

Fish Sock It To Pics, 16-13

By RICHARD CAMPBELL
The Texas Aggie Fish converted a late fourth quarter fumble recovery into their fourth consecutive win of the year as they edged past the Texas Tech Picadors, 16-13, in Jones Stadium in Lubbock Thursday night.

Middle Guard Mike Fuller pounced on a loose Picador fumble at the Tech 32-yard line with only 4:54 left in the game as the defensive line jarred the ball loose from Tech quarterback Dale Rebold.

Pass defense was also the order of the day as the Fish swiped four more passes to add to their previous total of eight before the game. Rebold was victimized twice and reserve quarterback Charles Napper saw two of his passes taken away by the hungry Fish.

IN THE first quarter, neither team could move the ball effectively until the Picadors recovered a Fish fumble by quarterback Mike Bunger on the Fish 45. At this point, the Fish defense led by linebacker Steve

Luebbehusen, stopped the Pics cold and Rebold was forced to punt. But Edwin Ebram dropped the ensuing kick and the Pics were in business on the Fish 22. But the defense stiffened again and Tech's Clifton Curtis made good on a 33-yard field goal and Tech took the lead, 3-0.

Second quarter action found Tech stifled again and Rebold punted to the Fish 43. Two plays later, alternate Fish quarterback Joe King hit wingback Billy Joe Polasek with a perfect 50-yard scoring strike with 10:43 left in the first half. Billy Martin tacked on the extra point and the Fish led, 7-3.

TECH STARTED another drive on their 25 following a fine 42-yard punt by Joey Herr. But on the second play, the Aggies' Luebbehusen intercepted a Napper pass intended for John Kleiner at the Tech 38 and returned it to the 22. After three unsuccessful plays, the Fish parlayed the opportunity into three quick points off the toe of Richard Baldeschwiler who put a field goal through from the 17. With 5:53 left the Fish were ahead 10-3.

But on the next drive, Tech got to the Fish 23 and were threatening until David Hoot picked off a Rebold pass at the one-yard line. But Herr had to punt and Tech took over on the A&M 43 with 32 seconds remaining in the half. Rebold hit split end James Denton for 18 yards to the Fish 25 and with only 10 seconds left, Napper came in and threw his second interception. Corky Sheffield grabbed the errant throw on the 27 and the half ended.

THE THIRD QUARTER belonged solely to the Picadors as a King pass intended for John

Gardner was swiped by Tech's Ken Perkins on the Fish 45 and returned to the one. Two plays later, Rebold sneaked over for the score. The PAT was good and the two teams were knotted at 10-10.

With 7:03 left in the third period, Rebold was caught on the Fish 18 after a long gainer by Miles Langhennig and a 15-yard penalty set them up on the 24. Curtis again limbered up his kicking toe and booted a 34-yard field goal through and Tech led, 13-10.

The Fish seemed to lose their momentum at this point and the game began going in Picador fashion. But near the end of the third quarter, the Fish got new life as David Odom returned a Rebold punt 40 yards to the Tech 36. But the drive stalled and Herr punted to the Tech 13. From here, Rebold cranked up the Pic offense and began to move as he hit flanker Gary Kennedy with a 26-yard pass to the Fish 44 as the period ended.

BUT ON the first play of the final stanza, a Rebold aerial was wide of its mark and Fish linebacker Clifford Thomas intercepted it and returned to the Tech 19. But three times QB Bunger failed to move the Fish and Martin attempted a 37-yard field goal. It sailed off to the right and the score remained unchanged.

After several unsuccessful drives, Herr punted to the Tech 35 where the Picadors took over. At this point, Fuller came up with the football after Rebold was jarred loose from it while looking for a receiver. On the first play, King lofted a pass too tall for Gardner and it was second down and 10.

