Chinese Marches Continue

TOKYO (AP)—Anti-Soviet demonstrations went into a third day Wednesday in Peking but a Japanese correspondent said they were carefully controlled to avoid further worsening of relations with Moscow after a battle on the Manchurian border.

The demonstrators were kept away from the Soviet Embassy, said Ieshige Akioko, correspondent of the newspaper Asahi. The crowds had surged around the embassy Monday shouting anti-

Russian slogans.

Akioko gave no estimate of the crowds, but the Yugoslav news agency Tanjug in a Peking dispatch said a million Chinese demonstrated.

The dispatch said the Chinese people were told that Chinese guards returned fire after they were fired on by Soviet border guards Sunday at an island in the Ussuri River on the Chinese-Siberian border.

The Soviet Pacific Border Com-

mand reported Wednesday the commander of a Russian border post was killed and "some of his comrades" were shot when 200 screaming Chinese charged on Damansky Island, known to the Chinese as Chenpao.

Judge Favors Marital Sex For Prisoners

PHILADELPHIA (AP)—A judge says that sex in jail between husbands and wives "is desirable—and would make a convict's future life worth living."

"Otherwise a prisoner won't be worth a damn," says Judge Raymond Pace Alexander of Philadelphia Common Pleas Court. "We'll still be sending monsters out into the community."

He says he'd like some liberalization of normal sex relations in prison, involving married couples, and also unwed inmates "if they have legitimate long-term common-law relationships, backed up by sufficient evidence, and not any phony setup."

ALEXANDER SAID the Scandinavian countries permit conjugal visits. So do jails in Peru, Argentina, Chile, Brazil, the Middle and Far East.

Alexander, the first Negro ever elected to City Council and then to the bench here, made his proposal to his court colleagues and urged them to show "courage" in exploring the problem.

The judge said he advanced the proposal "because of the horrible, the horrendous sexual crimes that happen in prisons today, and that have been happening for more than 100 years."

A RECENT report by the district attorney's office said homosexual rapes are "epidemic" in Philadelphia prisons, and estimated conservatively that at least 1,000 occur annually.

"Virtually every slightly built young man committed by the courts is sexually approached within hours after his admission to prison," said the report.

"It takes a strong man or woman to resist sex in prison," Alexander said.

Daley Blasts Democrats For Nominating Humphrey

CHICAGO (AP)—Mayor Richard J. Daley strongly criticized Wednesday Hubert Humphrey's campaign for the presidency and said he thought Humphrey should not have been nominated by the Democratic party.

"I thought we should have had a stronger candidate," Daley told a news conference.

Daley said he thought Humphrey lost the election because he did not campaign vigorously enough in Illinois.

AT TIMES almost incoherent and shaking with rage, Daley said, "I don't think there's any doubt about it—Humphrey didn't

get the vote in the suburbs he should have."

Daley, head of one of the strongest and last big city political machines, said that Humphrey, unlike John F. Kennedy and Lyndon B. Johnson, refused to campaign extensively in Illinois, despite constant appeals from himself and other top Illinois Democrats.

The untypical outburst from the mayor came during questioning by reporters following a news conference at which officials of Sears, Roebuck and Co. announced plans for construction of

a new national headquarters on the West Side.

ASKED IF he agreed with Humphrey's statement on television this week that disturbances in the streets during the Democratic National Convention in Chicago last summer contributed to Humphrey's defeat, the mayor told a television newsmen:

"The American public was defrauded by television coverage of the convention. You and your stations set up what happened at Michigan and Balbo, and everybody knows that."

He referred to one of the major confrontations between anti-war demonstrators and police at Michigan Avenue and Balbo.

THE MAYOR restricted his anger over news coverage of the convention to television. "I'm talking about television," he said.

Daley insisted that he had nothing to do with the handling of the convention. "I had nothing to do with setting up the convention or with running the police department."

Police handling of demonstrations has come in for wide criticism, and several policemen have been suspended for their conduct during the convention.

Humphrey, in Louisville, Ky., for a speech, turned aside questions about Daley's attack.

"I've been in politics a long time," the former vice president told a news conference, "and one of the things I've learned is that there are more fight promoters than peace makers. I don't intend to take the bait."

Japanese Film Classic Showing Set Friday In MSC Ballroom

"Rashomon," an award-winning Japanese film, will be shown in the Memorial Student Center Ballroom at 8 p.m. Friday, Film Committee chairman Carlos Almaguer announced Wednesday.

Also showing with "Rashomon" will be "Occurrence at Owl Creek Bridge," the Academy Award-winning short film.

"Rashomon" was awarded the Oscar as "Best Foreign Film" and was the first Japanese film ever to receive world-wide recognition.

"A revolutionary film which explores psychological and aesthetic levels, 'Rashomon' has an emotional impact due to unexpected beauty of classic Japanese scenes, not photographic trickery," Almaguer said.

"It is essentially an inquiry

into the nature of truth," he added. The principle characters have been involved in a murder and rape. In flashback sequences, the audience is allowed to see them as they saw each other.

"The film shows each version with complete conviction making the audience decide the relative truth of each testimony," he said.

"Occurrence at Owl Creek Bridge" deals with reality as seen by a condemned Civil War soldier at his hanging.

Season tickets for the film presentation and the remainder of the season may be purchased at the Student Program office and at the door.
