Fumble Didn't Kill Stallings' Hopes

By JOHN PLATZER
 Even after giving the ball up on a fumble at the Louisiana State one foot line with 5:32 left in the game and A&M trailing 13-12 Saturday, Coach Gene Stallings felt that his squad would come back to get the win.

"I thought we would win the game even when Long fumbled," Stallings said at Tuesday's press conference.

"I thought we would get the ball back with about 2½ minutes and 3 time outs left and at least get into position for a field goal."

LSU was able to rip off three first downs at this point, however, while forcing the Aggies to use up all their time outs and running the clock down to :33 seconds. This, according to Stallings, was the most disappointing aspect of the loss for the Aggies.

WHEN A&M eventually got the ball back on a fumble at their own 38, they had time for only four passes, one complete, before attempting a 61-yard field goal on the game's last play.

Stallings said that he now thinks he made a mistake in pre-

paring the Aggies for LSU. "We had no full speed contact after the Wednesday before the game and that was my mistake," Stallings said.

One of A&M's major weaknesses this season, a lack of depth, was a crucial aspect of the opener. LSU used over 50 players during the hot, humid night while the Aggies ("playing the best we got") used a total of 27 men, 13 on defense and 14 on offense, not counting those on the specialty squads.

IVAN JONES and Mike DeNiro were singled out by the Aggie coach as having played consistently well during the game.

"DeNiro played a good game for a sophomore," Stallings said. "He was in on 24 tackles, which is a lot of tackles for a defensive end."

Ross Brupbacher, A&M's defensive right halfback, will practice at fullback this week and may see action at that spot Saturday against Tulane, Stallings revealed yesterday. If Brupbacher should move to offense, Tom Sooy or Jack Whitmore may play the defensive halfback.

BACK TO WORK

Defense was stressed at Tuesday's football workout at A&M as the Aggies started preparation for the Tulane game this weekend in New Orleans. Mike DeNiro, one of the brightest spots for the Aggies in their 13-12 loss to LSU last week, is shown above working on his tackling technique. Supervising the drill is Dee Powell, the Aggies' defensive coach. (Photo by Mike Wright)

Coach Says Tiger Offense Improved In Loss To Klein

The A&M Consolidated Tigers will go after their first win of the season Friday night when they tangle with the Del Valle Cardinals here at 8 p.m.

Coach Jack Churchill felt the Tigers were in the game last week against the tough Klein Bear Cats but faltered in the final minutes, taking a 16-7 defeat.

"I felt the team had improved greatly over our first game and we were very pleased that we were able to move the ball as well as we did against Klein," Churchill said.

"We are looking ahead to Del Valle this week and hope to move the ball better than last week even though Del Valle is just as big as Klein was," he continued.

Consolidated lost linebacker Richie Wooten, who suffered a jammed neck in the Klein tussle and is expected to be out of action for at least two weeks. Good news for the Tigers is that both of their starting guards, Bob Liverman and Tat Marek, are

expected to be at full speed for the Del Valle game.

Del Valle went to the Class AA schoolboy quarter-finals in 1967 and are currently 1-0 in season action. Last week they wiped out Southside of San Antonio, 51-0 and field one of the largest teams the Tigers will face.
