IN A CROWD

Barney Harris, the Aggs' talented split end, catches one of his record-tying 13 passes to move into the record book tied with Ken McLean. He caught 13 for 162 yards in the losing cause.

## SMU Dumps Ags, 36-23

By JOHN PLATZER  
In the age of the transplant, Southern Methodist transplanted Mike Richardson's leg for Chuck Hixon's arm at halftime in the Cotton Bowl Saturday to race past the Aggies 36-23.

The win kept the Methodists in a four-way tie for the Southwest Conference lead while the Aggies dropped to a 2-6 season and 1-4 SWC mark despite another brilliant performance by quarterback Edd Hargett.

A&M's defense limited Hixon, the nation's leading passer, to only seven completions in 17 attempts for 113 yards while intercepting one in the first half. This slowed down the Ponies' offense enough to give Coach Gene Stallings' squad a 10-7 lead.

A seven yard pass from Hargett to Long gave the Aggies the first score in the game after a 49-yard drive in six plays. Richardson showed a preview of things to come in the second quarter as he single handedly raced through the Aggies for 91 yards on ONE series in which he carried seven times. When the dust had cleared the Mustangs had driven even with the Aggies at 7-7.

Charley Riggs booted A&M back out front as time ran out in the first half with a 36-yard field goal.

SMU took the lead for the first time at the beginning of the third quarter as Richardson drove over from the one with 6:50 left in the period. Richardson

scored again on a two-yard sweep the next time SMU got the ball as the Methodists widened the margin to 21-10.

The Aggies battled back once again at the end of the third quarter with an 11-yard pass from Hargett to Long sending the score to 21-16. The teams exchanged touchdowns in the final quarter to make the score 29-23. SMU put the game on ice with 2:15 left as Hixon connected with Ken Fleming for 31 yards.

Hargett's performance continued to add to his stature as the nation's premier senior quarterback. The "Marietta Marvel" connected on 32 of 58 passes for 376 yards and 3 touchdowns and was his team's leading rusher with 42 yards on 12 carries. He has now thrown 103 passes in his last two games without an interception.

Another SWC career mark fell to Hargett in the contest as he passed Terry Southall for the most completions in conference history at 357. He is now in seventh place in the all-time NCAA statistics only three behind Zeke Bratowski. This places him ahead of such names as Craig Morton, Bob Griese and Babe Parilli. A total of 35 completions in his next two games would place him in third place ahead of Steve Spurrier.

Hargett also moved into ninth place in the NCAA's all-time total offense leaders with 4,930 yards. He could move into fifth place (again ahead of Spurrier) with 360 yards in his last two games.

It was also a record shattering day for Richardson who carried the ball 39 times for a phenomenal 244 yards.

ROAD BLOCK

Mike DeNiro and Dale Watts apply a stiff greeting for SMU tailback Mike Richardson to stop him for a short gain, one of his few for the afternoon against the hapless Aggies. In all, Richardson rushed for 244 on 39 carries setting the new Mustang one game rushing marks.

GOT IT!

Aggie Flanker Bob Long latches on to an 11-yard touchdown pass from quarterback Edd Hargett in the third quarter of the 36-23 loss to SMU Saturday in the Cotton Bowl.

### Contemporary Arts Exhibits Committee Presents:

*"A Night with E. M. (Buck) Schiwetz"*

NATIONALLY KNOWN ARTIST

Autograph and painting demonstration

Portfolio of Six Texas Missions and The Texas Sketchbook will be on sale.

7:30 p.m. November 14, MSC Assembly Room

## Engineering Research With the Waterways Experiment Station Vicksburg, Mississippi

Challenging career opportunities are available for engineers and scientists in the fields of:

- Soil Mechanics
- Nuclear Weapons Effects
- Hydraulics
- Environmental Research
- Concrete
- Flexible Pavements
- Instrumentation
- Mobility and Trafficability

The Corps of Engineers offers a wide variety of professional engineering work in all fields of engineering. Training programs provide excellent opportunities for increased technical knowledge as well as early promotions for those who satisfactorily complete the training.

Representatives of the WATERWAYS EXPERIMENT STATION, Corps of Engineers, Vicksburg, Mississippi, will be on campus Thursday, 14 November 1968, for the purpose of interviewing interested students. Salaries will be discussed at the time of interview. Students with superior academic ratings can qualify for higher salaries.

Applicants will be accepted for employment with the WATERWAYS EXPERIMENT STATION and with any other CORPS OF ENGINEERS Installation throughout the United States and overseas. See your Placement Officer today!

The Corps of Engineers is an equal opportunity employer.
