The new directory replaces the interim directory which has served since the new Centrex telephone system became operative.

United Chest Drive Hits 85 Per Cent

College Station's United Chest fund-raising drive has attained almost 85 per cent of its \$27,500 goal, announced Campaign Chairman Edwin H. Fenner.

Fenner said contributions currently total \$22,440, or 82 per cent of the goal. He noted, however, the tabulations exclude some Business Division funds which have been collected but not yet turned in.

"We consider this to be a pretty good response," remarked Fenner, assistant director of the Engineering Experiment Station here.

"Since, however, we have not quite reached our goal," he continued, "we would appreciate any last-minute efforts on the part of campaign workers and individuals who might not have had an opportunity to contribute."

Funds obtained in the United Chest campaign will help sup-

port 16 civic and charitable agencies.

Sharing agencies and the amounts they are scheduled to receive are:

College Station Community House, Inc., \$2,500; College Station Recreation Council, \$2,500; Boy's Club of America (Bryan), \$3,000; Brazos Valley Rehabilitation Center, \$3,000; Brazos County Counseling Service, \$2,500; Salvation Army, \$1,350.

Girl Scouts Area Council, \$2,800; Boy Scouts of America, \$3,000; American Red Cross, \$3,500; Texas United Fund, \$100; United Service Organization (USO), \$300; Traveler's Aid of America, \$50; United Cerebral Palsy of Texas, Inc., \$200; Girl's Club of Brazos County, \$1,500; and Texas Association of Mental Health, \$450.

Owen Trust Fund Establishes First Academic Chair

A trust valued at more than \$500,000 has been established here by the late Dr. Arthur George Owen of Houston and his wife, university officials announced Wednesday.

The university revealed establishment of the Arthur George and Mary Emolene Owen Trust Fund following Dr. Owen's death Saturday.

Dorsey McCrory, development director, said the trust, which includes stocks, bonds and real estate, will be used to establish the university's first privately-endowed academic chair, in mathematics.

Income from the trust, however, is reserved for life for Mrs. Owen, McCrory noted.
