Ag Tracksters To Run In Astrodome

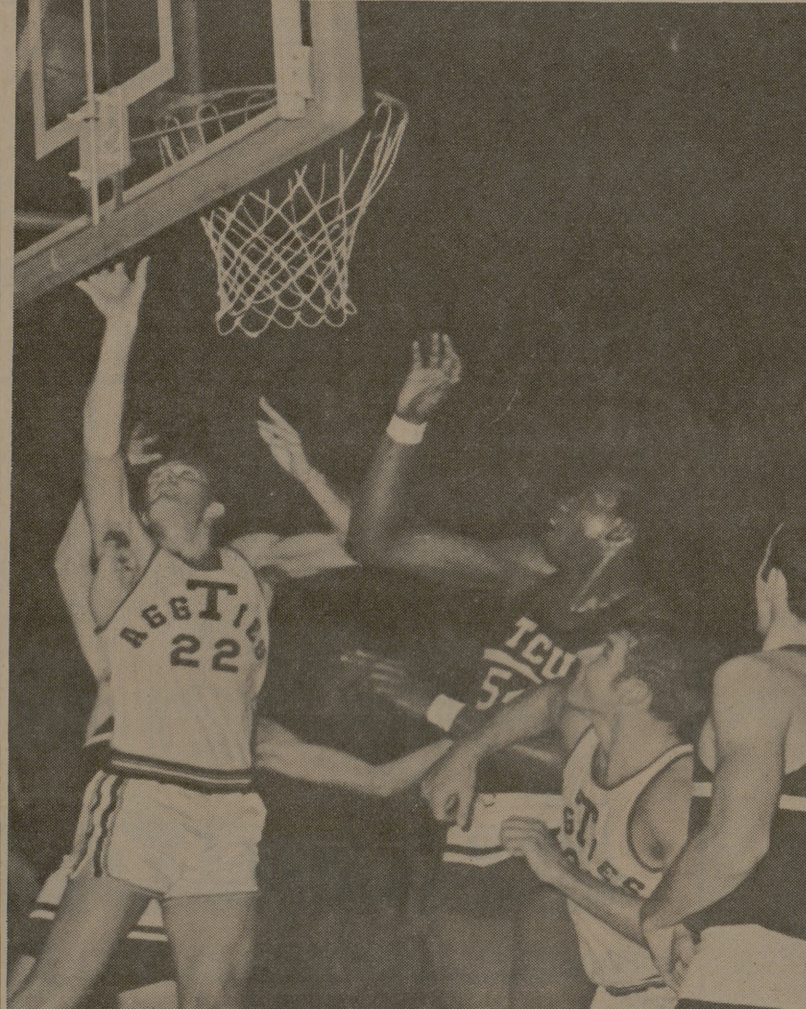

Coaches Charles Thomas and Ted Nelson will take 18 members of the Texas A&M track team to Houston Friday and Saturday to compete in the Astrodome Federation National Track and Field Relays.

The Aggies will be led by sophomore Curtis Mills, second in the 440-yard dash in the Southwest

Conference Meet as a freshman, and the mile relay team composed of Steve Bancroft, David Dolton, Mike Boyd, and Mills.

keep it for use in the annual Relays which are expected to become one of the nation's most prestigious winter events.

Ron Kutchinsky of Michigan and Wade Bell of Oregon, both 100-meter stars; and three members of the Finland Olympic team, jumper Pertti Pousi, middle distance runner Jaakko Tuomi, and pole vaulter Altti Allaranta.

A BIG TWO
 Every basket was a big one Saturday night in G. Rollie White as the Aggies came from behind to edge TCU, 72-71. Mike Heitmann (22) is shown getting two of the Aggies points as Billy Bob Barnett gets set to fight the Frogs' James Cash for a possible rebound. Also going with the team to the meet are Rockie Woods who has a 9.6 in the 100-yard dash, Jack Abbott (14.0 in the 120-yard high hurdles), Deward Strong (14.3 in the high hurdles), Larry McIntyre (15.7" in the pole vault), John Taylor (6'5" in the high jump) and Ronnie Lightfoot (57.7" in the shot put).

All eight Southwest Conference schools and the University of Houston and Texas Southern will enter teams in the Relays, Cleburne Price, meet director, has announced.

The big indoor attraction will have its running events on the largest oval ever put down under a roof. The 352-yard wooden oval is now under construction in Boston under contract with the Houston Sports Association which will

The addition of Olympic champions Willie Davenport and Bob Seagren has added special lustre to the invitational field.

Davenport and Seagren bring to 11 the number of Olympians whose entries have been received for the big indoor meet that will see more than 1,000 competitors in action over the two days.

Davenport won the Olympic Gold Medal at Mexico in the 110-yard high hurdles while Seagren took the top prize in the pole vault, after having set a world record of 17 feet 9 inches in the event earlier in the year in the U. S.

Seagren heads a contingent of seven top track men from the University of Southern California, a group that also includes Lennox Miller, the Mexico City Silver Medal winner in the 100-meters.

Other Olympians to compete here include Erv Hall of Villanova, a second place medal winner in the 110-yard hurdles; Ron Freeman of Arizona, a Bronze Medal winner in the 400 meters;

Pro Grid Eyes Focus On 10 Ag Seniors

Eyes of professional football scouts are keeping a close watch on at least 10 Texas Aggies as the pro draft draws closer.

Tackle Rolf Krueger, quarterback Edd Hargett, linebacker Bill Hobbs, split end-defensive back Tommy Maxwell and punter Steve O'Neal, all of whom played in post-season all-star games, likely will go high in the draft.

Wingback-split end Bob Long, fullback Wendell Housley, end-tackle Tom Buckman, place-kicker Charlie Riggs and defensive lineman George Resley also have been contacted by various pro teams.

ROCKIE WOODS

"I feel like this can be the greatest meet in the history of Texas," Price of Texas University said. "The response has been tremendous."

He said he expected the meet to become one of the great winter track shows in the country. "These are the greatest facilities I've ever seen for an indoor meet," he declared.

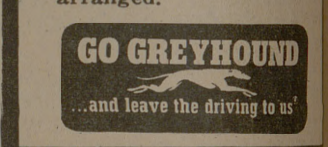

All tickets for the meet will be reserved seats and are priced \$5, \$4, \$3 and \$2. They may be purchased by mail by writing Indoor Track Meet, Astrodome, Box 1691, Houston, Texas, 77002.