On the next play, hard-hitting fullback Doug Robbins took a handoff from King on the draw play and knifed his way to the 22 and the important first down. Again King called on Robbins and this time the 210-pounder picked up 6 yards to the 16. Robbins picked up two more on the next play and got the second first down with a 5-yard jaunt on the next play. From here, King made a beautiful fake to Robbins and handed off to tailback Steve Burks who sliced nine yards into the end zone untouched with 2:43 left in the game. The extra point play was fumbled and the score stood 16-13.

A&M KICKED off to Rebold and he returned to the Tech 30 where things got rough for the Picadors. On the first play, Rebold faked, dropped back and was then buried by the fierce onslaught of defensive tackle Van Odom for a 13-yard loss. On the next play, Napper faded back but was trapped and downed by Odom and Clifford Thomas on the 12 before he could get the pass away. With 1:58 left, Napper rolled to his left, shot a long pass which was deflected by Hoot into the arms of Kennedy, who had it for a split second and then dropped it.

Rebold dropped back to punt with 1:39 left and boomed a 62-yarder to the A&M 27. After Robbins and King tried the middle with no success in three plays, Herr retreated to his goal line to punt with just 0:48 left. On the first play of Tech's possession, Napper hit James Denton with a pass to the Fish 48 with 20 seconds left. Napper then rolled out looking for a receiver and fumbled the ball but tailback Scott Brady picked it up and carried to the Fish 43. On the last play of the game with 13 seconds left, Napper hit Kennedy on the A&M 25 but a Tech penalty was declined by the Fish as the game ended.

Rodeo Prize Won By Grad Student

John South, graduate student from Bryan, was named all-around champion cowboy and awarded a trophy saddle Saturday night, before a crowd of 350 at the All-Aggie Rodeo.

First place winners of the seven events were: Bareback bronc riding, Lionel Lane; tie down calf roping, Bryon Hedges; saddle bronc riding, Warren Moore; and bull dogging, John South.

Other first place winners were: Ribbon roping, Mike Herrington; barrel race, Francis Parker; and bull riding, Warren Moore.

In the specialty events, Company A-2 won the panty race, while Company B-2 won the goat sacking and ribbon race.

Winners of each of the regular events received belt buckles and trophies were awarded in each of the specialty events.

Stock contractor was Donald Chapman of Deer Park.

Intramural Round-Up

In Class B football, A-1 and F-2 fought to a 0-0 tie but A-1 took it on penetrations. They got inside F-2's 20-yard line three times but could not score. D-2 edged A-2, 6-0, while G-2 beat B-1 on penetrations in a scoreless duel. Squadron 10 whipped Sqd. 7, 14-0, and Sqd. 9 topped Sqd. 11, 7-0. In the most lopsided game of the day, H-1 rolled over Sqd. 6, 29-0.

Class A horseshoes results went like this: Sqd. 10 beat Sqd. 1, 3-0; Sqd. 2 took Sqd. 5, 2-1; Sqd. 11 beat Sqd. 3, 2-1; F-1 shut out C-1, 3-0; E-1 forfeited to B-1; and A-1 forfeited to D-1.

Basketball in Class C started Tuesday afternoon with Davis Hall meeting the Lions and Phi Delta Sigma going against Hotard. Phi Delta Sigma rolled to an easy victory over Hotard, 44-9, with Rinehart leading the winners with 14 points. Conger also contributed 10 points for Phi Delta. In the second game, the Lions topped Davis Hall, 22-15.

In the evening action of Class C basketball, AYI defeated Keathley Hall, 30-20, behind the 17-point effort of Reiling. In the second game, Meteorology downed the Mexico Club, 34-27. There has already been two forfeited games, so check your schedules closely.

Liston Challenges WBA King Ellis

PITTSBURGH (AP) — Sonny Liston, the former heavyweight champion, said Thursday he expects to get another shot at the title within six months.

Liston, who started a comeback attempt a year ago, said he is taking on any fighters to keep going but the top-ranked contenders won't face him.

