AGGIE DEN

Open 8 a. m. till midnight 7 days weekly

AGGIES HONOR MATSON

Randy Matson, the gold medal winner in the shot at the Mexico City Olympics, was honored by his fellow Texas Aggies at Kyle Field Saturday during halftime of the A&M-Arkansas game. Shown congratulating Matson is A&M track coach Charlie Thomas. Matson won the Olympics with a toss of 67' 10 1/2". His world record, set in Kyle Field, is 71' 5 1/2". A scholarship in honor of Matson was also announced by A&M Saturday. (Photo by Mike Wright)

A&M To Establish Matson Scholarship

Texas A&M will establish a James Randel Matson scholarship in recognition of the educational and athletic accomplishments of the Olympic gold medal winner.

Announcement of the endowed fund scholarship and presentation of a bronze trophy of the shotput with which Matson threw a world record 71 feet, 5 1/2 inches were made Saturday at football halftime ceremonies honoring the 1967 A&M graduate.

President Earl Rudder announced the scholarship, to be awarded annually "in his (Matson's) honor, to perpetuate forever the inspiration and the leadership of this fine young man."

ever the inspiration and the leadership of this fine young man."

President Rudder and student body president Bill Carter of Decatur participated in halftime ceremonies of the A&M-Arkansas football game.

Matson won the U. S.'s first gold medal in the 1968 Olympic Games at Mexico City. His winning put of 67 feet, 10 1/2 inches is a new Olympic record.

The actual 16-pound steel ball Matson used to establish the untouched world record at Kyle Field was bronzed for the Saturday presentation.

Tigers Rap Snakes To Stay In Race

By RICHARD CAMPBELL

The A&M Consolidated Tigers perked up their passing attack Friday night but once again had to rely on their defensive play to hold down the scrappy Navasota Rattlers, 20-8.

This victory raised the dwindling hopes of the Tigers and leveled their record at 4-4, who thought they were close to out of the race after their loss last week to the Brenham Cubs. But last Friday, the Cubs saw their dream bubble burst as Huntsville tied them and sent the race into a mixed-up affair. If Brenham loses next week against Navasota, then the Tigers will be tied with the Rattlers for the lead.

The Tigers drove the opening kickoff to the Navasota 19 but fumbled and that ended their first scoring threat of the night. Likewise, the Rattlers marched to the Tiger 17 but after a clipping penalty, attempted a 34-yard field goal. It was wide to the right and the score was still 0-0 as the quarter ended.

At this point, Quarterback Paul Madeley started a Tiger drive on the Cat 20 and marched to midfield where Leroy Clark blasted a punt into the Rattler end zone. But the Rattlers were caught clipping on the play and the Tigers had new life on the 47. On the first play, Madeley found Rob Schleider free and hit him for the score. The conversion was true and the Tigers led with 10:09 left in the half.

The Tigers took over again after a short drive by the Snakes grinding to the enemy 21 before the Rattlers stopped the running of Mike Litterst and Richard Marshall.

Madeley decided to go to the air and twice was downed by fierce rushes by the Rattler defensive trenchmen. But on fourth and 13 from the 34 Madeley demonstrated some real cool maneuvering in the backfield as he scrambled and faked beautifully before hitting Clark with a pass for the score. Schleider added the extra point and the Tigers took a 14-0 lead into the dressing room.

In the second half, the Rattlers came back with their only successful drive of the night as they marched 80 yards with quarterback Briers going the final three for the score. Halfback Willie Sauls skipped around the Tiger left end for the two point conversion and the Tigers were in trouble, 14-8.

Later, the Rattlers sparked by a fired-up defense, drove to the Tiger two-yard line only to face

an equally fired-up Tiger defense. The Cats rose to the occasion and stopped Briers short and took over with 1:37 left in the third period. Clark had to kick a few plays later and boomed a 48-yarder and the Rattlers were in business again on the Tiger 44 after a fine return by Sauls. But a few plays later, the Snakes fumbled and the Bengals controlled.

Nine plays later, the Cats' Clark punted again, this time into the end zone and the Rattlers took over for their last drive with 6:18 left. But six plays later Clark separated Wally Coronado from the ball and Pat Marek recovered on the Rattler 35. It only took the Bengals 10 plays to go for the score with Marshall going the final one with 40 seconds left. Schleider missed the extra point and the final score was 20-8.

Next week the Tigers entertain Kemp.

Schoolboy Poll Due Shakeup

The Henderson Lions replaced Perryton as the No. 1 Class AAA football team in the state Monday without lifting a finger.

The Lions, who had an open date last week, moved to the top in the Dallas Morning News poll after Perryton suffered a 13-12 upset at the hands of Hereford. Perryton had held the top position since pre-season.

Perryton wasn't the only ranked team to fall on bad times. In Class AAAA, half of the top 10 was defeated and four dropped out of the poll.

Brazosport, No. 3 last week, was the only AAAA team to lose and remain in the top 10. Brazosport lost 14-7 to No. 2 Galveston Ball and dropped to No. 7.

Dropping from the list were Houston Sam Houston, Abilene Cooper, Odessa Permian and Amarillo Palo Duro. They were replaced by San Angelo Central, Houston Washington, Richardson and Temple.

In Class AAA, Donna was the only other team to lose. The Redskins dropped from the top 10 and were replaced by Brownwood.

Another good shakeup took place in Class AA, with three teams exiting from the top 10—Jacksboro, Eastland and Needville. The new faces are Crockett, Big Lake and Lufkin Dunbar. Iowa Park rolled on as No. 1.

Poth remained No. 1 in Class A after dunking Nixon 55-0.

A SMART TEAM

FOWLER, Colo. (AP) — Members of Fowler High's basketball squad and the state manager all landed on the scholastic honor roll.

INSURANCE COMPANY OF PHILADELPHIA

It's not often an engineer gets to design a company.

When he does, he tends to take care of his own kind.

He designs a company that is one heck of a good place for an engineer to work.

You can tell LTV Aerospace Corporation is an engineering oriented company.

The ratio of engineers to everybody else is exceptionally high. The computer support is tremendous.

The Robert McCulloch research laboratory is the newest and one of the finest big labs in the country.

The engineer who wants to be a technical specialist here can do as well as the engineer who gets into administration.

The engineer who wants to keep working on an advanced degree can do it right here.

And the projects: they range from deep space to the ocean floor — military and commercial aircraft, V/STOL; launch vehicles; extra vehicular activity research and development; high mobility ground vehicles; missile systems; computer, technical and management services.

No question about it: the engineers at LTV Aerospace are taking care of themselves.

An LTV Aerospace representative will tell you how to get in on it.

A beauty parlor you can take back to school.

In many ways the Norelco Beauty Sachet is just like a beauty parlor.

It manicures, pedicures, massages, applies facial creams, buffs and files nails, and stimulates your scalp and muscles.

But in another way, it's more than a beauty parlor.

It also shaves your legs and underarms. And it shaves underarms as close or closer than a blade in 2 out of 3 shaves as tested in an independent laboratory. (As does the

Lady Norelco 15L on the right.)

The Lady Norelco is a shaver that has two shaving edges. One for legs, and one for underarms.

It also has a 110/220 voltage selector for easy travel use.

And it's not at all expensive. Even if it shaves like it is.

Norelco
the close, fast, comfortable ladies' shaver
