will take place in Houston on the same days. The A&M meet's competition will begin with preliminaries at

noon and finish at 7 p.m. on both days. Cost of admission will be 50 cents for adults and 25 cents for children under 12, Mamaliga pointed out.

Some of the team members representing College Station in the meet will be John Greenhut, Steve Henry, Dale Henry, Edgar Blackledge, Covert Blackledge and Robert Stallings. Also included on the team are Jim Jeeter, Bennett Frelander, Bob Barlow, Mason Cloud and Karl Fryxell.

Girl team members include Tina Derendinger, Terry Alani, Beth McArthur, Pat Greenhut and Mary Cay Galloway.

Meet Manager Mamaliga said entries have been received from four Houston groups, Waco's Flying Dolphins and Austin. Other major Texas clubs and swimmers from Louisiana and Mississippi are expected.

NO MONOPOLY
Dale Henry, Mrs. Francis Henry and Steve Henry make quite a showing as a family involved in swimming, but they won't be the only ones present at the AAU swimming meet here Friday and Saturday. The two boys will be competitors and Mrs. Henry is one of the meet managers. Also shown is Pat Patterson the meet referee, Doug Adamson, another competitor, and Emil Mamaliga, meet manager.

Priority Ticket Deadline July 1

Texas A&M football fans have less than two weeks to make sure they're on a priority list for 1968 Aggie football tickets.

The deadline for getting in ticket orders is July 1. All orders received before the deadline will get priority rating for handling. After that date, orders will be filled on a first-come, first-served basis.

A&M Athletic Business Manager Wally Groff said his office already has received orders for more than 3,000 season tickets and the pace is expected to pick up greatly prior to July 1.

Tickets for A&M's first three games—at LSU, at Tulane and at Florida State—are priced at \$6 each. The seven Southwest Conference games have a \$5 per ticket price.

Ticket applications have been mailed out to some 65,000 people on various priority lists such as Aggie Club members, Stadium option holders, former students, etc.

The general public can mail in

ticket orders now, too, and get a priority handling, if their order is postmarked prior to July 1. An extra 25 cents should be included in all order to take care of postage and handling.

A&M's four home games this season are: Oct. 12, Texas Tech; Oct. 19, TCU; Nov. 2, Arkansas and Nov. 16, Rice. The Tech and TCU games are at 7:30 p. m. and the Arkansas and Rice games are at 1:30 p. m.

Community Help Asked By Council

Texas A&M's International Student Council will meet at 7 p. m. Friday to continue plans for the summer, Rosh Partovi, president, has announced.

He urged community residents to join the international students at 7 p. m. in Room 3B of the Memorial Student Center.

"We want the ideas and suggestions of the community," Partovi said. "We will appreciate help."

Lake Somerville Site Of Cruises

Two courses, one long and one short, will be set upon Lake Somerville Saturday for the A&M Sailing Club's cruises, Dr. John Goeschl, one of the officers, said today.

The "Mutt and Jeff" cruises will be set from Overlook Park at 2 p. m.

A picnic dinner is slated for 7 p. m. following the cruises.

Students or faculty members who have boats or who are interested in sailing, should sign up on the Sailing Club poster in the Memorial Student Center or contact Goeschl at 846-7751 for further information regarding sailing activities at Texas A&M.

Stallings Named European Coach

Gene Stallings, who coached the Texas Aggies to the 1967 Southwest Conference football title and a Cotton Bowl win over Alabama, gets international exposure soon when he helps conduct a football training school for coaches and officials in Europe.

Stallings, along with Missouri's Dan Devine and Syracuse's Ben Schwartzwalder, will lecture and teach on the coaches' phase of the school. Tommy Bell of the NFL and one other official will handle the other phase.

The schools will be conducted at Wiesbaden, Germany and London, England, starting June 24 and ending July 4. The group will

leave from Dulles Airport in Washington, D. C. at 8 p. m. June 22 for Germany.

Stallings, who played football at Texas A&M in 1954-55-56, left Paul Bryant's coaching staff at Alabama to return to his alma mater in December, 1964. His first A&M team, in 1965, had a 3-7 mark. The second was 4-5-1 and the third, last year, won its final six games to capture the SWC title, A&M's first since Stallings was a tri-captain and end in 1956.

The European football training school is being sponsored by the United States Air Force.

FIRESTONE STORES

TEXAS AVE. & POSTOFFICE ST. — BRYAN, TEXAS

THE NORTH TEXAS FARRIERS SCHOOL can be of tremendous value to Veterinary students or to any horseman who wishes to follow the Farrier trade either full time or part time. Competent farriers make from \$15,000 to \$25,000 per year. You DO HAVE TIME to attend this unique school and prepare yourself for an interesting and rewarding occupation because ours is the only school in the world that can produce a competent farrier in just two weeks of intense work for about half the cost at most Farrier Schools. By offering experienced instruction and the most advanced teaching techniques, we have produced successful farriers from 41 states and three foreign countries. This special summer course, mainly for A&M students will be offered from August 12-25. Those interested write direct or contact Veterinary student Dwight L. Gailey, 106 Kyle Street College Station.