He said he was going to start putting the pressure on the World Boxing Association to force a match with its champion, Jimmy Ellis.

"Nobody wants to fight me," said Liston, who came to Pittsburgh for a 10-rounder with Roger Rischer next Tuesday.

Liston has won 10 fights by knockout since he decided in September of 1967 to try again for the title. However, only one opponent Henry Clark, was ranked. He was seventh at the time. Liston's most recent fight was a second-round knockout by Willie Earls in Juarez, Mexico, last Sunday.

Liston, ranked fourth by the WBA and fifth by Ring Magazine, said he felt he was as sharp

as he was when he quit in 1965 after the second Cassius Clay fight.

Unbeaten Joe Frazier defends his five-state heavyweight boxing title Dec. 10 in a scheduled 15-round bout against Oscar Bonavena, one of only two opponents to go the distance with the champion.

Promoter Lou Luchese announced Thursday the 24-year-old Frazier would defend against Bonavena of Argentina at the Spectrum in South Philadelphia. Frazier won a split decision over the South American Sept. 21, 1966, after twice being decked.

The only other fighter to last with Frazier was George Johnson of Los Angeles in May, 1967.

Frazier, 1964 Olympic Games heavyweight gold medal winner from Philadelphia, won recognition as champion in New York, Maine, Massachusetts, Illinois and Pennsylvania, by knocking out Buster Mathis at Madison Square Garden last March. He already is training at Pleasantville, N. J., for the Bonavena rematch.

Graduating engineers

You can be part of the man-in-the-sea program or help build the next generation of nuclear submarines at the San Francisco Bay Naval Shipyard.

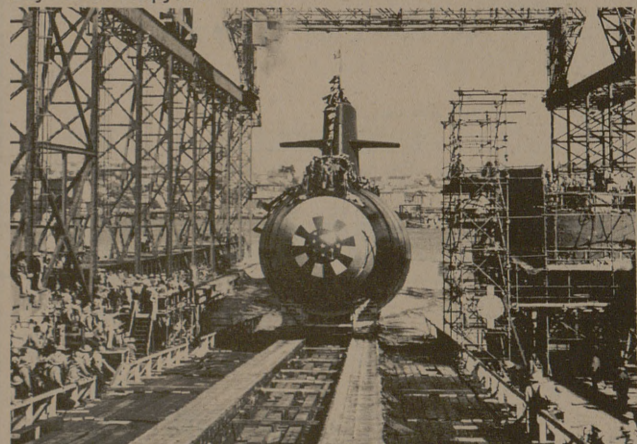

Enjoy unmatched potential for professional growth. At the San Francisco Bay Naval Shipyard you may help build a new vehicle for the man-in-the-sea program. Or work on other deep submergence vehicles such as the deep-diving bathyscaph, TRIESTE II. You may build nuclear submarines or convert aircraft carriers. Or you may develop systems and equipment for cargo replenishment-at-sea.

Apply your talents to important programs in nuclear power, ship structures, electrical systems, electronic systems, marine design, mechanical design, welding, quality assurance, and plant utilization.

Live in the famed Bay area. San Francisco Bay

Commander Scott Carpenter, Astronaut turned Aquanaut, in SEA LAB III, built at the Hunters Point site, San Francisco Bay Naval Shipyard.

A nuclear submarine going down the ways at the San Francisco Bay Naval Shipyard in August, 1968. It was the 509th ship to be launched at the Mare Island facility.

Naval Shipyard has two work sites 40 miles apart: Hunters Point in San Francisco and Mare Island in Vallejo, California. Each location has ready access to the cultural advantages of San Francisco. All types of recreation from surfing in the Pacific to skiing in the Sierras are within easy driving distance. Tuition payment plan for advanced degrees enables you to continue your professional growth by attending classes at one of the many outstanding colleges and universities located nearby. Full Civil Service benefits with regular salary increases.
